

ALL IN ALL

MEANING

It's saying that all things have been considered when making a decision or in a certain situation. Everything that has been laid on the table has been thought about before coming up with a conclusion to the situation. It can also be used to describe a precious person.

ORIGIN

The origin of the phrase "**all in all**" can be dated back to the 1500s and is in reference to a part of the bible. It was originally used to describe an all present God and was originally said as "all things in all places." It was used to say that God may be all in all. However, the term is usually not used in a religious sense any more and simply to describe the thought that has gone into many aspects of a situation before concluding.
