

## *Blue Moon Light*

In the quiet calm of night,we walk  
hand in hand.

Down the path,across the sand.  
Looking into your eyes,I feel the time is right.  
Standing together,beneath the blue moon light.

The wind starts to blows,trees shake.  
The ocean waves begin to break.  
Holding you close,I feel the time is right  
Holding one another,beneath the  
blue moon light.

The tide rises slowly,our feet in the surf.  
A star falls from heaven,on its way  
towards the earth.  
Making a wish,I feel the time is right.  
Wishing together,beneath the blue moon light.

Our time has come,we must say good-bye.  
Night has fallen in the November sky.  
No need to cry,for this time was right.  
To fall in love,beneath the blue moon light.

**The Blue Museum** Phil Cousineau, 2021 For nearly three thousand years King Sisyphus of Corinth has been one of the most compelling characters in world mythology The iconic image of Sisyphus putting his shoulder to the boulder and pushing it to the summit of a mountain in the Underworld is recognizable the world over To many poets and philosophers from Homer and Aeschylus to Lucille Clifton and Albert Camus the rebel hero has been a powerful symbol for hard earned wisdom and the struggle to transcend suffering while more skeptical commentators have interpreted Sisyphus defiance of the gods as futile and doomed In this mythopoetic novel Phil Cousineau reimagines Sisyphus as telling his own

tale through notebooks he kept while enduring his notorious punishment which include surprising revelations about the self sacrifice he made for his fellow Corinthians his bold fight against the injustice of the gods and the unbounded love for his wife and sons that earned him a second chance at life The Lost Notebooks of Sisyphus is a timeless allegory that helps us come to terms with our own daily struggles and shines new light on Camus existential conclusion that We must imagine Sisyphus as happy I am Sisyphus King of Corinth great great grandson of Prometheus great grandson of Deucalion and Pyrrha grandson of Hellen and Orseis son of Aeolus and Enarate husband of Merope father of Glaucus Ornytion Almus and Thersander and grandfather of Bellerophon slayer of the Chimera I am a champion of navigators sailors athletes merchants poets and playwrights and an enemy of tyrants despots bullies ruffians and demagogues I honor the gods and goddesses by building splendid temples holy shrines and sacrificial altars worthy of their glory Many men deep am I as my mentor the deep browed long bearded wise counseling Alexandros of Milos described me What I am not is a scoundrel as scandalmongers have impugned across the centuries while exonerating the cruel gods who condemned me

**The Chinese Dark Poet: Huang Xiang and His Colorful World** Zhengming Fu (Sweden), Huang Xiang the protagonist of this book was born on 26th December 1941 in Guidong county Hunan province of central China After the Communists came to power in 1949 he was imprisoned six times and severely persecuted for his free spirited writing and his campaigns for human rights For more than thirty years this self educated poet and writer wrote secretly against the bondage of totalitarian ideology to safe guard the freedom of speech According to the author of the book Huang is a great dark poet who has expressed the painful memories fears and struggles that haunted his life creating wonderful poetic beauty in the darkness His poetic creation is a miracle in the history of Chinese contemporary literature We may say

that Huang's identity as an unknown dark poet is conditioned by his personal emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976 the April 5th Movement in 1976 the Democracy Wall Movement in 1978 and the Pro Democracy Movement in 1989 in China

*Tennyson's Poems* R. H. Winnick, 2019-04-18 In Tennyson's Poems New Textual Parallels R H Winnick identifies more than a thousand previously unknown instances in which Tennyson phrases of two or three to as many as several words are similar or identical to those occurring in prior works by other hands discoveries aided by the proliferation of digitized texts and the related development of powerful search tools over the three decades since the most recent major edition of Tennyson's poems was published Each of these instances may be deemed an allusion meant to be recognized as such and pointing for definable purposes to a particular antecedent text an echo conscious or not deliberate or not meant to be noticed or not meaningful or not or merely accidental Unless accidental Winnick writes these new textual parallels significantly expand our knowledge both of Tennyson's reading and of his thematic intentions and artistic technique Coupled with the thousand plus textual parallels previously reported by Christopher Ricks and other scholars he says they suggest that a fundamental and lifelong aspect of Tennyson's art was his habit of echoing any work ancient or modern which had the potential to enhance the resonance or deepen the meaning of his poems The new textual parallels Winnick has identified point most often to the King James Bible and to such canonical authors as Shakespeare Milton Dryden Pope Thomson Cowper Shelley Byron and Wordsworth But they also point to many authors rarely if ever previously cited in Tennyson editions and studies including Michael Drayton Richard Blackmore Isaac Watts Erasmus Darwin John Ogilvie Anna Letitia Barbauld Letitia Elizabeth Landon John Wilson and with surprising frequency Felicia Hemans Tennyson's Poems New Textual Parallels is thus a major new resource for Tennyson scholars and students an indispensable adjunct to the 1987 edition of Tennyson's complete poems edited by Christopher Ricks
