STRIKING PICTURES Inspirational colour photography throughout **The American Golfer's Guide to Ireland** Graeme McDowell, Brian Keogh, Bill Ruskin, 2011-09-29 Maybe the game of golf wasn't invented in Ireland but to most visitors it seems that way. After all, there are more golf courses per square mile in Ireland than in any part of the world. A golfing visit to Ireland will be the trip of a lifetime for many reasons. First, links courses sparkle like an emerald necklace around the coastline of Ireland. It is subjective to pick the best from so many great courses but here are a few: Royal Portrush, Portstewart, Royal County Down, Baltray, Portmarnock, The European Club, Old Head, Waterville, Ballybunion, Tralee, Lahinch, Doonbeg, Connemara, Carne, Enniscrone, Murvagh, Ballyliffin, and Rosapenna. Second, the past two decades have brought world class resorts with the finest facilities and championship level courses including The K Club, Lough Erne, Druids, Glen Mount, Wolsely, Killeen Castle, Glasheen, Galgorm Castle, Slieve Russell, The Heritage, Powerscourt, Adare Fota Island, Dromoland Castle, and many more. Third, visitors can enjoy over 400 private golf clubs scattered throughout Ireland where greens fees offer excellent value and local members make you feel at home. Not least, the 19th hole is a great opportunity to meet local golfers. An old saying puts it like this: 'There are no strangers in Ireland, only friends you haven't met before.' The successes of Irish golfers on the international circuit has also put the spotlight on the great golf found throughout the island. Padraig Harrington, Graeme McDowell, Rory McIlroy, Darren Clarke, Paul McGinley, Shane Lowry, and others have been not just successful competitors but wonderful ambassadors for Irish fun and hospitality. I hope you and your friends will come to experience golf in Ireland for yourselves. I can assure you a warm welcome and some wonderful memories. Joe Byrne, Executive Vice President, Tourism Ireland.

The Rough Guide to Ireland Margaret Greenwood, Mark Connolly, 2003 Including detailed guidance to exploring the countryside and historic sites, this fully revised guide offers a complete picture of the beautiful island of Ireland, north and south, with color photos.

The Selected Papers of Jane Addams: Vol. 2 Jane Addams, 2010-10-01 Venturing into Usefulness, the second volume of *The Selected Papers of Jane Addams* documents the experience of this major American historical figure, intellectual, social activist, and author between June 1881, when at twenty-one she had just graduated from Rockford Female Seminary, and early 1889, when she was on the verge of founding the Hull House settlement with Ellen Gates Starr. During these years she was developing into the social reformer and advocate of women's rights, socioeconomic justice, and world peace; she would eventually become. She evolved from a high-minded but inexperienced graduate of a women's seminary into an educated woman and seasoned traveler, well-exposed to elite culture and circles of philanthropy. Artfully annotated, *The Selected Papers of Jane Addams* offers an evocative choice of correspondence, photographs, and other primary documents presenting a multi-

layered narrative of Addams's personal and emerging professional life. Themes inaugurated in the previous volume are expanded here including dilemmas of family relations and gender roles, the history of education, the dynamics of female friendship, religious belief and ethical development, changes in opportunities for women and the evolution of philanthropy, social welfare and reform ideas. *The Statesman's Year-Book* J.
