**Brian Sorensen**

## **Blood Eagle:**

Blood-Eagle Saga John Ingham, 2022-12-16 Deep frozen midwinter in a Viking warlord's longhouse. From the snow emerges a white-haired saga teller Snorri who offers to entertain the drunken warband. Sven Ravenfeeder agrees but drops a noose around Snorri's neck and tells him: If we like your story you will live. So begins the Blood Eagle Saga, a tale of greed and betrayal, courage and cowardice that takes rival Viking longships across the Atlantic to a new world of depravity. In the menacing forests and on the vast bison-rich plains, Viking enemies Grim and his former right-hand man Asgeir battle over honour and treasure. Along the way they find themselves in another equally proud and brutal warrior culture: that of the native Americans. Throughout, Asgeir is helped by his muse Mary, a shape-shifting former Irish slave who has every reason to hate Grim. At the heart of the saga is one burning question that sends Sven and his men into a frenzy: who will be the victim of the Vikings' favourite torture, The Blood Eagle?

**Britain and Ireland, 900-1300** Brendan Smith, 1999-07-29 There is a growing interest in the history of relations between the English, Scottish, Welsh and Irish as the United Kingdom and Ireland begin to construct new political arrangements and to become more fully integrated into Europe. This book brings together work on how these relations developed between 900 and 1300, a period crucial for the formation of national identities. The conquest of England by the Normans and the subsequent growth in English power required the inhabitants of Britain and Ireland to reassess their dealings with each other. Old ties were broken and new ones formed. Economic change, the influence of chivalry, the transmission of literary motifs and questions of aristocratic identity are among the topics tackled here by leading scholars from Britain, Ireland and North America. Little has been published hitherto on this subject and the book marks a major contribution to a topic of lasting interest.

**AngloSaxon(ist) Pasts, PostSaxon Futures** Donna Beth Ellard, 2019 Over the past several years, Anglo-Saxon studies, alongside the larger field of medieval studies, has undergone a reckoning. Outcries against the misogyny and sexism of prominent figures in the field have quickly turned to issues of racism, prompting Anglo-Saxonists to recognize an institutional structural whiteness that not only bars the door to people of color but also prohibits scholars from confronting the very idea that race and racism operate within the field's scholarship, scholarly practices and intellectual history. *Anglo Saxon ist Pasts postSaxon Futures* traces the integral role that colonialism and racism play in Anglo-Saxon studies by tracking the development of the Anglo-Saxonist, an overtly racialized term that describes a person whose affinities point towards white nationalism. That scholars continue to call themselves Anglo-Saxonists despite urgent calls to combat racism within the field suggests that this term is much more than just a professional appellation. It is this book that argues a ghost in the machine of Anglo-Saxon studies: a spectral figure created by a group of nineteenth-century historians, archaeologists and philologists responsible for not only framing the interdisciplinary field of Anglo-Saxon studies but for also encoding ideologies of British colonialism and Anglo-American racism within the field's methods and pedagogies. *Anglo Saxon ist pasts postSaxon Futures* is at once a historiography of Anglo-Saxon studies, a

mourning of its Anglo Saxonist fathers and an exorcism of the colonial racial ghosts that lurk within the field's scholarly methods and pedagogies Part intellectual history part grief work this book leverages the genres of literary criticism auto ethnography and creative nonfiction in order to confront Anglo Saxonist pasts in order to imagine speculative postSaxon futures inclusive of voices and bodies heretofore excluded from the field of Anglo Saxon studies **Torture and Brutality in Medieval Literature** Larissa Tracy,2015 A new look at the way in which medieval European literature depicts torture and brutality GOD OF KILLING CHAPTER 02 Nguyen Huong ,2025-07-22 GOD OF KILLING CHAPTER 02 Tu Mu's face was ugly he looked at the Golden Demon's phantom image in horror his heart felt a little cold The Golden Demon was not a real entity it was like a ghost in legends this kind of unusual thing made Tu Mu who was a brave and good mercenary a little afraid so he took a step back wanting to see the situation clearly before deciding what to do next He took a step back Shi Yan immediately saw that he was guilty he seized the opportunity like a cheetah carrying a dagger he charged forward very quickly and also called Di Ya Lan to attack together Although Di Ya Lan was also a little afraid but knowing that the ghost image was released by Shi Yan she was now more courageous to attack Tu Mu from behind All kinds of negative forces condensed into a dim smoke like a poisonous snake coiled around the evil Golden Demon ghost followed closely like a phantom in a short time it arrived in front of Tu Mu Vikings and the Vikings Paul Hardwick,Kate Lister,2019-10-31 This essay collection is a wide ranging exploration of Vikings the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy From a range of critical viewpoints these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show's richly textured dramatization of the rise and fall of Ragnar Loobrok and the exploits of his heirs creating what many viewers label a true representation of the age From the show's sources in both saga literature and Victorian revival to its engagement with contemporary concerns regarding gender race and identity via setting sex society and more this first book length study of the History Channel series appeals to fans of the show Viking enthusiasts and anyone with an interest in medievalist representation in the 21st century **I See the Skies As Grey and Not Blue** Allen Montelongo,2023-02-03 Embark on a journey with me through the inner emotions of my soul by reading my poetry book I see the skies as grey and not Blue These collections of poems are a bit dark and disturbing but express a vivid recollection of what is going through my mind I chose the title because I myself struggle with mental illness and those with mental illness tend to have a different perspective on life and life's experiences Arkansas Beer Brian Sorensen,2017 Arkansas's booze scene had a promising start with America's biggest brewing families Busch and Lemp investing in Little Rock just prior to Prohibition However by 1915 the state had passed the Newberry Act banning the manufacturing and selling of alcohol It was not until sixty nine years later that the state welcomed its first post temperance brewery Arkansas Brewing Company After a few false starts brewpubs in Fayetteville Fort Smith and Little Rock found success By 2000 the industry had regained momentum An explosion of breweries around the state has

since propelled Arkansas into the modern beer age      **Executions and Sacrifices** Heather Moore Niver,2014-08-01 From the walls of the Shaanxi Province in China to the murky red waters of Ireland s peat bogs scientists and archaeologists have found spine chilling evidence of scary sacrifices and rituals Throughout history cultures have found some very creative ways of torturing their enemies and pleasing the powers that be But some of these ghastly practices happened far more recently than we would like to think This riveting volume offers age appropriate insight into some of history s mysterious and gruesome practices Scintillating sidebars and Grave Matters fact boxes highlight details about surprising sacrifices and eye opening executions      *Blood Eagle* Craig Russell,2011-05-31 Fans of Stuart MacBride James Oswald and Ian Rankin will love this violently exciting and spine tingling thriller from bestselling and prizewinning author Craig Russell Gritty authentic and disturbing stuff Mo Hayder Intelligent superbly paced and not a little gory Reader review Real page Turner which kept you enthralled to the very end Reader review A must read Reader review A cracking good thriller that keeps the reader enthralled Reader review A RITUAL KILLER POISED TO STRIKE AGAIN Hamburg Two women are killed in the same horrific ritualistic manner It seems clear that a serial killer is at work selecting victims at random and living out some twisted fantasy The murderer taunts the police with e mails but as Jan Fabel and his murder team investigate further nothing is clear cut or as it first seems They are drawn into a dark half world of Viking myth and legend of obscure religious cults of political intrigue and of a violent struggle to seize control of the city As Fabel desperately races to track down the killer before more killings take place he and his team come face to face with a cold brutal menace they could never have predicted A greater evil than they could ever have imagined      **SPIRIT MARTIAL WORLD CHAPTER 79** Nguyen Huong,2025-07-25 SPIRIT MARTIAL WORLD CHAPTER 79 What is that Several streams of light spread out Lu Shaoyou looked at the huge light screen in the sky in the distance these streams of light shot out from within the light screen There were ten streams of light in total ten streams of light as big as a child s fist if you looked closely inside was a pill the size of a fist The ten pills were exactly the same their entire bodies were shining brightly like jade Above them was a boundless energy that seemed to be awakening When these ten pills appeared the space shook even more violently the terrifying energy that filled the sky instantly gathered in the sky The boundless energy rushed over the entire world seemed to be involved at this moment the sky suddenly darkened      **A Critical Companion to Old Norse Literary Genre** Massimiliano Bampi,Carolynne Larrington,Sif Rikhardsdottir,2020 A comprehensive guide to a crucial aspect of Old Norse literature      三 qi longpantian,2025-02-12 A middle aged man with a linen shirt in Tsing Yi appeared in the void with a faint smile on his face      **Bloody Good** Allen J. Frantzen,2004 In the popular imagination World War I stands for the horror of all wars The unprecedented scale of the war and the mechanized weaponry it introduced to battle brought an abrupt end to the romantic idea that soldiers were somehow knights in shining armor who always vanquished their foes and saved the day Yet the concept of chivalry still played a crucial role in how soldiers saw themselves in the conflict Here for the first time Allen J Frantzen traces these chivalric ideals from

the Great War back to their origins in the Middle Ages and shows how they resulted in highly influential models of behavior for men in combat Drawing on a wide selection of literature and images from the medieval period along with photographs memorials postcards war posters and film from both sides of the front Frantzen shows how such media shaped a chivalric ideal of male sacrifice based on the Passion of Jesus Christ He demonstrates for instance how the wounded body of Christ became the inspiration for heroic male suffering in battle For some men the Crucifixion inspired a culture of revenge one in which Christ's bleeding wounds were venerated as badges of valor and honor For others Christ's sacrifice inspired action more in line with his teachings a daring stay of hands or reason not to visit death upon one's enemies Lavishly illustrated and eloquently written *Bloody Good* will be must reading for anyone interested in World War I and the influence of Christian ideas on modern life

**Old Norse-Icelandic Literature** Medieval Academy of America,2005-01-01 In the past few decades interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Until the 1980s however there was a distinct lack of scholarship in English that synthesized the critical trends and thinking in the field so in 1985 Carol J Clover and John Lindow brought together several of the most distinguished Old Norse scholars to contribute essays for a collection that would finally provide a comprehensive guide to the major genres of Old Norse Icelandic literature The contributors summarize and comment on scholarly work in the major branches of the field eddic and skaldic poetry family and kings sagas courtly writing and mythology Their essays each with a full bibliography make up this vital survey of Old Norse literature in English a basic reference work that has stimulated much research and helped to open up the field to a wider academic readership This volume has become an essential text for instructors and now twenty years after its first appearance it is being republished as part of the Medieval Academy Reprints for Teaching MART series with a new preface that discusses more recent contributions to the field

*Alfred the Great* Richard Abels,2013-11-26 This biography of Alfred the Great king of the West Saxons 871-899 combines a sensitive reading of the primary sources with a careful evaluation of the most recent scholarly research on the history and archaeology of ninth century England Alfred emerges from the pages of this biography as a great warlord an effective and inventive ruler and a passionate scholar whose piety and intellectual curiosity led him to sponsor a cultural and spiritual renaissance Alfred's victories on the battlefield and his sweeping administrative innovations not only preserved his native Wessex from viking conquest but began the process of political consolidation that would culminate in the creation of the kingdom of England Alfred the Great War Kingship and Culture in Anglo Saxon England strips away the varnish of later interpretations to recover the historical Alfred pragmatic generous brutal pious scholar within the context of his own age

**American Ghost** Paul Guernsey,2020-10-20 Thumb Rivera is in a bind A college dropout aspiring writer smalltime marijuana grower and biker club hang around Thumb finds himself confined to his rural ranch house in the desolate Maine countryside helpless to do anything but watch as his former friends and housemates

scheme behind his back conspire to steal his girlfriend and make inroads with the Blood Eagles a dangerous biker gang Thumb is also dead A ghost forced to haunt his survivors and reflect back on the circumstances that led to his unsolved murder Thumb discovers he has one channel through which he can communicate with the living world Ben an unemployed ghost hunter Ben soon convinces local curmudgeon Fred Muttowski failed novelist turned pig farmer to turn Ben's Ouija board conversations with Thumb into an actual book Thumb has two things on his mind To solve and then avenge the mystery of his own violent death and also to tell his story That story is American Ghost as told to Ben then fictionalized by Fred It's at once a clever tale of the afterlife a poignant examination of the ephemeral nature of life and a celebration of writing and the written word

**SPIRIT MARTIAL WORLD CHAPTER 124** Nguyen Huong, 2025-07-25 SPIRIT MARTIAL WORLD  
CHAPTER 124 Sir what if they don't fall for it this time The other person said sinisterly They will fall for it humans are greedy born with a stingy nature the Crystal Mountain Range produces World Crystal Stones they have no other choice they will definitely fall for it The deep voice continued to speak Absolutely cannot let that brat go this time he is our main target Bang bang bang After a while the sound of heavy slashing and slashing came from the Crystal Mountain Range the energy of the halo bloomed under the night sky illuminating the entire mountain range as if it were daytime at the same time miserable and mournful screams were heard the smell of blood silently spread

Time and the Ancestors Maarten Jansen, Gabina Aurora Pérez Jiménez, 2017-03-13 Time and the Ancestors Aztec and Mixtec Ritual Art combines iconographical analysis with archaeological historical and ethnographic studies and offers new interpretations of enigmatic masterpieces from ancient Mexico focusing specifically on the symbols and values of the religious heritage of indigenous peoples
