GOD That's Fcked Up - The Story of my Life from a Seated Perspective** Johnnie Williams,2024-01-08 In life the choices we make determine our levels of success or regret Ultra successful people the superrich rarely take a look back at the lessons of the past That privilege is often reserved for the regretful and whether we show it or not many of us have our secret regrets What if you realized that you were a regretful success But that doesn t make sense does it Who would regret their success Who would want to struggle What if those struggles were needed to help in revealing your character and what you thought of as weaknesses turned out to be your greatest strengths How would you function knowing you had to struggle to get to where you wanted to go Would you do it Could you do it There are so many questions and over time I ve realized that asking questions will not only get you answers but will also lead to more questions If you don t know when to stop asking questions then the answers cease to be of use and when the answers aren t useful you stop asking questions and so on and so forth But how can you fix a system if you re not a part of it According to developmental psychology there are certain keystone events that should happen over the average lifetime What happens when that order changes Does that mean that the rules don t apply That doesn t sound like a normal train of thought does it But what is normal anyway I ve never been normal or average I m a mystery a conundrum a 1 000 piece puzzle with a single piece missing The missing piece used to change every day but over time it became clear that my missing piece was indeed a missing peace and that I would need the God s help and plenty of heart to fight my way through numerous battles facing more than my fair share of adversities After God sat me down to talk over something I told him Thank you But then I also said That s f ked up God

But will Larson be able to trust her or will he abandon her to her fate My Life Journal (from My Heart to Yours) V. K. Sansone,2009-03-30 A collection of memories stories poems and letters the pages of my life though not in perfect order just as they were written **Reclaiming My Life from Broken Promises** Corinne Hostenne,2013-03 These poems are about my life experience They are a glimpse into my journey of reclaiming my life I began writing poetry as a way of releasing stress loneliness and sadness When I moved to Calgary I had no one to talk to I felt very alone and out of place and I had no idea what I was going to do with myself All of my friends were in Montreal along with everything I had ever owned I only had five hundred dollars in my wallet and two suitcases full of toys clothes and important documents **The Days Of My Life An Autobiography** Mrs. Oliphant,2024-01-01 The Days of My Life by Mrs Oliphant is a fascinating autobiography that offers readers a unique glimpse into the existence and reports of the esteemed Victorian technology creator Mrs Oliphant whose complete call is Margaret Oliphant Wilson Oliphant become a prolific Scottish novelist and ancient creator regarded for her eager observations and insightful storytelling In this autobiographical work Mrs Oliphant reflects at the various stages of her lifestyles recounting personal anecdotes challenges and triumphs The narrative unfolds with a wealthy tapestry of reminiscences presenting readers with an intimate know how of the author s adventure via the 19th century The creator s exclusive voice shines via as she stocks her perspectives on literature society and the changing times Readers are treated to a literary adventure that not simplest explores Mrs Oliphant s personal life but also gives reflections on the cultural and ancient milieu of her generation Through eloquent prose Mrs Oliphant invites readers to join her on a reflective exploration of the substantial moments that shaped her identification as a creator and as a person The memoir serves as a testament to her resilience creativity and intellectual interest SISTER OF MY LIFE SARVAD PUBLICATION,2021-11-25 SISTER OF MY LIFE I S AN ANTHOLOGY BOOK DEDICATED TO ALL SISTER OF THIS WORLD The Days of My Life Mrs. Oliphant (Margaret),1857 **Suicide Saved My Life** ,Heaven,2023-02-09 Suicide Saved My Life will most certainly take its readers on an intense and out of this world type of journey into the death of Sasha Jean Woolf A child born into a world governed by unjust caretakers power driven authority and a bloodline cursed her only way out of this life was through what she thought would be her death but this God that she had not known had other plans in mind This intriguing and suspenseful read will follow the road less traveled that lead Sasha into the darkest hells of her life Sasha s life would be taken by God himself only to get her to a place that she would have never dreamed of Sasha was dying and the only thing that would save her life would be for her to depend on an entity in which she didn t believe existed She would have to fight forgive and deny her will in order to end up on the other side of a place in where she hadn t known Did people still hear God s voice Was Sasha losing her mind Sasha would soon find out that losing what she called her life would be the only way to gain a perspective on what dying was really like Sasha would be faced with the demons of her family s past and present in order to save the future of what yet didn t exist Witness her journey in the battle of her flesh and see who would come out victorious Was the bible real

Did God exist beyond what the world had taught her about him God had called her but would she answer Sasha was given a way out by a god in who she didn't know She would have to face hell in order to make it to heaven Let's read and see if dying could actually save a person's life God Used Holes in My Son's Shoes to Change My Life Rahab,2014-03-31 The book is about a 12 year old girl whose mom decided to leave her dad whom she was very close to and is given to an uncle which results in her running away trying to find a place to belong but instead gets involved in drugs alcohol homosexuality and prostitution with attempts to end her miserable life she has a son named Carl God uses holes in his shoes to give her a reason and a will to live by pointing to the holes and saying you see you not just bringing yourself down you are taking him down with you after 21 years God stepped in and her deliverance began *The Days of My Life: An Autobiography* Margaret Oliphant Wilson Oliphant,2020-09-28 I WAS going home from the village and it was an autumn evening just after sunset when every crop was cut and housed in our level country and when the fields of stubble and browned grass had nothing on them except here and there a tree They say our bare flats in Cambridgeshire are neither picturesque nor beautiful I cannot say for that but I know no landscape has ever caught my eye like the long line of sunburnt wiry grass and the great wide arch above with all its shades of beautiful color There were no hedgerows to skirt the path on which I was and I saw nothing between me and the sky save a solitary figure stalking along the highway and in the other direction the clump of trees which surrounded Cottiswoode the sky in the west was still full of the colors of the sunset and from the horizon it rose upward in a multitude of tints and shades the orange and red melting into a rosy flush which contrasted for a while and then fell into the sweet calm peaceful tone of the full blue In the time of the year and the look of the night there was alike that indescribable composure and satisfaction which are in the sunny evenings after harvest the work was done the day was fading everything was going home the rooks sailed over the sky and the laborer trudged across the moor Labor was over and provision made and the evening and the night peace and refreshment and rest were coming for every man I do not suppose I noticed this at the time but I have the strongest impression of it all in my remembrance now And I was passing along as I always did quickly and perhaps with a firmer and a steadier step than was usual to girls of my years swinging in my hand a bit of briony which for the sake of its beautiful berries I was carrying home but which stood a good chance of being destroyed before we got there not taking leisure to look much about me thinking of nothing particular with a little air of the superior the lady of the manor in my independent carriage a little pride of proprietorship in my firm footstep **169 Pages of My Life** Taylor Goetz,2011-08-12 My name is Taylor and I wrote this book with the intent that it might help people understand the consequences of doing wrong Though it may sound that I am glorifying the things I did if I had the chance to change my life I would have Though I love where my life is today there were times I wished I weren't alive It took a lot more than what can be imagined to get over the life style I was living I am proof that a bad kid can turn them selves around If you think that in the end of this book that I haven't then you are wrong and can look forward to reading my next book The most important thing I

was trying to get across is that every little thing in life including people can be very deceiving and to stick only to what you believe in and nothing else In the end nothing and I mean nothing will matter except that your heart be in the right place
