The Complete Works: Poetry, Plays, Letters, Biographies Robert Browning, 2023-12-04 Robert Browning's *The Complete Works: Poetry, Plays, Letters, Biographies* showcases the prolific output of one of the Victorian era's most innovative poets and playwrights. His unique use of dramatic monologue and richly textured verse invites readers into the motivations and psyches of his characters, reflecting broader themes of human experience, morality, and existential inquiry. This collection not only encompasses his celebrated poetry like *My Last Duchess* and *The Pied Piper of Hamelin*, but also includes his theatrical works and personal letters, offering a comprehensive perspective on Browning's artistic evolution and philosophical musings against the backdrop of 19th-century England. Browning, who began his literary career amidst the Romantic tradition, was deeply influenced by his personal experiences, including his tumultuous relationship with fellow poet Elizabeth Barrett Browning. His exploration of psychological complexity and his engagement with social issues stem from a desire to probe the human condition, which was particularly urgent during the tumultuous Victorian period marked by rapid change and moral questioning. Browning's works reflect his intrigue with the interplay between the self and society, making his writings a fertile ground for literary analysis. This compilation is invaluable for both scholars and casual readers alike, providing insight into Browning's layered artistry and vibrant voice. With its accessible arrangement, this collection invites a re-examination of Browning's contributions to poetry and drama, making it a vital addition to the library of anyone interested in Victorian literature and the evolution of poetic form.

Complete Works. Illustrated Lord Byron, 2022-07-22 One of the leading figures of the Romantic movement, Byron is regarded as one of the greatest English poets. He remains widely read and influential. Among his best-known works are the lengthy narrative poems *Don Juan* and *Childe Harold's Pilgrimage*; many of his shorter lyrics in *Hebrew Melodies* also became popular. Byron is considered to be the first modern style celebrity. His image as the personification of the Byronic hero fascinated the public. The figure of the Byronic hero pervades much of his work, and Byron himself is considered to epitomise many of the characteristics of this literary figure. The use of a Byronic hero by many authors and artists of the Romantic movement shows Byron's influence during the 19th century and beyond, including the Brontë sisters. His philosophy was more durably influential in continental Europe than in England. Friedrich Nietzsche admired him, and the Byronic hero was echoed
