Studying God's Word Darrel Trulson,1993 Book D is an introduction to the main stories and events of the life of Christ

The Gospel According to Mark George Martin,2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection Black Lives Matter to Jesus Marcus Jenkins,2021-10-12 The third evangelist makes Black skinned people central to his claim in Luke and Acts that the gospel of Jesus is restoring the children of God Within Luke's literary environment the identity of the children of God was linked to national ethnic identity Many Jewish texts argued for the Jews position as God's children because they are bound to God by covenant they are God's firstborn But there is also a more general sense within this tradition that all human beings are made in the image of God and are thus the children of God through Adam In the Gospel Luke asserts that all nations and all ethnicities including Israel have questionable filial status vis vis God Both Israel and the nations are restored in status as God's children through Jesus the

Son of God In Acts Luke explores the initial return of Israel and all ethnicities to God through the witness of the church empowered by the Spirit To epitomize the return of all nations to God Luke narrates the salvation of Black skinned Africans These Black lives are emphasized to signify that their representation in the church demonstrates the universal extent to which the salvation of Jesus Christ will reach Their presence in the church is also meant to dignify their Black skin against an aesthetic bias that was prevalent in Greco Roman views at that moment This subversion of ethnographic bias helped Luke s audience sustain a gospel centered critique against the devaluation of Black life *Great Invitations* David

Whitcomb,2016-03-10 Evangelists must be careful to maintain a delicate balance What devout Christian does not long to see sinners converted and brought into the Church It is hard to imagine a person who has been redeemed from the power and penalty of sin not desiring for other needy people to come to same salvation However it is possible for sincere Christians to be so zealous about soul winning that they virtually attempt to force sinners to embrace Jesus Christ as Savior In contrast there are Christians who have been so discouraged by soul winning failures that they have given up trying and are determined to let God save who He will without their help Both of these positions are out of balance and result in failure What does God say about evangelism What part does He play What does He expect His people to do The Bible records many wonderful invitations from God to needy people These invitations offer insight into God s plans and purposes The great invitations of the Bible demonstrate the great grace of God who offers them **God's Poetic Treasure's** Priscilla

McGee,2009-11-05 God s poetic treasures is a poetic Journey through the scriptures This book has section headings and in each section there is a prayer and a related scripture Within each section there are eight to ten poems with a related scripture This book is designed in the style of a devotion book which allows the reader to look at the section heading find the area that they may need encouragement Then through accessibility they can turn to it and read the poems and scriptures that are related to the topic *Reading Matthew* David E. Garland,2001 Reading Matthew provides thorough guidance

through Matthew s story of Jesus Garland s commentary reveals the movement of the story s plot while also highlighting the theology of Matthew Reading Matthew is an essential book for students and ministers studying the first Gospel Visions, Dreams and Healing R. Charles Bartlett,2006-11 Visions Dreams and Healing illustrates how healing and direction can come from direct contact with God It also shares truth the Holy Spirit has revealed to a Christian counselor Practical Life

BOOK 4 GENESIS imagine stepping onto the shoreline and finding out it's Heaven Have you ever read your Bible and stop go back to the beginning and reread it Do you ever find that there is no WOW No impact No overwhelming thought that strikes you because it is so hard to understand at times You're not alone Memories growing up with my grandmother the Reverend Ada Caston Slaton Bonds shed complete light on the many Books of the Bible She was a great storyteller just like Jesus when he spread the word of God in parables Be it Easter Mother's Day Memorial Day Thanksgiving or Christmas she always had a story to tell and practiced her Sunday morning sermons preaching her discourse to my brothers and me just outside Mansfield Louisiana No longer do you or your children have to read the Bible until something hits you The fourth novel in the Faith Chronicles Bible Study series portrays a fresh approach to the scriptures a down to earth storytelling of the words of God beginning with well the beginning **BOOK 5 HALLELUJAH HE IS NOT HERE HE HAS RISEN** And they found the stone rolled away from the sepulcher They entered in and found not the body of the Lord Jesus It came to pass as they were much perplexed thereabout behold two men stood by them in shining garments As they were afraid and bowed down their faces to the earth they said unto them Why do you seek the living among the dead Luke 24:2-5 KJV Jesus Christ is the most well known name in the world He is the only man to have walked the earth and his story told to in hundreds upon hundreds of different ways over the last two thousand years No matter who you talk to everyone has heard about him and his many miracles and his deeds Since little was written about Jesus in his first thirty years this novel will begin when he was first baptized by John the Baptist a cousin of Jesus Our exciting story begins on Jesus thirtieth birthday **BOOK 6 SEEING THE POWER OF GOD** The Dominance of the Unspoken Word God's Word is a fiery exploding all pervading and living message that should cause us all to fall down to the ground and tremble yet that is rarely the experience for so many dispirited people of God After writing Genesis and Hallelujah I became one of those people who asked Can anyone be a Christian and not believe in the Bible Is it wrong to question any of the scriptures in the Bible Some people believe questioning the Bible the direction God is going or even God himself is blasphemy Some think it's a sign of disbelief Daniel Thornton is one such man

He believes his son Rusty Thornton is lost without God and takes him to a faraway place in the early 1950s near Spicewood Texas where he would never come in contact with people He has an old King James Version of the Bible and began to try and cure his son s affliction of skepticism Rusty Thornton remembers nothing before his eighteenth birthday The first book he read after learning to read and write was on Hinduism His father didn t know how such a book ended up in his library He took it and hid it from his son but not until he had read it from cover to cover Was it too late for his son Did what he learned about Vishnu and Krishna absorb his entire thought process where he never recognized Jesus Christ as the one and only son of God Who s right Daniel Thornton or his son

The Four: A Survey of the Gospels Peter Leithart, 2010-11-03 Following on A House for My Name Peter Leithart dives deep into the fascinating web woven by Matthew Mark Luke and John Doubling as a scholar and a pastor Leithart rejects much of modern textual criticism but gleans from the best of it especially the work of N T Wright to show how radically political Jesus message actually was The book includes a chapter on the themes highlighted

in each individual gospel showing that Jesus is revealed as a Lawgiver as a king as a Prophet and the Son of God This book is accessible to high school students and includes review questions for anyone who wants to use it in their curriculum However it will also give anyone familiar with the Gospels much to think about
