Blood Reunion:

Baptized in Blood Charles Reagan Wilson, 2011-03-15 Southerners may have abandoned their dream of a political nation after Appomattox but they preserved their cultural identity by blending Christian rhetoric and symbols with the rhetoric and imagery of Confederate tradition Out of defeat emerged a civil religion that embodied the Lost Cause As Charles Reagan Wilson writes in his new preface The Lost Cause version of the regional civil religion was a powerful expression and recent scholarship affirms its continuing power in the minds of many white southerners *MindSighted* Connie Suttle, 2016-10-09 In or out of the Alliances Sorcerers and Necromancers are considered a myth until a single shadowy figure brings those myths to life In or out of the Alliances nobody is prepared for that The BlackWing Pirates a fleet of space cruisers that form a secret branch of the Alliance Security Detail discover what a myth come to life is capable of doing when this sinister aberration begins a slow and deliberate attack against the upcoming Joint Alliances Conclave In the ensuing chaos where deaths are unexplained and the impossible becomes possible the BlackWing Pirates most effective weapon turns out to be a blind clairvoyant who sees better than anyone when his eyes are closed *MindRogue* Connie Suttle, 2017-12-13 We are Or myr a secretive dwindling race of wyrm dragons For many years we were without a queen and directionless until my sister was born She was loved Protected Until the one known as the Prophet stole her away Our only hope to save our queen and our race lies in the hands of a blind man named Randl Gage A man who is also one of the most wanted criminals in both Alliances *Blood Reunion* Connie Suttle, 2012-09-11 Lissa looked up in surprise at Roff s words His wings rustled after he spoke he normally didn t involve himself in the politics of Le Ath Veronis Not to this extent anyway I know honey And now two other children are likely to die as a result Yes I know they did this but I m not convinced we have all the ones involved in the crime Toff s life is in danger someone from the Green Fae village wants him dead In fact the entire Fae community has begun to grumble as Kifirin s judgment looms With only a few exceptions the Fae focus their anger and the blame on Toff who fails to understand why everyone now seems to be against him **Legend of the Ir'Indicti Series** Connie Suttle, 2017-10-24 All five books in the Legend of the Ir Indicti series as a boxed set [The Werewolf Filmography](#) Bryan Senn, 2017-02-06 From the horrific to the heroic cinematic werewolves are metaphors for our savage nature symbolizing the secret bestial side of humanity that hides beneath our civilized veneer Examining acknowledged classics like The Wolf Man 1941 and The Howling 1981 as well as overlooked gems like Dog Soldiers 2011 this comprehensive filmography covers the highs and lows of the genre Information is provided on production cast and filmmakers along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure **Shadowed** Connie Suttle, 2012-03-28 Of the hundreds of half Bright Elemaiyan children born to human parents only seven remain Six of those have been relocated but the Dark Elemaiya are closing in to destroy them The seventh Ashe Evans resides in Cloud Chief Oklahoma Government authorities in an effort to save the relocated six approach the residents of

Finder working in King Tamblin's castle kitchen most of her life has never spoken. A child of questionable parentage, Finder is an orphan assigned to perform duties nobody else wants. While others plan intrigue, murder, and invasion to escape the poison's effects, Finder watches all in mute acceptance. Will she be the key to Siriaa's salvation or will it die about her without knowing why. **Vendetta** Connie Suttle, 2012-07-29. Aedan always knew when something was wrong. Adele sat at the kitchen island staring at her hands. Ashe had never seen her so defeated. What is it, Aedan sighed as he took a seat beside Adele. This Adele pulled the letter from the drawer and handed it to Aedan. Aedan hesitated as if he could hold off the news and keep his life as it was for a few moments longer. Finally, his fingers grasped the envelope. Ashe watched as the weight of it settled onto his father's shoulders. Slitting the envelope open with a slightly extended claw, Aedan pulled the folded paper out and opened it. In an effort to lay claim to Ashe, the vampires roll the dice. As a result, Ashe's life spins out of control in ways even he couldn't imagine. Friends betray him. Those closest to him pull away. What he believes to be true turns out to be only a partial truth. The war between Light and Dark Elemiia ramps up in the midst of these painful revelations, and it is up to Ashe to do something about it. If he doesn't, everything could be destroyed. **Black Rose Queen** Connie Suttle, 2017-09-21. If you desire the lightning, you must also prepare for the storm. Colonel Armon Azca's Kings have never invaded the land of their enemy. Will a Queen be so bold? Sherra devises new ways to strike at the Supreme Leader of Ny'nes only to discover that he is stronger and more devious than she and Kerok could ever imagine. When they inevitably clash, will there be a victor? **Other Worldly Holidays** Connie Suttle, 2018-10-28. Other Worldly Holidays is a collection of three short stories: GSW, Or How I Met My Mother, Queen's Holiday, and Rose of the Peaks. These stories have many of your favorite characters and provide some wonderful background into their lives, all centered around the holidays. **Cloud Invasion** Connie Suttle, 2014-12-23. Ilya. The rest of us woke after a few days when it became apparent we'd survived the drug. Even Corinne woke faster the first time. This time, three weeks had passed. I was grateful for the scans and other tests. Dr. Farrell ran, indicating she was alive. Still, I was terrified for her. And for me, I spoke to her often, and lately, I begged her to open her eyes. After surviving the drug a second time, Corinne's abilities are put to the test as the enemy steps up his attacks. Will she survive the attempts on her life as well as betrayal from within? As she struggles to keep the others alive, a new threat arrives, one even the enemy doesn't see coming. **A Demon's Due** Connie Suttle, 2016-08-12. The Metal Library has relocated itself. Morgett Blackmantle, a powerful Ra Ak, is seeking its new location. A scholar is hired to research potential hiding places for the library. When the scholar is killed for the information he holds, Kory Lexsi and the scholar's son are drawn into the search for Morgett and his allies. These three, along with their friends, have to prevent Morgett from bringing death and chaos to Australia while leaving the timeline intact and undisturbed. For committing terrible murders, Morgett has no idea that his demise may be. **A Demon's Due Keeper** Connie Suttle, 2014-10-28. Quin finds herself at the center of a maelstrom as Siriaa is threatened by an unidentifiable poison, and a coup envelopes Kondar. Lives hang in the balance across the universe as samples of the poison

stolen from Siriaa are offered for sale to the highest bidders Quin feels obligated to help those she can but it will require powerful help Does such a thing exist If so will it answer her call **Buffer Zone** Connie Suttle,2018-04-28 A full moon hung over the Mississippi s dark waters meaning this was the time for hunters to arrive and take whatever they could capture A device would be clamped to the backs of our necks and we d never be able to shift back to human again It was how they justified their enslavement of us that we were only animals instead of sentient humans The Krelk had killed more than two thirds of the human population too but they made the excuse that they d thought them animal as well until their High Council wherever that was decided otherwise When I heard the first yelp even underground I couldn t breathe Was that a shifter Few shifters could take on a Krelk and their weapons and either survive or avoid being stunned That s how we were captured frozen and only barely able to breathe while we were caged tagged and hauled away from the buffer zone Another yelp followed quickly by a third This was no shifter the Krelk were the ones screaming Terrified but still curious I dipped into the watery entrance and slowly made my way out of my cave to peek at the river bank above my head A dead Krelk dropped into the water nearby making me jump and squeak in terror An otter Someone leaned down to look at me Not a Krelk I knew their scent This I d never scented someone like this before I scrabbled backward afraid of this newcomer too even if he did appear humanoid Don t be afraid I killed all of them I backed all the way into the water and scrambled to swim to my cave before he could grab me Once there I refused to come out I understand he said loud enough that I could still hear him Be safe I ll patrol farther down tonight I listened my heart beating so rapidly I feared it would burst while his footsteps light as they were faded as he walked southward He d killed six Krelk and I d never heard one of their weapons fire Who could do that
