Department of Printed Books,1946 Economies of Early Modern Drama Anne Enderwitz,2025-05-28 This book provides new insights into how theatre responded to changing economic practices and structures It reviews discourses on household management and commerce to create a rich context for the discussion of socio economic actions and transactions in Macbeth Othello and Timon of Athens as well as in city comedies by Ben Jonson and Thomas Middleton By approaching discourses on economy and commerce as complementary the book opens up a diverse field of socio economic practices including the gendered division of duties in the household new modes of valuation and evolving credit instruments Theatre provides unique access to this field In contrast to practical and policy oriented discourses it addresses socio economic change and its vicissitudes in a spirit of experimentation testing the ethical limits of socio economic action and accustoming audiences to the demands of a changing socio economic reality Theatre thus offers a vital contribution to the prehistory of political economy On the London stages self interest emerges as a key motive of socio economic action and theatre playfully explores its ambiguous status as a partly rational and partly excessive force that has a new ordering function but also creates social conflict At the same time by staging the contradictory demands of ethics and

efficiency in economic decision making early modern plays offer access to a changing understanding of prudence that has a Machiavellian touch by aligning with the pursuit of private interest prudence sheds some of its ethical content and becomes foremost an instrumental faculty Gentleman's Magazine and Historical Review ,1839 The Gentleman's magazine section is a digest of selections from the weekly press the Trader's monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month's new publications and a calendar of forthcoming trade fairs Bloomsbury's Tax Rates and Tables 2011/12 Sarah Laing, Mark McLaughlin, Joanna Paice, 2011-09-30 Bloomsbury s Tax Rates and Tables 2011 12 Finance Act Edition provides you with comprehensive post Finance Act coverage of the new revised tax rates allowances and reliefs for JUST 15 For ONLY 15 you ll have all the data you need to calculate your client's tax liabilities Contents Personal Taxation Expenses and Benefits PAYE Shares and Share Options Taxation of Investment Income Taxation of Business Profits Taxation of Companies Capital Gains Tax Inheritance Tax Capital Allowances Stamp Taxes Value Added Tax Insurance Premium Tax Landfill Tax Aggregates Levy Air Passenger Duty Climate Change Levy Fuel Duty Vehicle Excise Duty National Insurance Contributions Tax Credits State Benefits and Statutory Payments National Minimum Wage General Notes and Oueries ,1857 Publishers' circular and booksellers' record ,1840 **British Books** ,1840
