Fascism: The 'fascist epoch' Roger Griffin, Matthew Feldman, 2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

and dogmatic warlord her sisters one married to Sun Yat sen the George Washington of China the other to a seventy fifth lineal descendant of Confucius and her older brother a financial genius This was the Soong family which along with their partners in marriage was largely responsible for dragging China into the twentieth century Brilliantly narrated this fierce and bloody drama also includes U S Army General Joseph Stilwell Claire Chennault head of the Flying Tigers Communist leaders Mao Tse tung and Chou En lai murderous warlords journalists Henry Luce Theodore White and Edgar Snow and the unfortunate State Department officials who would be purged for predicting correctly the Communist victory in the Chinese Civil War As the representative of an Eastern ally in the West Madame Chiang was befriended before being rejected by the Roosevelts stayed in the White House for long periods during World War II and charmed the U S Congress into giving China billions of dollars Although she was dubbed the Dragon Lady in some quarters she was an icon to her people and is certainly one of the most remarkable women of the twentieth century
