MacDonald,1985 On December 16 1944 the vanguard of three German armies totaling half a million men attacked U S forces in the Ardennes region of Belgium and Luxembourg achieving what had been considered impossible total surprise In the most abysmal failure of battlefield intelligence in the history of the U S Army 600 000 American soldiers found themselves facing Hitler s last desperate effort of the war The brutal confrontation that ensued became known as the Battle of the Bulge the greatest battle ever fought by the U S Army a triumph of American ingenuity and dedication over an egregious failure in strategic intelligence *A Time for Trumpets* is the definitive account of this dramatic victory told by one of America s most respected military historians who was also an eyewitness MacDonald commanded a rifle company in the Battle of the Bulge His account of this unique battle is exhaustively researched honestly recounted and movingly authentic in its depiction of hand to hand combat Mingling firsthand experience with the insights of a distinguished historian MacDonald
