Gibson, 2012-09-19 America we are at a pivotal point in time Our priorities are not in order and our future is on the back burner Greedy and proud our self-righteous way of living has flushed our ethics down the drain and it seems we've forgotten what this country was founded on The path we are on as a nation is a dark and dangerous one that will ultimately lead to a land that is dry and desolate America is on the brink of a moral economic and military collapse and if we choose to not act upon our rights as US citizens our country may be lost forever Fortunately though there is hope We each have a voice and the freedom with which to make ourselves heard We each have a choice in every decision to be made as a nation We each have the ability to make things change Together we can reclaim our sweet land of liberty This should be and can be a turning point for America but we must unite to make it happen Putting aside petty differences and aiming for common goals we can change the future of America A new day has dawned and our time is now This book will put a fire beneath your seat and rev up your spirit It will make you want to revive the American dream for yourself and your fellow man It will offer hope to the hopeless motivation to those lacking and help to those who have lost faith in their country *Constructing Blue Collar Leaders in a White Collar World* LaMar Herndon, 2018-03-06 In *Constructing Blue Collar Leaders in a White Collar World* Dr LaMar Herndon considers a group of leaders often overlooked and occasionally denigrated the bivocational pastor *Constructing Blue Collar Leaders in a White Collar World* integrates important theoretical leadership concepts with spiritual and practical realities Dr Herndon explores important topics such as trends and issues facing the global church and its leaders leadership models values and ethics character and integrity cultural effects creativity and innovation reverse mentoring and strategic planning This book is a profoundly honest hands-on guide to what constitutes a true leader serving as a bivocational minister Dr Gary Oster Regent University School of Business whether bivocational or not Rev Jewel D Williams M R E Church of God Anderson IN Author of *Fearfully and Wonderfully Made Living our Theology and the Path of a Preacher* *The Sociology of the Blue-collar Worker* Norman Francis Dufty, 1969 **Blue-Collar Empire** Jeff Schuhrke, 2024-10-22 How the CIA used American unions to undermine workers at home and subvert democracy abroad *Blue Collar Empire* tells the shocking story of the AFL CIO's global anticommunist crusade and its devastating consequences for workers around the world Unions have the power not only to secure pay raises and employee benefits but to bring economies to a screeching halt and overthrow governments Recognizing this in the late twentieth century the US government sought to control labor movements abroad as part of the Cold War contest for worldwide supremacy In this work Washington found an enthusiastic partner in the AFL CIO's anticommunist officials who in a shocking betrayal for decades expended their energies to block revolutionary ideologies and

Sociology of the Blue-Collar Worker Dufty,2022-09-12 **Blue-Collar Believer** Chaplain William H. Schnakenberg IV,2016-08-24 This book is written from a personal coming of age perspective It shares the many years and stages of a non believer and the radical transformation to a believer Though many of the stories can be quite embarrassing for the author at times he feels it is imperative to share his memories leaving nothing out with a no holds barred approach revealing a lifestyle worth of much shame The transformation is the key to the story as he is led by the Holy Spirit As his story develops life then takes on new meaning and he admires how God works His providence trusting in His will to be done Lives can change as you will see but that does not mean there wont be opposition As you will come to learn through Blue Collar Believer sometimes the biggest obstacles come with the ones you love the most It takes the reality of life which is death and this is the only tool to give the afterlife serious thought Though we can appeal to the intellect it is up to the Holy Spirt to convict the heart As an ambassadors for Christ we must always be ready for opportunities to defend the gospel showing love and compassion We live in a lost and dying world and if only it were easy to share the Gospel and get a positive response 100% of the time but as you will see this just not is the case Jesus said He who has ears let him hear Unfortunately most ears who hear are deaf but that does not mean we give up Persistence and love for the lost can do wonders and all things are possible with God Journey with Blue Collar Believer from beginning to end and be guided on a tour with a testimony that will not soon be forgotten It is an emotional roller coaster filled with many ups and downs You will laugh you will cry but more importantly it will get you to think If you have to see it to believe it get ready to experience it for yourself through the words of a Blue Collar Believer
