*Whiteout* Alexander Cockburn,Jeffrey St. Clair,2014-12-16 On March 16 1998 the CIA s Inspector General Fred Hitz finally let the cat out of the bag in an aside at a Congressional Hearing Hitz told the US Reps that the CIA had maintained relationships with companies and individuals the Agency knew to be involved in the drug business Even more astonishingly Hitz revealed that back in 1982 the CIA had requested and received from Reagan s Justice Department clearance not to report any knowledge it might have of drug dealing by CIA assets With these two admissions Hitz definitively sank decades of CIA denials many of them under oath to Congress Hitz s admissions also made fools of some of the most prominent names in US journalism and vindicated investigators and critics of the Agency ranging from Al McCoy to Senator John Kerry The involvement of the CIA with drug traffickers is a story that has slouched into the limelight every decade or so since the creation of the Agency Most recently in 1996 the San Jose Mercury News published a sensational series on the topic Dark Alliance and then helped destroy its own reporter Gary Webb In *Whiteout* Alexander Cockburn and Jeffrey St Clair finally put the whole story together from the earliest days when the CIA s institutional ancestors the OSS and the Office of Naval Intelligence cut a deal with America s premier gangster and drug trafficker Lucky Luciano They show that many of even the most seemingly outlandish charges leveled against the Agency have basis in truth After the San Jose Mercury News series for example outraged black communities charged that the CIA had undertaken a program stretching across many years of experiments on minorities Cockburn and St Clair show how the CIA imported Nazi scientists straight from their labs at Dachau and Buchenwald and set them to work developing chemical and biological weapons tested on black Americans some of them in mental hospitals Cockburn and St Clair show how the CIA s complicity with drug dealing criminal gangs was part and parcel of its attacks on labor organizers whether on the docks of New York or of Marseilles and Shanghai They trace how the Cold War and

counterinsurgency led to an alliance between the Agency and the vilest of war criminals such as Klaus Barbie or fanatic heroin traders like the mujahed in Afghanistan. *Whiteout* is a thrilling history that stretches from Sicily in 1944 to the killing fields of South East Asia to CIA safe houses in Greenwich Village and San Francisco where CIA men watched Agency paid prostitutes feed LSD to unsuspecting clients. We meet Oliver North as he plotted with Manuel Noriega and Central American gangsters. We travel to little known airports in Costa Rica and Arkansas. We hear from drug pilots and accountants from the Medellín Cocaine Cartel. We learn of DEA agents whose careers were ruined because they tried to tell the truth. The CIA, drugs and the press. Cockburn and St Clair dissect the shameful way many American journalists have not only turned a blind eye on the Agency's misdeeds but helped plunge the knife into those who told the real story. Here at last is the full saga. Fact packed and fast paced. *Whiteout* is a richly detailed excavation of the CIA's dirtiest secrets. For all who want to know the truth about the Agency, this is the book to start with. [Terrorism Against America](#) Rodney Stich, 2008-09. Stich details the various forms of aviation and other terrorist acts against the United States including the overt and covert actions by people in government.

**Gunfights & Gunfighters** Gordon A. Hunsaker, 2010-03-02. Amid the backdrop of World War II race riots and police corruption, a white police officer in Phoenix, Arizona, guns down an on-duty black cop from his same department. The community's residents pick sides and while the second trial ends in an acquittal, the battle isn't over. The detective, Frenchy Navarre, returns to duty but is shot dead when he encounters Officer Joe Davis, the slain officer's partner. This is just one of the fascinating tales told by Gordon A. Hunsaker who also recalls surviving his youth on the streets of Los Angeles, fighting in the jungles of Southeast Asia during the Vietnam War, a series of stories that cops normally only tell each other. Piloting helicopters and airplanes while on the job, battling his toughest opponent, cancer. And much more. This compilation of musings, observations and police lore is insightful, thought provoking and at times just darn spooky. Any Arizona resident, law enforcement officer or lover of history will be thrilled to enter the exciting world of *Gunfights & Gunfighters*. **The Sweater Letter** David L. Distel, Dave Distel, 2002. Set in the Northwoods of Michigan, a woman is killed on the final day of deer season, 1992. It was quickly classified as a tragic hunting accident until an officer of the Michigan State Police started investigating. Discovery of a letter in a sweater drawer of the victim leads to a murder investigation, trial with the husband as the chief suspect. True story. *Strength of the Pack* Douglas Valentine, 2010-11-15. Through interviews with former narcotics agents, politicians and bureaucrats, this exposé documents previously unknown aspects of the history of federal drug law enforcement from the formation of the Bureau of Narcotics and Dangerous Drugs and the creation of the Drug Enforcement Administration, DEA, up to the present day. The narrative examines how successive administrations expanded federal drug law enforcement operations at home and abroad, investigates how the CIA comprised the war on drugs, analyzes the Reagan, Bush and Clinton administrations' failed attempts to alter the DEA's course and traces the agency's evolution into its final and current stage of narco-terrorism. **Gatewood** Matthew Strandmark, 2023-11-07. When Louis Gatewood Galbraith passed

away in 2012 the flood of tributes honoring him merely scratched the surface of the life of this colorful and controversial figure Throughout his political career regional and national media outlets focused on the policy ideas and public acts that made Galbraith a cultural fixture public demonstrations an affinity for recreational drug use unfiltered language and recurring political campaigns Best known as an advocate for the legalization of cannabis Second Amendment rights and smaller government Galbraith was a perennial candidate whose once quixotic platform might have found traction in contemporary Kentucky politics In Gatewood Kentucky's Uncommon Man Matthew Strandmark weaves together personal stories public records and oral history interviews to provide a comprehensive overview of the life and career of an eccentric and fascinating figure From his ailment plagued childhood in Carlisle Kentucky to his young adulthood spent at the fringes of Lexington society the opening chapters of Galbraith's life were vital in developing the values that later came to define his political career his passion for rural communities and low tolerance for bullies As a college dropout in the 1960s Galbraith explored both conventional and unconventional avenues of self discovery before returning to the University of Kentucky where he graduated from law school and found his calling as an evangelist for cannabis legalization His appetite for the spotlight and his penchant for standing up for the underdog launched Galbraith into a thirty year career of campaigning groundbreaking legal cases public activism throughout the commonwealth and friendships with celebrities including Woody Harrelson Jack Herer and Willie Nelson As an attorney activist author father friend and opponent Galbraith wore many hats and not just his beloved fedora This revealing biography features insightful conversations with Galbraith's family and colleagues as well as commentary from Paul E Patton Ernie Fletcher Andy Barr Ben Chandler and other well known Kentuckians Gatewood provides a richer and nuanced understanding of a generous complicated and flawed public figure who devoted his life to helping others and whose legacy will continue to resonate with Kentuckians for generations to come
