Blowing The Whistle Timplications For Companies And Employees:

Blowing the Whistle Marcia P. Miceli, Janet P. Near, 1992-01-01 An all inclusive resource for companies and individuals

Voice and Whistleblowing in Organizations Ronald J Burke, Cary L Cooper, 2013-10-31 Employees in organizations face countless daily situations in which they make a choice to speak up exercise voice or remain silent Too many choose to remain silent Others only tell supervisors what they want to hear becoming yes men and women E A Handbook of Corporate Governance and Social Responsibility Güler Aras, 2016-03-16 The current economic situation has highlighted deficiencies in corporate governance while also showing the importance of stakeholder relations It has also raised the profile of the debates regarding corporate social responsibility and shown the inter relationship with governance And the two together are essential for sustainable business The social and environmental contexts of business are generally considered to be as significant as the economic and financial contexts and good governance will address all of these aspects The combination of these aspects offers long term benefits for a firm such as reducing risk and attracting new investors shareholders and more equity as well as sustainable performance Written by experts from all over the world A Handbook of Corporate Governance and Social Responsibility is the most authoritative single volume guide to the relationship between good governance and social responsibility and the reality of managing both In addition to the theory and practice of governance and CSR the book includes case studies from large and small organizations and NGOs to highlight examples of good and bad practice and to show international and cultural similarities and differences while at the same time furthering the debate regarding the relationship between good governance and social responsibility Handbook of Research on Employee Voice Adrian Wilkinson, Jimmy Donaghey, Tony Dundon, Richard B. Freeman, 2020-06-26 This thoroughly revised second edition presents up to date analysis from various academic streams and disciplines that illuminate our understanding of employee voice from a range of different perspectives Exploring the previously under represented paradigm of the organizational behaviour approach new chapters take account of a broader conceptualization of employee voice Written by expert contributors this Handbook explores the meaning and impact of employee voice for various stakeholders and considers the ways in which these actors engage with voice processes such as collective bargaining individual processes mutual gains task based voice and grievance procedures *Organizational Wrongdoing as the “Foundational” Grand Challenge* Claudia Gabbioneta, Marco Clemente, Royston Greenwood, 2023-07-25 Organizational Wrongdoing as the Foundational Grand Challenge Consequences and Impact focuses on the consequences of organizational wrongdoing the role of whistleblowing and methodological issues *Regulations and Applications of Ethics in Business Practice* Jing Bian, Kıymet Tunca Çalıyurt, 2018-06-29 This book presents a variety of discussions from different countries about regulations and applications of ethics in business practice It demonstrates how Ethics both in the world of business and in academic life is consistently a central and unavoidable issue that institutions must devise new regulations on a regular basis to address Given

that applying such regulations becomes complicated in a global business landscape and that International companies have lost large amounts of revenues due to fraudulent activities the book provides insights for professionals in business world to teach learn apply measure and report on companies daily business Business and Professional Ethics Theories Standards and Analysis is essential reading for researchers and students in business schools around the world **The Organizational**
