Westward Dharma Charles S. Prebish, Martin Baumann, 2002-12-04 Like seeds on the wind Buddhist teachings continue to reach new lands This outstanding book brings to light in rich detail the current flowering of Buddhism in the West Long a world religion Buddhism is now a global one Kenneth Kraft author of *The Wheel of Engaged Buddhism* *Westward Dharma* deserves a place on the growing bookshelf of contemporary Buddhist studies Prebish and Baumann broaden our horizons from North America to the wider Western world exploring key aspects of Buddhism s most recent geographical and cultural expansion Paul David Numrich coauthor of *Buddhists Hindus and Sikhs in America* **Buddhist Women and Social Justice**

Karma Lekshe Tsomo, 2012-02-01 This book on engaged Buddhism focuses on women working for social justice in a wide range of Buddhist traditions and societies Contributors document attempts to actualize Buddhism s liberating ideals of personal growth and social transformation Dealing with issues such as human rights gender based violence prostitution and the role of Buddhist nuns the work illuminates the possibilities for positive change that are available to those with limited power and resources Integrating social realities and theoretical perspectives the work utilizes feminist interpretations of Buddhist values and looks at culturally appropriate means of instigating change **Innovative Buddhist Women** Karma

Lekshe Tsomo, 2013-09-05 Combines the voices of scholars and practitioners in analysing Buddhist women s history 26 articles document the lives of women who have set in motion changes within Buddhist societies with analyses of issues such as gender ethnicity authority and class that affect the lives of women in traditional Buddhist cultures and increasingly the west *The Oxford Handbook of Meditation* Miguel Farias, David Brazier, Mansur Lalljee, 2021 A state of the art guide to

meditation science and history its facts and myths Covers the development of meditation practices across the world exploring how the varieties of meditation techniques were created in different cultural and religious contexts Explores ethical social and religious implications and discusses controversial topics Book jacket **Buddha's Daughters** Andrea

Miller, 2014-04-08 Buddhism began to take root in the West at just the same time that women s voices were arising to find expression here after millennia of being relegated to the background If that was a coincidence it was an auspicious one for the women who emerged as Buddhist teachers have been among the most articulate of Dharma communicators and they remain an indelible feature of Western Buddhism as the practice matures here The remarkable range of their teaching is showcased in this anthology The pieces featured touch on the topics that are at the heart of our lives relationships uncertainty love parenting food stress mortality living fully and social responsibility These approachable engaging teachings illuminate Buddhist concepts and practices such as meditation tonglen lovingkindness cultivating gratitude and deep relaxation The book contains wisdom from such well known and respected contemporary Buddhist teachers as Pema Chodron

Foucault, Buddhism and Disciplinary Rules Malcolm Voyce, 2016-12-01 This book suggests that previous critiques of the rules of Buddhist monks Vinaya may now be reconsidered in order to deal with some of the assumptions concerning the legal nature of these rules and to provide a focus on how Vinaya texts may have actually operated in practice Malcolm Voyce utilizes the work of Foucault and his notions of power and subjectivity in three ways First he examines The Buddha s role as a lawmaker to show how Buddhist texts were a form of lawmaking that had a diffused and lateral conception of authority While lawmakers in some religious groups may be seen as authoritative in the sense that leaders or founders were coercive or charismatic the Buddhist concept of authority allows for a degree of freedom for the individual to shape or form themselves Second he shows that the confession ritual acted as a disciplinary measure to develop a unique sense of collective governance based on self regulation self governance and self discipline Third he argues that while the Vinaya has been seen by some as a code or form of regulation that required obedience the Vinaya had a double nature in that its rules could be transgressed and that offenders could be dealt with appropriately in particular situations Voyce shows that the Vinaya was not an independent legal system but that it was dependent on the Dharma stra for some of its jurisprudential needs and that it was not a form of customary law in the strict sense but a wider system of jurisprudence linked to Dharma stra principles and precepts

Passing the Light Chün-fang Yü, 2013-05-01 The term revival has been used to describe the resurgent vitality of Buddhism in Taiwan Particularly impressive is the quality and size of the nun s order Taiwanese nuns today are highly educated and greatly outnumber monks Both characteristics are unprecedented in the history of Chinese Buddhism and are evident in the Incense Light community Xiangguang Passing the Light is the first in depth case study of the community which was founded in 1974 and remains a small but influential order of highly educated nuns who dedicate themselves to teaching Buddhism to lay adults The work begins with a historical survey of Buddhist nuns in China based primarily on the sixth century biographical collection *Lives of the Nuns* and stories of nuns in subsequent centuries This is followed by discussions on the early history of the Incense Light community the life of Wuyin one of its most prominent leaders and the crucial role played by Buddhist studies societies on college campuses where many nuns were first introduced to Incense Light Later chapters look at the curriculum and innovative teaching methods at the Incense Light seminary and the nuns efforts to teach Buddhism to adults The work ends with portraits of individual nuns providing details on their backgrounds motivations for becoming nuns and the problems or setbacks they have encountered both within and without the Incense Light community This engaging study enriches the literature on the history of Buddhist nuns seminaries and education and will find an appreciative audience among scholars and students of Chinese religion especially Buddhism as well as those interested in questions of religion and modernity and women and religion

Exile as Challenge Dagmar Bernstorff, Hubertus von Welck, 2003 This Book Is An Attempt To Document The Lives Of Members Of The Exiled Tibetan Community In Indian And Elsewhere It Thus Aims To Fill A Gap In Our Understanding The Book Focuses On Two Main Themes How Tibetans In Exile Preserve Their Culture And How The Community Prepares Itself For The Return To Tibet The Book Also Carries An Interview With His Holiness The Dalai Lama

Don't Believe Everything You Think Thubten Chodron, 2013-01-08 It can be hard for those of us living in the twenty

first century to see how fourteenth century Buddhist teachings still apply When you're trying to figure out which cell phone plan to buy or brooding about something someone wrote about you on Facebook lines like While the enemy of your own anger is unsubdued though you conquer external foes they will only increase can seem a little obscure Thubten Chodron's illuminating explication of Togmay Zangpo's revered text The Thirty seven Practices of Bodhisattvas doesn't just explain its profound meaning in dozens of passages she lets her students and colleagues share first person stories of the ways that its teachings have changed their lives Some bear witness to dramatic transformations making friends with an enemy prisoner of war finding peace after the murder of a loved one while others tell of smaller lessons like waiting for something to happen or coping with a minor injury

Communal Societies and New Religious Movements Cheryl Coulthard, 2024-02-01 Popular understanding of communal societies tends to focus on the 1960s hippie colonies and ignores the rich and long history of communalism in the United States This Element corrects that misperception by exploring the synergy between new religious movements and communal living including the benefits and challenges that grow out of this connection It introduces definitions of key terms and vocabulary in the fields of new religious movements and communal studies Discussion of major theories of communal success and the role of religion follows The Element includes historical examples to demonstrate the ways in which new religious movements used communalism as a safe space to grow and develop their religion The Element also analyzes why these groups have tended to experience conflicts with mainstream society

Women Practicing Buddhism Peter N. Gregory, Susanne Mrozik, 2008 This book grew out of the conference Women Practicing Buddhism American Experiences held at Smith College in Northampton Massachusetts in 2005 The conference brought together students scholars Buddhist teachers practitioners artists activists and healers to explore the diverse experiences of women practising Buddhism in contemporary America The pieces here centre on issues of practice bringing to bear women's particular experiences of Buddhism as it is spreading to North America and taking root in new contexts They celebrate the ways in which women are changing Buddhism and explore the array of issues that women as Buddhists face today Contributors include those recognizable as Buddhist teachers as well as well known and even famous practitioners

Good Karma Thubten Chodron, 2016-08-09 Training the mind in the habit of happiness enlightening commentary on a classic Tibetan Buddhist teaching poem by a popular modern teaching nun Lojong or mind training is a practice that has gained astonishing popularity in recent years because it works in transforming hearts and minds Here is a presentation of lojong teachings that predates the slogan practice with which people have become so familiar through the books of Pema Chodron and others and that is every bit as powerful for imbuing the mind with intelligence and the heart with compassion It is Thubten Chodron's commentary on a Tibetan poem with the imposing title Wheel of Sharp Weapons It is as the title of this book indicates an explanation of how karma works in our lives But in explaining how to create good karma and avoid the negative effects of bad karma it shows us how to live our lives with kindness and honesty which makes things better not only

for ourselves but also for everyone else in the world
