The New International Version (NIV) is today's most read and most trusted English Bible translation. Since its release in 1973, the NIV has sold over 160 million copies. The goal of the NIV translation team was to produce a contemporary translation whose accuracy, clarity, and literary quality would make it ideal for public and private reading, teaching, preaching, memorizing, and liturgical use. Today, the NIV is accepted by more denominations than any other translation and is supported by a library of reference resources unmatched by any other translation.

The Breathing Sea E.P. Clark, 2020-04-16 Dasha is a gift. Only she's not very gifted. Both books in the award-winning Breathing Sea mini-series in one omnibus edition. Dasha was born at the behest of the gods; her mother's pledge between the world of women and the world of spirits. The Krasnograd kremlin looks to her to rule with fire, steel, and magic, just as her Imperial foremothers did. Instead, she's shy, retiring, and the least magically talented girl her tutors have ever seen. Now that she's almost a woman grown, she needs to learn to harness her gifts, but all she can do is have fits and useless visions. When her father offers to take her on her first journey away from Krasnograd, Dasha jumps at the chance to see her native land. But their journey quickly turns into more than a mere pleasure trip. The wide world is more dangerous than Dasha had imagined, and her rapidly growing gifts may be the most dangerous thing in it. But Dasha is not the only danger. In Zem, war is raging on its borders and threatens to spill into Zem itself. No matter which side Dasha's people choose, they may not be able to keep their freedom and their way of life. Dasha may hold the key to protecting Zem, but she may have to lose herself in order to save her people. If you loved *First Lessons* or *The Bear and the Nightingale*, try this epic fantasy saga set in a magical Slavic world where trees walk, animals talk, and women rule. With discussion questions at the end.

Through the Year with William Booth Stephen Poxon, 2015-05-15 William Booth, pawnbroker's assistant, firebrand preacher, advocate of women's rights, friend of the poor, confidant of statesmen, politicians, and royalty, father of eight children, champion of the marginalised, and founder and first General of The Salvation Army. General Booth's courage, oratory, and passion changed Victorian Britain. He resolutely ignored his critics, including those who decried him as the Anti-Christ, and reached out to those who considered themselves well outside the concern of Almighty God. Prayer and practicality were his hallmarks; he ridiculed the idea of preaching to a beggar while that beggar was cold and hungry. William Booth worked tirelessly, campaigning, researching, negotiating, adapting music hall songs, and writing. This book introduces us to his heart and convictions. Here we find the urgency, thought, and humanity which drove him on.
