Blood Moon Rising Stacy L Traylor,2021-03-19 Our love is intriguing it s unique and exciting as I stared into the vibrant unsettling red moon I was in awe all I could think is oh my God you are magnificent I ve never seen a blood moon rising I understood that I had experienced something that just doesn t happen every day I see our love much in the same way Blood moon rising my hearts bleeding from the pain and scars of realizing that the mystical love life I created in my mind was built on a fantasy I was hurt to realize this may never be a real you and me So our love story I slowly began to see as something doomed from the start and our vivid sensual sexual memories just hover over my head running like ghost without rest that never go away they just linger and loom yet it was something so sexy so intriguing something that if you lost the thoughts and memories after one thousand years and God had allowed you to feel deep inside each feeling and emotion whenever it does end it will still be too soon but you will wait for it patiently because the results in the end are always so rewarding and so surprising you re willing to brave the storm and wait on it forever because you know it s rare and beautiful like a blood moon rising
