Blood Link:

Blood Link Claire McNab, 2003-06-01 Is Carol playing into a killer's plan? A series of random deaths suddenly fall into a pattern when reclusive eccentric billionaire Thurmond Rule dies leaving an immense estate but no valid will. With no close relatives, Rule's son and only heir vanished mysteriously years before the search begins to find more distant kin who may have a claim to the Rule billions. And there would be several more applicants vying for the money but for the disturbing fact that many of them have recently died or been killed. Detective Inspector Carol Ashton speculates that one among the remaining would-be heirs could be responsible for thinning the field so drastically but is baffled that a killer would draw such oblivious attention to themselves. As the authorities contemplate protecting anyone with a blood link to Thurmond Rule, Carol fears she may be unwittingly shielding a killer and playing into a deadly plan. With another in the phenomenally successful Detective Carol Ashton Mystery series, Claire McNab again proves why she is the most popular writer of lesbian mysteries with this suspenseful story of cat and mouse. *More Tools for Liberating the Bruised* Dr. Joe Allbright, Rita

Allbright, 2011-04-20 The Lord impressed authors Rita and Joe Allbright to write a second counseling book about spiritual warfare in which they share some invaluable truths from God's Word and expound on biblical counseling procedures and share many prayers for specific subjects. The book also shares lessons to inspire Christians to mature in the Lord and walk in His will for their precious lives after they have received freedom from the enemy through our Lord Jesus. It addresses negative learned behavioral issues and offers solutions. We are confident that our Lord's biblical teachings in both books will be a blessing to ministers, missionaries, counselors, counselees, and anyone wanting to learn this subject matter. The new partner to *Liberating the Bruised* is *More Tools for Liberating the Bruised*. **The Vampire** Alan Dundes, 1998-10-15

Vampires are the most fearsome and fascinating of all creatures of folklore. For the first time, detailed accounts of the vampire and how its tradition developed in different cultures are gathered in one volume by eminent folklorist Alan Dundes. Eleven leading scholars from the fields of Slavic studies, history, anthropology, and psychiatry unearth the true nature of the vampire from its birth in graveyard lore to the modern-day psychiatric patient with a penchant for drinking blood. *The Vampire: A Casebook* takes this legend out of the realm of literature and film and back to its dark beginnings in folk traditions. The essays examine the history of the word vampire, Romanian vampires, Greek vampires, Serbian vampires, the physical attributes of vampires, the killing of vampires, and the possible psychoanalytic underpinnings of vampires. Much more than simply a scary creature of the human imagination, the vampire has been and continues to haunt the lives of all those who encounter it in reality or in fiction. **Bloodsworn: Bound by Magic** Kathy Lane, 2010-09-24
