Blue And White Transfer Ware 1780 184:

Te Puna - A New Zealand Mission Station Angela Middleton, 2009-03-01 Evangelical missionary societies have been associated with the processes of colonisation throughout the globe from India to Africa and into the Pacific In late 18th century Britain the Church Missionary Society for Africa and the East CMS began its missionary ventures and in the first decade of the 19th century sent three of its members to New South Wales Australia and then on to New Zealand an unknown little explored part of the world Across the globe a common material culture travelled with its evangelizing and later colonizing settlers with artefacts appearing as cultural markers from Cape Town in South Africa to Tasmania in Australia and the even more remote Bay of Islands in New Zealand After missionization colonization occurred Additionally common themes of interaction with indigenous peoples household economy the development of commerce and social and gender relations also played out in these communities This work is unique in that it provides the first archaeological examination of a New Zealand mission station and as such makes an important contribution to New Zealand historical archaeology and history It also situates the case study in a global context making a significant contribution to the international field of mission archaeology It informs a wider audience about the processes of colonization and culture contact in New Zealand along with the details of the material culture of the country s first European settlers providing a point of comparison with other outposts of British colonization
