All Black Magic:

Dark Magic H. K. Jadoon, 2017-02-25 Now removing black magic is as easy as making coffee if you know this spiritual knowledge of the saints No matter how Strong Black magic is done upon you by your enemies No Matter how long you are suffering from the evil effects of magic Spirits Ghosts You can deal with these evil forces very easily without the help of expert spiritual healer if you know this spiritual knowledge of Saints As we all know Famous proverb every problem has a solution We also knew every disease has its own medicine God made every thing in pairs in this material world There are Negative forces but also Positive forces There is black magic but also there is anti black magic knowledge to destroy it Here I am sharing this hidden Knowledge to help the humanity with the consent of my Spiritual Masters There are charts amulets and charms of black magic but there are also anti black magic amulets Naqoosh and Spiritual knowledge You can use this spiritual knowledge to get rid from your material problems of your lives We all live in a Planet of duality where darkness and light are two side of same coin All religion talks about the existence of evil spirits and satanic forces in our world Black magic is use of negative energies and power by wicked and evil people living around us People who practice black magic on others have special goals in their minds either to harm some one or deprive some one from living a peaceful life make them ill and finally to kill them Similarly all humans have two sides divine as well as evil within them There are people who are working for wellbeing and prosperity of others but on the other handsome humans who turned in to 100% evil and the remaining divinity within them is overtaking by darkness We know Sun is light provider to the world but at any given time half of the Earth remains in darkness while the other half receives light from the sun The world of darkness is ruled by the evil spirits like ghosts witches demons and Satan While the world of light is hoisted by Angels and higher beings However we human have been the given choice to live in darkness or to move towards the light Black magic is used to harm and hurt humans by performing certain Rituals Making animal sacrifices to make happy to evil entities and to get help from them while anti black magic knowledge is used to vanquish black magic effects and to protect people from evil effects of all black magic types
