Chichester, 2024-11-09 Living in a small town life was quiet for Hannah Bloom As a single mother raising her daughter and running her own greenhouse and gift shop she was content with her life as it was Her two best friends helped her run the greenhouse and were always by her side It was a close knit church community where people helped one another Her walk of faith is strong and she is happy with her simple life until an encounter with a handsome stranger sends her down a path she never expected Her faith is about to be tested when a friend descends on a downward spiral in desperate need of help Hannah tries to be there for her but the situation seems to get worse the harder she tries to help The stranger becomes involved as her friend plummets deeper into darkness and Hannah steadily becomes the target of her anger As chaos ensues and people begin to turn on one another she must look to God for guidance to fix the problem before it s too late Hannah is at a loss and prays daily for the answer on how to help her friend She knows God is her only hope The danger is mounting a storm is coming and Hannah is falling in love She doesn t know if opening her heart to love again will be a mistake She isn t sure if she can take that leap of faith When an accident puts her in critical condition the stranger falls to his knees as some of the church members come together to help save Hannah and the town With a miracle maybe she will give in to loving someone again after all Idiots Fist Fighting James M. From Darkness to Dynasty Jerry Thornton, 2016-09-06 Love them or hate them, what the New England Patriots have been able to do over the past fifteen years is nothing short of remarkable. In addition to their four Super Bowl championships, the Patriots have the best coach in the league, a smart and savvy front office, and a future Hall of Fame quarterback who is internationally recognized as the face of the NFL. The longer the Patriots continue to dominate on the field as well as in the media and the American pop culture landscape, the harder it becomes for anyone to remember them as something other than a model franchise and the ultimate paradigm of success and accomplishment. Anyone that is except for Jerry Thornton. It wasn't always sunshine and roses for the Patriots; in fact, for the bulk of their existence, it was exactly the opposite. Though difficult to fathom now, the New England Patriots of old weren't just bad; they were laughably bad. Not so long ago, the Pats were the laughingstock of not only the NFL but also the entire sporting world. *From Darkness to Dynasty* tells the unlikely history of the New England Patriots as it has never been told before. From their humble beginnings as a team bought with rainy day money by a man who had no idea what he was doing to the fateful season that saw them win their first Super Bowl, Jerry Thornton shares the wild, humiliating, unbelievable, and wonderful stories that comprised the first forty years of what would ultimately become the most dominant franchise in NFL history. Witty, hilarious, and brutally honest, *From Darkness to Dynasty* returns to the thrilling, perilous days of yesteryear, a welcome corrective for those who hate the Patriots and a useful reminder for those who love them that all glory is fleeting.
