Blue Angel The Life Of Marlene Dietrich:

Blue Angel Donald Spoto, 2000 Marlene Dietrich's story spans Germany's cabarets Hollywood's silver screen and beyond
The Blue Angel - The Life and Films of Marlene Dietrich David Stuart Ryan, 2013-10-03 The story of Marlene Dietrich's life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography John Lennon's Secret explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of La Belle Epoque when a very feudal and settled order still existed in Europe The Blue Angel transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes The Berliner Luft the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film Some Like It Hot drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene's story Marlene's big break came when she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down The Blue Angel took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel

Marlene Dietrich Steven Bach,2013-11-30 From the stages of Berlin to anti Nazi efforts and silver screen stardom Steven Bach reveals the fascinating woman behind the myth surrounding Marlene Dietrich in a biography that will stand as the ultimate authority on a singular star Based on six years of research and hundreds of interviews including conversations with Dietrich this is the life story of one of the century s greatest movie actresses and performers an icon who embodied glamour and sophistication for audiences around the globe Uneven Sam Mills,2025-01-23 Uneven tells the stories of nine pioneering bisexual artists writers and musicians that will change our understanding of the world s largest sexual minority Bisexuality is often seen as something temporary in spite of increasing openness around it a sign of immaturity or a waystation on the road to a different sexuality altogether rather than its own distinct entity In this beautifully written cultural history Sam Mills reclaims bisexuality as its own identity interweaving her experience of being bisexual with illuminating portraits of a clutch of artists writers and musicians including Colette Bessie Smith Marlene Dietrich Ana s Nin Jean Michel Basquiat and Madonna Celebrating the resilience diversity and spirit of the bisexual community through the ages Uneven explores how each of these trailblazing figures have been misunderstood how social attitudes affected their sexuality their relationships and their work how LGBTQ identities have been portrayed from the Victorian era to the present day and how attitudes have progressed Illuminating personal and entertaining Uneven paints a nuanced portrait of a sidelined community

The Oxford History of World Cinema ,1996-10-17 From its humble beginnings as a novelty in a handful of cities cinema has risen to become a billion dollar industry and the most spectacular and original contemporary art form It has spread to all parts of the globe and is enjoyed by audiences that cut across all sections of society The Oxford History of World Cinema traces the history of this enduringly popular entertainment medium Covering all aspects of its development stars studios and cultural impact the book celebrates and chronicles over one hundred years of diverse achievement from westerns to the New Wave from animation to the Avant Garde and from Hollywood to Hong Kong An international team of distinguished film historians tells the story of the major inventions and developments in the cinema business its institutions genres and personnel other chapters outline the evolution of national cinemas round the world the varied and distinctive filmic traditions that have developed alongside Hollywood A unique aspect of the book are the special inset features on the film makers and personalities Garbo and Godard Keaton and Kurosawa Bugs Bunny and Bergman who have had an enduring impact in popular memory and cinematic lore With over 300 illustrations a full bibliography and an extensive index this is the buff s ultimate guide to cinema worldwide **Dietrich** Malene Sheppard Skærvæd,2003 A actress in Germany before the war a frontline entertainer for the allies in the 1940 s and later one of the world s greatest entertainment icons She was an artist of constant reinvention *Encyclopedia of Lesbian and Gay Histories and Cultures* Bonnie Zimmerman,George

Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future *Lesbian Histories and Cultures* Bonnie Zimmerman,2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered BOOK JACKET Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public *Marlene* Charlotte Chandler,2011-03-29 In Marlene the legendary Hollywood icon is vividly brought to life based on a series of conversations with the star herself and with others who knew her well In the mid 1970s Charlotte Chandler spoke with Marlene Dietrich in Dietrich s Paris apartment The star s career was all but over but she agreed to meet because Chandler hadn t known Dietrich earlier when I was young and very beautiful Dietrich may have been retired but her appearance and her celebrity her famous mystique were as important to her as ever Marlene Dietrich s life is one of the most fabulous in Hollywood history She began her career in her native Berlin as a model then a stage and screen actress during the silent era becoming a star with the international success *The Blue Angel* Then under the watchful eye of the director of that film her mentor Josef von Sternberg she came to America and became one of the brightest stars in Hollywood She made a series of acclaimed pictures *Morocco* *Shanghai Express* *Blonde Venus* *Destry Rides Again* among many others that propelled her to international stardom With the

outbreak of World War II the fiercely anti Nazi Dietrich became an American citizen and entertained Allied troops on the front lines After the war she embarked on a new career as a stage performer and with her young music director the gifted Burt Bacharach whom Chandler interviewed for the book Dietrich had an outstanding second career Dietrich spoke candidly with Chandler about her unconventional private life although she never divorced her husband Rudi Sieber she had numerous well publicized affairs with his knowledge and he had a longtime mistress with her approval By the late 1970s plagued by accidents Dietrich had become a virtual recluse in her Paris apartment communicating with the outside world almost entirely by telephone Marlene Dietrich lived an extraordinary life and Marlene relies extensively on the star's own words to reveal how intriguing and fascinating that life really was Propaganda Girls Lisa Rogak, 2025-03-06 This is the incredible untold story of four women who helped win World War II by generating a wave of black propaganda Betty MacDonald was a 28 year old reporter from Hawaii Zuzka Lauwers grew up in a tiny Czechoslovakian village and knew five languages by the time she was 21 Jane Smith Hutton was the wife of a naval attaché living in Tokyo Marlene Dietrich the German American actress and singer was one of the biggest stars of the 20th century These four women each fascinating in her own right together contributed to one of the most covert and successful military campaigns in WWII Members of the Office of Strategic Services their task was to create a secret brand of propaganda produced with the sole aim to break the morale of Axis soldiers Working in Europe across enemy lines in occupied China and in Washington D C Betty Zuzka Jane and Marlene forged letters and official military orders wrote and produced entire newspapers scripted radio broadcasts and songs and even developed rumours for undercover spies and double agents to spread to the enemy And outside of a small group of spies no one knew they existed Until now **Stardom and the Aesthetics of Neorealism** Ora Gelley, 2012 In this exciting new book Gelley considers the collaboration between Rossellini and Ingrid Bergman in light of the neorealist aesthetic This study re-examines the director's postwar works in relation to the contemporary discussion on Italian national identity rather than marking a radical break with the director's early neorealist successes Rossellini's films with Bergman in fact extend the boundaries of neorealism and challenge the standard reading of its basic tenets especially the relationship between character and setting Gelley reassesses the relationship between European postwar and American cinema looking at how the image of the Hollywood star was translated and transformed when it was imported into Rossellini's Italy Rossellini's insertion of the Hollywood star into the native landscape had a significant influence on the director's approach to the neorealist aesthetic His filming of the encounter between Bergman and the Italian landscape involves not only a re-interpretation and transformation of the Hollywood star persona but also a challenge to the idealized notion of an authentic Italian national collective free of foreign influence The disruption of Bergman's character into the Italian landscape became one means whereby the director was able to explore the ambivalence inherent in any attempt to construct a national identity **The Dream Endures** Kevin Starr, 1997 The fifth volume in Starr's classic history of California *The Dream Endures* shows how Californians rebounded

from the Great Depression to emerge in the 1930s into what is now known as the good life Starr illustrates the ways the good life prospered in California in film fiction leisure and architecture Starr looks at the newly important places where Californians lived out this sunny lifestyle areas like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein changed his view of the universe and college towns like Berkeley In this more than any other of Starr s monumental California histories we see the stirrings of uniqueness in the social and cultural evolution of California Starr s theme is relevant to all of America and the national destiny Neil Morgan San Diego Union Tribune Enormously sensitive and moving Social and cultural history doesn t get any better San Francisco Chronicle In his monumental continuing study of California Kevin Starr belongs in the company of the best Herbert Gold Los Angeles Times Book Review [Encyclopedia of Lesbian Histories and Cultures](#) Bonnie Zimmerman,2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public [Marilyn Monroe](#) Donald Spoto,2001-07-17 Relying on over 150 interviews as well as Marilyn s letters and diaries this work by best selling biographer Spoto casts new light on every aspect of the actress s tempestuous life [Focus On: 100 Most Popular American Autobiographers](#) Wikipedia contributors, [The Musical](#) William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources **The 20th Century A-GI** Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **Notable American Women** Susan Ware,2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and

scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman s personal life with her professional achievements set in the context of larger historical developments
