TWENTY MILLION MUCH-MISUNDERSTOOD AMERICANS

# Blood Of My Blood The Dilemma Of The Italian Americans

**Logie Barrow, François Poirier, Susan  
Finding**

## **Blood Of My Blood The Dilemma Of The Italian Americans:**

**Blood of My Blood** Richard Gambino,1974      **Blood of My Blood** Richard Gambino,2000 Richard Gambino PhD is the author of *Vendetta* He lives in New York      *Blood of My Blood* Richard Gambino,1991-01-01      **Italian-American Folklore** Frances M. Malpezzi,William M. Clements,1992 Italian Americans compose one of the largest ethnic groups in the United States numbering more than 14 million in the 1990 census Though they have often been portrayed in fiction and film these images are often based on stereotypes not borne out among the immigrant and assimilated population      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976      **Keeping the Lid on** Logie Barrow,François Poirier,Susan Finding,2010-04-16 The contributors to this book have explored various aspects of urban imagination so intimately related to a peculiar social environment They are historians and geographers linguists and cultural students Their methodologies are very different their sources poles apart And yet they address the same object of study social and spatial segregation and urban eruptions though severally defined from epidemics to anarchist scares urban uprisings to mental maps or the reverberations of urban memories in song novels and museums Case studies consider the towns of Liverpool London Hull New York Salvador de Bahia or more generally France and America The networks created among intellectuals and labourers anarchists and migrants or the lack of communication between those who feel oppressed rioters strikers anti vaccination protesters and those in control are a further common denominator In a way urban epidemics were the epitome of the repulsive character large cities possessed in the eyes even of their own inhabitants If they were the receptacle of so many foreigners and shady political characters if they were the scenes of social and ethnic conflict and violence and promiscuity and prostitution and drunkenness and pauperism they were of necessity a festering sore which nothing could eradicate It is strange that something of this fear should linger on today otherwise how can one explain the lacunae in the official memory of museums despite the cultural efforts produced in the opposite direction with Ackroyd s love for East End London with the revival of a Little Italy in every major American city with the nostalgic folklorisation of past miseries in Salvador de Bahia and in popular song What sense of belonging can be generated by an obliteration of the past what dynamic local culture can spring from an absence from a hole in collective memory This book goes some way to filling those gaps      *Exotics at Home* Micaela di Leonardo,2000-03-16 What is the exotic after all In this study Micaela di Leonardo reveals the face of power within the mask of cultural difference Focusing on the intimate and shifting relations between popular portrayals of exotic Others and the practice of anthropology that profession assumed to be America s Guardian of the Offbeat she casts new light on gender race and the public sphere in America s past and present Chicago s 1893 Columbian World Exposition and today s college town ethnic boutiques frame di Leonardo s century long analysis      *To be Suddenly White* Steven J. Belluscio,2006 *To Be Suddenly White* explores the troubled relationship between literary passing and literary realism the dominant aesthetic motivation behind the late nineteenth and early twentieth century ethnic texts considered in

this study Steven J Belluscio uses the passing narrative to provide insight into how the representation of ethnic and racial subjectivity served in part to counter dominant narratives of difference To Be Suddenly White offers new readings of traditional passing narratives from the African American literary tradition such as James Weldon Johnson's The Autobiography of an Ex Coloured Man Nella Larsen's Passing and George Schuyler's Black No More It is also the first full length work to consider a number of Jewish American and Italian American prose texts such as Mary Antin's The Promised Land Anzia Yezierska's Bread Givers and Guido d Agostino's Olives on the Apple Tree as racial passing narratives in their own right Belluscio also demonstrates the contradictions that result from the passing narrative's exploration of racial subjectivity racial difference and race itself When they are seen in comparison ideological differences begin to emerge between African American passing narratives and white ethnic Jewish American and Italian American passing narratives According to Belluscio the former are more likely to engage in a direct critique of ideas of race while the latter have a tendency to become more simplistic acculturation narratives in which a character moves from a position of ethnic difference to one of full American identity The desire to be suddenly white serves as a continual point of reference for Belluscio enabling him to analyze how writers even when overtly aware of the problematic nature of race especially African American writers are also aware of the conditions it creates the transformations it provokes and the consequences of both By examining the content and context of these works Belluscio elucidates their engagement with discourses of racial and ethnic differences assimilation passing and identity an approach that has profound implications for the understanding of American literary history

**The Opening of American Law** Herbert Hovenkamp, 2015 Two late Victorian ideas disrupted American legal thought the Darwinian theory of evolution and marginalist economics The legal thought that emerged can be called neoclassical because it embodied ideas that were radically new while retaining many elements of what had gone before Although Darwinian social science was developed earlier in most legal disciplines outside of criminal law and race theory marginalist approaches came to dominate This book carries these themes through a variety of legal subjects in both public and private law

**Boston Against Busing** Ronald P. Formisano, 2004 Perhaps the most spectacular reaction to court ordered busing in the 1970s occurred in Boston where there was intense and protracted protest Ron Formisano explores the sources of white opposition to school desegregation Racism was a key factor Formisano

**The Promise of Progressivism** James M. Wallace, 2006 Textbook

Sport and the Shaping of Italian-American Identity Gerald R. Gems, 2013-12-16 Gems traces the experience of the Italian immigrant and illustrates the ways in which sports helped Italian Americans adapt to a new culture assert pride in an ethnic identity and even achieve social advancement Employing historical sociological and anthropological studies Gems explores how sports were instrumental in helping notions of identity evolve from the individual to the community from the racial to the ethnic In doing so Sport and the Shaping of Italian American Identity transcends the study of a particular ethnic group to speak to foundational values and characteristics of the American ethos *Italian*

*Immigrant Radical Culture* Marcella Bencivenni, 2014-02 Maligned by modern media and often stereotyped Italian Americans possess a vibrant if largely forgotten radical past In *Italian Immigrant Radical Culture* Marcella Bencivenni delves into the history of the *sovversivi* a transnational generation of social rebels and offers a fascinating portrait of their political struggle as well as their milieu beliefs and artistic creativity in the United States As early as 1882 the *sovversivi* founded a socialist club in Brooklyn Radical organizations then multiplied and spread across the country from large urban cities to smaller industrial mining areas By 1900 thirty official Italian sections of the Socialist Party along the East Coast and countless independent anarchist and revolutionary circles sprang up throughout the nation Forming their own alternative press institutions and working class organizations these groups created a vigorous movement and counterculture that constituted a significant part of the American Left until World War II *Italian Immigrant Radical Culture* compellingly documents the wide spectrum of this oppositional culture and examines the many cultural and artistic forms it took from newspapers to literature and poetry to theater and visual art As the first cultural history of Italian American activism it provides a richer understanding of the Italian immigrant experience while also deepening historical perceptions of radical politics and culture See the official website of the book at <http://www.marcellabencivenni.com> *The Heart and the Island* Chiara

Mazzucchelli, 2015-08-04 Makes the case for a distinctly Sicilian American literature In *The Heart and the Island* Chiara Mazzucchelli explores the strong bond between Sicilian American writers and the island of Sicily Self contained yet connected to the mainland geographically separated from yet politically united to the rest of Italy Sicily occupies a unique position Throughout the twentieth century the sense of a distinct *sicilianit* or *Sicilianness* has manifested itself in a corpus of texts that although subsumed under the broader context of Italian literature have distinguished themselves as examples of an exquisitely Sicilian literary experience Mazzucchelli argues that a parallel phenomenon *sicilianamericanit* has emerged in the United States Focusing on the island's geography history and culture she examines how many American authors of Sicilian descent derive inspiration from their ethnic milieu and lay out a recognizable set of Sicilian culture markers in their works thereby producing a literature that is distinctly Sicilian American Drawing on both Italian and Italian American scholarship *The Heart and the Island* is the first full length study of Sicilian American literature and it opens a space for new interdisciplinary discussions on what it means to be Italian on both sides of the ocean *The Heart and the Island* makes a distinctive contribution to the field of Italian American studies provocatively extending it as well as continuing the invaluable work of providing reflection on a variety of narratives distinguished by generic innovation and distinctive responses to *sicilianit* Chiara Mazzucchelli has beautifully advanced the field interweaving with skill and poise the voices of Sicilian and Sicilian American writers Mary Jo Bona author of *By the Breath of Their Mouths* *Narratives of Resistance in Italian America*

*American Catholic Arts and Fictions* Paul Giles, 1992-06-26 Examines how secular transformations of religious ideas have helped to shape the style and substance of works by American writers filmmakers and artists from Catholic backgrounds

The Italian American Heritage Pellegrino A D'Acierno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors *Gods of the City* Robert A. Orsi, 1999-07-22 Fascinating insights into modern urban religious practice make Orsi's collection a must read Publishers Weekly The essays provide insight into the cultural creativity reinterpretation of worship and religious ingenuity of city people over the last 50 years Library Journal At last a major dissection of the great mystery in modern American life how religion and spirituality prospered amidst industrialization urbanization and rampant technological change after 1880 Jon Butler Yale University Urban religion strikes many as an oxymoron How can religion thrive in the alienated secular fast paced and materialistic world of the modern Western city The authors in this collection believe that cities not only can provide the settings for religious expression but also are material to the experiences which give rise to those religious expressions In this book they explore the distinctly urban forms of religious experience and practice that have developed in relation to the spaces social conditions and history of American cities *From the Margin* Anthony Julian Tamburri, Paolo Giordano, Fred L. Gardaphé, Fred L. Gardaphé, 1991 This anthology hailed as a significant contribution to American ethnic studies features the short stories poems and plays of more than thirty Italian American artists Drawing on their individual and collective backgrounds and experience these writers convey another vision of American life A section of critical essays by established scholars in the field with topics ranging from specific works and authors to broad literary movements and film studies analyzes the Italian American phenomenon and the role of ethnicity in literature The extensive bibliography treats creative works critical essays and films dealing with the Italian American experience and promises to be an invaluable research tool *The Italian American Experience* Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company Ethnicity and

Family Therapy Monica McGoldrick, Joe Giordano, Nydia Garcia Preto, 2005-08-18 This widely used clinical reference and text provides a wealth of knowledge on culturally sensitive practice with families and individuals from over 40 different ethnic groups Each chapter demonstrates how ethnocultural factors may influence the assumptions of both clients and therapists the issues people bring to the clinical context and their resources for coping and problem solving
