is intended as a manual for beginners in Theology and a Compendium of all of the main Theological teachings of the Roman Catholic Church. It presents the reasoning for almost all points of Christian Theology in the West. The book is famous among other things for its five arguments for the existence of God, the *Quinque viae*. The *Summa Theologica*'s topics follow a cycle: The Existence of God, Creation, Man, Man's Purpose, Christ, The Sacraments, and back to God. The first part is on God. In it, he gives five proofs for God's existence as well as an explication of His attributes. He argues for the actuality and incorporeality of God as the unmoved mover and describes how God moves through His thinking and willing. The second part is on Ethics. Thomas argues for a variation of the Aristotelian Virtue Ethics. However, unlike Aristotle, he argues for a connection between the virtuous man and God by explaining how the virtuous act is one towards the blessedness of the Beatific Vision (*beata visio*). The last part of the *Summa* is on Christ and was unfinished when Thomas died. In it, he shows how Christ not only offers salvation but represents and protects humanity on Earth and in Heaven. This part also briefly discusses the sacraments and eschatology. The *Summa* remains the most influential of Thomas's works. Saint Thomas Aquinas was a Dominican Priest born near Aquino, Sicily, in 1225. He was an immensely influential Philosopher and Theologian in the tradition of Scholasticism, known as Doctor Angelicus. He died in 1274. As one of the 33 Doctors of the Church, he is considered the Church's greatest Theologian and Philosopher. Thomas is held in the Catholic Church to be the model teacher for those studying for the priesthood. He was canonized in 1323. PUBLISHER: CATHOLIC WAY PUBLISHING.
