Philip O'Neill

Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle:

Bloodhounds of Heaven Ian Ousby, 1976 **Ghost-Seers, Detectives, and Spiritualists** Srdjan Smajić, 2010-04-29 This book is a study of the narrative techniques that developed for two very popular forms of fiction in the nineteenth century ghost stories and detective stories and the surprising similarities between them in the context of contemporary theories of vision and sight Srdjan Smajić argues that to understand how writers represented ghost seers and detectives the views of contemporary scientists philosophers and spiritualists with which these writers engage have to be taken into account these views raise questions such as whether seeing really is believing how much of what we see is actually only inferred and whether there may be other intuitive or spiritual ways of seeing that enable us to perceive objects and beings inaccessible to the bodily senses This book will make a real contribution to the understanding of Victorian science in culture and of the ways in which literature draws on all kinds of knowledge *Popular Children's Literature in Britain* Julia Briggs, Dennis Butts, 2016-12-05

The astonishing success of J K Rowling and other contemporary children's authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children's books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children's preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they consider the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success **The Oxford Companion to**

Archaeology Brian M. Fagan, 1996-12-05 In *The Oxford Companion to Archaeology* readers have a comprehensive and authoritative overview of this fascinating discipline in a book that is itself a rare find a treasure of up to date information on virtually every aspect of the field The range of subjects covered here is breathtaking everything from the domestication of the camel to Egyptian hieroglyphics to luminescence dating to the Mayan calendar to Koobi Fora and Olduvai Gorge The Companion offers extensive coverage of the methods used in archaeological research revealing how archaeologists find sites remote sensing aerial photography ground survey how they map excavations and report findings and how they analyze artifacts radiocarbon dating dendrochronology stratigraphy mortuary analysis Every Oxford Companion aspires to be the definitive overview of a field of study at a particular moment of time This superb volume is no exception Featuring 700 articles written by hundreds of respected scholars from all over the world *The Oxford Companion to Archaeology* provides

authoritative stimulating entries on everything from bog bodies to underwater archaeology to the Pyramids of Giza and the Valley of the Kings The Oxford Companion to Archaeology Neil Asher Silberman, Alexander A. Bauer, Cornelius Holtorf, Margarita Díaz-Andreu García, Emma Waterton, 2012 **Beyond Sensation** Marlene Tromp, Pamela K. Gilbert, Aeron Haynie, 1999-12-02 Mary Elizabeth Braddon journal editor and bestselling author of more than eighty novels during the late nineteenth and early twentieth centuries was a key figure in the Victorian literary scene This volume brings together new essays from a variety of perspectives that illuminate both the richness of Braddon s oeuvre and the variety of critical approaches to it Best known as the author of *Lady Audley s Secret* and *Aurora Floyd* Braddon also wrote penny dreadfuls realist novels plays short stories reviews and articles The contributors move beyond her two most famous works and reflect a range of current issues and approaches including gender genre imperialism colonial reception commodity culture and publishing history Contributors include Jennifer Carnell Jeni Curtis Pamela K Gilbert Lauren Goodlad Aeron Haynie Heidi Holder Gail Turley Houston Heidi H Johnson Toni Johnson Woods James R Kincaid Elizabeth Langland Eve Lynch Graham Law Katherine Montweiler Lillian Nayder Lyn Pykett and Tabitha Sparks and Marlene Tromp **The Suspicions of Mr. Whicher** Kate Summerscale, 2019-10-17 WINNER OF THE SAMUEL JOHNSON PRIZE FOR NON FICTION THE NUMBER ONE BESTSELLER A RICHARD AND JUDY BOOK CLUB PICK A classic John le Carr Nothing less than a masterpiece Craig Brown Mail on Sunday Absolutely riveting Sarah Waters Guardian Terrific Ian Rankin A triumph Observer On a summer s morning in 1860 the Kent family awakes in their elegant Wiltshire home to a terrible discovery their youngest son has been brutally murdered When celebrated detective Jack Whicher is summoned from Scotland Yard he faces the unenviable task of identifying the killer when the grieving family are the suspects The original Victorian whodunnit the murder and its investigation provoked national hysteria at the thought of what might be festering behind the locked doors of respectable homes scheming servants rebellious children insanity jealousy loneliness and loathing In Lady Audley's Shadow Saverio Tomaiuolo, 2010-10-05 This book is devoted to Mary Elizabeth Braddon s complex relationship with the three main Victorian literary genres the Gothic the Detective and the Realist novel Using Braddon s bestselling sensation fiction *Lady Audley s Secret* as a paradigmatic novel and as a haunting textual presence across her literary career this study provides a fertile critical reading of a wide range of Braddon s novels and short stories Through an analysis of Braddon s negotiations with Victorian narrative ideological and cultural issues this monograph offers readers a refreshing view of gender female identity and subjectivity the treatment of insanity questions related to technology and progress the impact of evolutionism and Darwinism the intersemiotic dialogue between pictorial art and novel writing the role of the female writer in the new literary market and the changing notion of capital in an increasingly fluid social context Braddon s manipulation of Victorian literary codes and conventions proves that she was something more than a mere sensation writer and that her primary role in the nineteenth century literary scene has to be reaffirmed Drawing on a wide range of textual materials and literary sources the

book foregrounds Braddon's constant and sometimes ambivalent dialogue with her times and with ours as well Wilkie Collins Philip O'Neill, 1988-01-01 The novels of Wilkie Collins occupy a marginal space in the canon of English literature Collins is all too frequently seen as a minor member of the Dickens clique or at best the creator of the middle brown detective novel However this is to ignore his prolific and varied output This book offers a new and fresh appraisal of the Collins novels and treats in detail many of the author's works all but ignored by the twentieth century reader **Law and Semiotics** Roberta Kevelson, 2012-12-06 of those problems in law which we inherit and or retrieve in order to reconstruct and interpret in the light of legal semiotics however defined In addition to three main areas of underlying metaphysical assumptions there are also three main areas of possible editorial focus and these should be mentioned The three areas of focus are 1 the state of the art of legal semiotics 2 the dynamic intense and exceptionally interactive quality of conference participation and 3 the content of the papers presented which is the material of this volume My choice of this triad of focal possibilities is to exclude the last since the papers speak for themselves and need but a brief reportorial caption I also eliminate the second possible focus as the main focus since the discussion was not taped for editing into this volume and must remain for all those who participated a quality of scholarly meetings to be remembered savored and hoped for My main focus is on the state of the art of legal semiotics II At the conclusion of the First Round Table on Law and Semiotics 1987 it was noted that there were no working paradigms in Kuhn's sense that thus far emerged but rather that several problematic areas were disclosed which warrant attention Therefore the first concern of Legal Semiotics should be to address the surface i e **Sherlock Holmes from Screen to Stage** Benjamin Poore, 2017-08-24 This book investigates the development of Sherlock Holmes adaptations in British theatre since the turn of the millennium Sherlock Holmes has become a cultural phenomenon all over again in the twenty first century as a result of the television series Sherlock and Elementary and films like Mr Holmes and the Guy Ritchie franchise starring Robert Downey Jr In the light of these new interpretations British theatre has produced timely and topical responses to developments in the screen Sherlocks stories Moreover stage Sherlocks of the last three decades have often anticipated the knowing metafictional tropes employed by screen adaptations This study traces the recent history of Sherlock Holmes in the theatre about which very little has been written for an academic readership It argues that the world of Sherlock Holmes is conveyed in theatre by a variety of games that activate new modes of audience engagement A History of Cant and Slang Dictionaries Julie Coleman, 2004-12-09 The second volume of Julie Coleman's fascinating and entertaining history of the uses and the recording of slang and criminal cant takes the story from 1785 to 1858 and explores its first manifestations in the USA and Australia During this period glossaries of cant are thrown into the shade by dictionaries of slang which now include the language of thieves and cover a broad spectrum of non standard English Cant represented a practical threat to life and property Slang the author reveals was a threat to the moral core of society insidiously seductive to a wide section of the public Julie Coleman shows how Francis Grose's Dictionary of

the Vulgar Tongue revolutionised lexicography of non standard English She explores the earliest Australian and American slang glossaries whose authors included the thrice transported James Hardy Vaux and George Matsell New York City's first chief of police

A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women's studies

Dreams of Authority Ronald R. Thomas, 1990

Encyclopedia of Library and Information Science Allen Kent, Harold Lancour, Jay E. Daily, 1980-05-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field

Victorian Secrecy Denise Tischler Millstein, 2016-02-24 Whether commercial personal political professional or spiritual knowledge was capital for the Victorians in their ongoing project of constructing a modern information based society Victorian Secrecy explores the myriad ways in which knowledge was both zealously accumulated and jealously guarded by individuals institutions and government entities in Victorian Britain Offering a wide variety of critical approaches and disciplinary perspectives the contributors examine secretive actors with respect to a broad range of subjects including the narrator in Tess of the d'Urbervilles John Henry Newman's autobiographical novel Loss and Gain Richard Dadd's The Fairy Feller's Masterstroke modes of detection in Bleak House the secret history of Harriet Martineau's role in the repeal of the Corn Law and Victorian stage magicians Taken together the essays provide a richly textured account of which modes of hiding and revealing articulate secrets in Victorian literature and culture how social relations are formed and reformed in relationship to secrecy and what was at stake individually aesthetically and culturally in the Victorians clandestine activities

Beyond the Cultural Turn Victoria E. Bonnell, Lynn Hunt, 2023-04-28 Nothing has generated more controversy in the social sciences than the turn toward culture variously known as the linguistic turn culturalism or postmodernism This book examines the impact of the cultural turn on two prominent social science disciplines history and sociology and proposes new directions in the theory and practice of historical research The editors provide an introduction analyzing the origins and implications of the cultural turn and its postmodernist critiques of knowledge Essays by leading historians and historical sociologists reflect on the uses of cultural theories and show both their promise and their limitations The afterword by

Hayden White provides an assessment of the trend toward culturalism by one its most influential proponents Beyond the Cultural Turn offers fresh theoretical readings of the most persistent issues created by the cultural turn and provocative empirical studies focusing on diverse social practices the uses of narrative and the body and self as critical junctures where culture and society intersect Nothing has generated more controversy in the social sciences than the turn toward culture variously known as the linguistic turn culturalism or postmodernism This book examines the impact of the cultural turn on two prominent social science disciplin

The Ambivalent Detective in Victorian Sensation Novels Sarah

Yoon,2024-04-02 The Ambivalent Detective in Victorian Sensation Novels studies how the detective as a literary character evolved through the mid nineteenth century in England as seen in sensation novels In contrast to most assumptions about the English detective Yoon argues that the detective was more often tolerated than admired following the establishment of professional detectives in the London Metropolitan Police Force in 1842 Through studying the historical and literary contexts between the 1840s to the 1860s Yoon argues that the detective was seen as a suspicious even mistrusted and disdained figure who was nonetheless viewed as necessary to combat rising levels of crime The detective as a literary character responded to the often contradictory values and aspirations of the middle class representing an independent masculinity and laying claim to scientific authority This study surveys novels by Charles Dickens Mary Elizabeth Braddon and Wilkie Collins alongside lesser known writers like William Russell James Redding Ware pseudonym Andrew Forrester and William Stephens Hayward This book contributes to the study of mid nineteenth century Victorian culture and connects with broader studies of the detective fiction genre Dead Secrets Tamar Heller,1992-01-01 Readers have long been enthralled by the novels of Wilkie Collins whose The Moonstone is considered the first modern detective novel This book by Tamar Heller places Collins within Victorian literary history showing how his fiction transforms the conventions of the traditionally female genre of the Gothic novel and can be read as a critique of the gender and class distinctions that structured Victorian society

Encyclopedia of the British Short Story Andrew Maunder,2015-04-22 Provides a comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth featuring some of the most popular writers and works

Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle Introduction

In today's digital age, the availability of Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF

files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle books and manuals for download and embark on your journey of knowledge?

FAQs About Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle is one of the best book in our library for free trial. We provide copy of Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle. Where to download Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle online for free? Are you looking for Bloodhounds Of Heaven The Detective In English Fiction From Godwin To Doyle PDF? This is definitely going to save you time and cash in something you should think about.
