America It was all a whirlwind of events but a tradition that I cherished Although there was lots of family throughout my childhood memories of Christmas there was one thing that was not a part of the family rituals I don't recall the story of Christ being present in our home at Christmas Debbie and I made a concerted effort to make sure our three children understood and treasured the story of Jesus's birth and ultimate death as part of their Christmas memories The story of Christmas is a true love story the love that God shared with all of us God sent his Son to be born and walk among us in order that we may have life abundant We should never miss that part of Christmas as well I hope this book helps bring that tradition to your family in some small way We hope this book will help you create those Christmas memories as well
