Blood On The Risers:

Never Give Up the Jump Susan Gurwell Talley, Jack L. Talley, 2023-02-14 The daughter of a D Day paratrooper and her husband a PTSD therapist discover a family legacy of love trauma and resilience when they set out to explore a vast trove of WWII correspondence official military documents personal effects and unique militaria found in closets and basements after her father's death Young Sue Gurwell had always known that her father had been a paratrooper An old camo parachute from Holland served as her backyard tent and high on a shelf she mustn t touch eight red devils in parachutes grinned from the front of mysterious drinking glasses Dad had sent Mom during the war And then there was the special poem in his roll top desk she sometimes snuck a peek at written by a member of Dad's regiment This poem was a premonition of the sergeant's death Yes her dad told her He was right he died on D Day But it s not until 2016 after her parents had both passed away that Susan Gurwell Talley and her husband Jack L Talley begin to understand the true extent and significance of the wartime artifacts that had been staples of Sue's childhood The Talley's discovered that Sue's father Lt George L Gurwell Executive Officer HgHg 508th PIR had silently squirreled away thousands of wartime documents in the family home Like most combat veterans George was never one to talk about the war but the historic collection of official records correspondence photographs maps memorabilia cultural artifacts and unique ephemera constitute quite possibly the most extensive various and complete documentation of the 508th held privately today This precious resource could not have passed into better hands than those of Jack and Sue Talley Jack a PhD psychologist specializing in PTSD was the first to understand that George had PTSD symptoms that still lingered from the war years when he and George were introduced on June 6 2001 That evening the 57th anniversary of D Day George first opened up about the war and preceded to talk late into the night In that conversation lies the genesis of this book America's Army and the Language of Grunts E. Kelly Taylor, 2009-11-12 a powerful sketch of America's Soldiers depicted in their unique lingo legacy a fascinating array of cultural jargon based on a proud history and known as the language of Grunts compelling leadership lessons built on a legacy fashioned by Warriors celebrated by Veterans shared with families and intriguing to citizens Americans share the pride of ownership all contributing to the rich cultural lingo of our Nation's Army a timely insight into America's Army and her Citizen Soldiers viewed through a proud legacy of lingo steeped in tradition and filled with contemporary influences the old and the new

LOUD & CLEAR Luke Marusiak, 2013 Hank Rudzinski always wanted to be a hero He fi nds Amy a partner in his quest and joins the Army From Pennsylvania to West Germany from a Georgia Army Post to a Mississippi Air Force Base from an Infantry Division in Missouri to the deserts of Iraq in 1991 they realize that heroes are made of something different than rank or medals They also discover that great causes bring out the best but also the very worst of people This novel pulls aside the curtain to reveal the grandeur and grittiness of such pursuits It is also a novel of love and hate highlighting the lifelong permanence of soul searing choices This book is part of the Good Fight Series and overlaps times and characters of Marx

Ford and the upcoming Fear Hope Soldiers ,1972 All Volunteer ,1983 In Search of an America Gabor Bethlenfalvay, 2011-07 Born in Hungary author Gabor Bethlenfalvay spent his early childhood under privileged circumstances that he remembers as his Garden of Eden It was a paradise until the end of World War II He tells of the events of joy and of tragedy in his life before and after the war in his Xlibris publication In Search of an America An Introvert on the Road In this tale of the road the author relives how he and his family fled west just before the Red Army overran his hometown to end up in a small village in Bavaria There six years of exile were spent absorbing a classical education amid the rubble of post war Germany until emigration to the United States became possible Assembly lines in Chicago and in Omaha were the author s first introduction to the New World until he found his path to Military Service He became a paratrooper and an officer but decided to return to school to study physics In spite of an advanced degree doubts about his vocation pulled him back into the Army The war in Vietnam finally impelled him to resign his commission for good and to strike out for California with his young family to study biology a decision that led to a doctorate and a research career exploring the web of life in the soil The repeated back and forth between academia and the military and between Europe and the USA helps him explore and compare religious political sociological and scientific attitudes and patterns of thinking in the Old and New Worlds He learns to view his new home with critical detachment A candid look into a colorful life journey during one of history s most tumultuous times In Search of an America An Introvert on the Road chronicles how one man finally realized that the long road that led him to the fog shrouded mountain outside his study window in San Luis Obispo was all part of his search for his personal utopia an america that of his childhood dreams Blood on the Risers, 2019 Description Blood on the Risers sung to the tune of Glory Glory Hallelujah Seven stanzas and a chorus Last two lines of the chorus Gory gory what a helluva way to die He ain t gonna jump no more **Home of the Infantry** Peggy A. Stelpflug, Richard Hyatt, 2007 Fort Benning's history tells the story of the US infantry For most of a century Fort Benning's infantry school has graduated the soldiers who lead as well as the fighting foot soldiers in the dirt and mud Founded on farm land in Georgia it has been one of the US Army s premier installations from the days of the Doughboys to a more modern era where Rangers proudly wear their Ranger berets Fort Benning's long history has produced an impressive alumni list Eisenhower coached its football team Marshall rewrote the curriculum Patton pushed men to prepare for battle Bradley organized its Officer Candidate School a source for men of rank in World War II Powell and Schwarzkopf were honor graduates as were Eaton and Freakley and other heroes from the sands of Iraq Fort Benning trained soldiers in the art of the bayonet It prepared them to jump out of airplanes It discovered the mobility and power of helicopters It honed the technology of the Bradley Fighting Vehicle It has set the table for war in the trenches war on the ground war in the air and war in the desert Infantry has led the way and so has Fort Benning It truly is the Home of the Infantry BOOK JACKET Recruiter Journal ,1983 Hell's Highway John Antal, George E. publication yet serves as an invaluable compilation of historical information concerning the participation of the 101st Airborne Infantry Division in the Vietnam War I have authored other companion books which explain in greater detail the many incidents battles and missions involving the 3 506th Infantry Currahees The Stand Alone Battalion published in 2002 is a pictorial chronology of the 3 506 participation in the Vietnam War from 1967 1971 My Gift To You published in 2006 contains the stories of those Currahees who died in Vietnam while serving with the 3 506 101st Airborne Division The book Twelve Days In May released in 2010 explains in great detail the involvement of the 3 506 as well as the 4th Infantry Division Infantry Battalions and support units in the northern thrust into Cambodia Operation Binh Tay I while OPCON to the 4th Infantry Division in May 1970 These companion books together with They Called Us Currahees will give a comprehensive representation of combat in South Vietnam from the personal perspective of those who served with the 3 506 Infantry fought the battles and suffered the many scars of war All the War They Want Jeffrey J. Engle, 2023-01-10 An unconventional approach to gaining the competitive advantage All the War They Want presents counterintuitive problem solving techniques using as its case in point one of the most existential threats to our national security and American way of life cyber warfare Informed by Jeffrey Engle's experience as a member of the U S military's elite special ops community his Brazilian jujitsu training and his leadership of a premier cyber defense company All the War They Want offers an alternative perspective on overcoming tough leadership challenges a perspective previously available only to those bearing the scars of a lifetime at war All the War They Want shows you what rules and conventions to break to stack the deck in your favor giving you the competitive edge in business and in life Rules to break include among many others Never throw the first punch Do your research before you decide what you really want to do Leaders should treat everyone the same Always hire the candidate who best meets the qualification requirements Prepare for the zombie apocalypse and you will be fine Leaders eat last With Jeff Engle's guidance you can learn to build an elite organization ready to meet the call in any battle **Records and Briefs** of the United States Supreme Court ,1832 **Deadly Intent** Eric Thomson, 2020 Chaos created by factions determined to end the centuries old accord between human settled worlds and Earth is spreading at an alarming rate Centralists aided and abetted by their corporate paymasters are working hard to destabilize sovereign star systems and strip them of independence Only the Fleet's hard pressed Special Forces can stop those who would foment a series of violent revolutions and trigger a bloody civil conflict capable of destroying humanity s interstellar civilization And that means the best of those Special Forces units Ghost Squadron doesn't lack for missions Disrupting riots aimed at toppling star system governments seeking out and destroying the Centralist owned security and intelligence agency s assets eradicating cartels used as Centralist cat's paws no operation is too complex However each mission takes them deeper into the heart of darkness and before the Fleet can declare victory Ghost Squadron may come to resemble the enemies it fights Yet not using all the means at its disposal could result in the deaths of billions But will the Special Forces legendary prowess and valor suffice both to

save humanity and Ghost Squadron's soul Or will the Commonwealth experience the horrors of an existential war before the Fleet can arrest the spiral into madness The Eastside Kid John F. DeCosta, 2011-02-03 Baseball was everything and everywhere in the 1950s on the east side of Brockton Massachusetts In The Eastside Kid author John DeCosta tells what it was like growing up in that era and what the game of baseball has meant to his life This memoir describes DeCostas baseball experiences both as a youngster and as an adult and it shows how this passion shaped him With photographs included The Eastside Kid shares DeCostas life story from 1957 to 2011 including details about his Catholic family his love for animals his first job serving in the military in Korea dealing with heart problems and his continued participation in baseball From the sandlot to Little League to adult amateur baseball The Eastside Kid provides an inside view of how deeply baseball beats in the heart of John DeCosta The Cumulative Book Index ,1992 A world list of books in the English language Lost in Translation Martin Dockery, 2009-02-19 In September 1962 when Martin Dockery landed in Saigon he was a young determined idealistic U S Army first lieutenant convinced of America's imminent victory in Vietnam While most of the twelve thousand U S military advisors in country at the time filled support positions in Saigon and other major cities Dockery was one of a handful of advisors assigned to Army of the Republic of Vietnam ARVN combat units For eight months Dockery lived and fought in the heart of the Mekong Delta with an ARVN infantry battalion on missions and operations that often lasted several days And for most of that time whether tramping through the steaming leech infested jungle hiking across canals or engaging in sudden firefights Dockery was the only American soldier with the unit Dockery's solitary assignment with ARVN during the infancy of U S involvement in Southeast Asia afforded him an understanding of Vietnam far more profound than most other Americans Lost in Translation is his riveting account of the largely overlooked role of American combat advisors in the war As he vividly evokes the sounds smells and vistas of the country and its people Dockery depicts an army poorly trained incompetent and unwilling to fight for a government every bit as corrupt as that of the French colonial empire it replaced Yet even worse than his daily fare of isolation frustration and danger was Dockery's growing conviction that the advisory program was doomed Though these dedicated highly motivated advisors would do their best and persevere under the most trying circumstances they would not succeed The author's eyewitness testimony provides inescapable evidence that as early as 1962 the writing was already on the wall concerning the outcome of the Vietnam War Although it would take U S leaders more than a decade to divine what the young officer learned in a single year Dockery's personal and penetrating analysis of the war which he presented in a lecture at a Special Forces facility in Germany one week after his tour in Vietnam ended proved chillingly accurate Those who send soldiers to war should consider the realities and truths within these pages

<u>Instrument of War</u> David Suisman,2024-11-26 An original history of music in the lives of American soldiers Since the Civil War music has coursed through the United States military Soldiers have sung while marching listened to phonographs and armed forces radio and packed the seats at large scale USO shows Reveille has roused soldiers in the morning and Taps has

marked the end of a long day Whether the sounds came from brass instruments weary and homesick singers or a pair of heavily used earbuds where there was war there was music too Instrument of War is a first of its kind study of music in the lives of American soldiers Although musical activity has been part of war since time immemorial the significance of the US military as a musical institution has generally gone unnoticed Historian David Suisman traces how the US military used and continues to use music to train soldiers and regulate military life and how soldiers themselves have turned to music to cope with war s emotional and psychological realities Opening our ears to these practices Suisman reveals how music has enabled more than a century and a half of American war making Instrument of War unsettles assumptions about music as a force of uplift and beauty demonstrating how it has also been entangled in large scale state violence Whether it involves chanting Sound off in basic training switching on a phonograph or radio or cueing up an iPod playlist while out on patrol the sound of music has long resonated in soldiers wartime experiences Now we all can finally hear it Whatever it Takes Lloyd R. Moses, 1991 Rendezvous with Destiny Leonard Rapport, Arthur Northwood, 2001
