Allenby in Egypt Archibald Percival Wavell Wavell,1944

**Allenby** Archibald Percival Wavell Earl of Wavell,1945

**Allenby, A Study In Greatness: Allenby In Egypt** Field-Marshal Earl Wavell,2016-01-18 In this two part biography Field Marshal Wavell charts the rise of the 1st Viscount Allenby from a lowly cavalry lieutenant to the rank of Field Marshal Allenby was commissioned into the 6th Dragoons in 1880 well liked by his contemporaries but never considered overly talented However under fire and in contact with the enemy during the Boer War Allenby s talents began to come to the fore tough and disciplined he was rapidly promoted with each battlefield success Afflicted by a rabid temper which led to towering rages at subordinates he was nicknamed The Bull When Europe descended into chaos and the horrors of the First World War in 1914 Allenby was given command of the only British cavalry brigade to be sent to France in 1914 The cavalry distinguished itself in the chaotic fighting of 1914 particularly at the First Battle of Ypres As trench warfare removed any possibility of a war of movement Allenby transferred to command of V Corps and then to lead Third Army Allenby s tactics including frequent counterattacks led to heavy casualties would lead to his transfer to Egypt Allenby organised planned and executed the campaign across Egypt and the Palestine that threw the Ottoman army back all the way Aleppo before the armistice in 1918 Allenby would stay on in Egypt as High Commissioner between 1919 1925 dealing with the fluid and tricky politics of the area before his eventual retirement Here is a piece of work well done and apt reading for the times General Wavell is at once the pupil and successor of his great Palestine commander and is qualified also by sobriety detachment of view and a gift of clear concise writing Three factors have combined the skill of the very competent biographer the crescendo of interest culminating in one of the most brilliantly conceived victories in history and last and most the rugged splendour of Allenby s character SIR RONALD STORRS in The Spectator **Allenby** Archibald P. Wavell,1944 *Allenby in Egypt* Archibald Percival Wavell (maréchal).),1944 **Allenby in Egypt** Archibald Percival Wavell,1944 *Allenby in Egypt* Archibald Percival Wavell (1st Earl Wavell.),1943 **Allenby** Archibald Percival Wavell Earl of Wavell,1992 **Allenby in Egypt** Archibald Percival Wavell Earl of Wavell,1943 *A Brief History of Egypt* Arthur Goldschmidt,2008 Chronicles the history of Egyptian politics economics social and cultural developments from ancient times to the present **Allenby in Egypt** ,1943 Egypt's Liberal Experiment: 1922 - 1936 Afaf Lutfi Al-Sayyid-Marsot,2023-11-15 Egypt s Liberal Experiment 1922 1936 invites readers to delve into Egypt s transitional years when it grappled with the influences of colonial rule nationalism and burgeoning self governance With the sensitivity of an insider and the rigor of a historian the author offers a nuanced portrayal of the forces that shaped Egypt s experiment with liberal democracy Echoing geneticists and psychologists who posit that individuals and societies inherit and carry collective memories this work suggests that Egyptian political culture is rooted in a deep seated historical consciousness The book traces the continuity of Egypt s struggles aspirations and the resilience of its people through centuries of foreign domination Here the desire for national autonomy was not a

departure but an expression of Egypt's long standing ethos revealing a collective memory of resistance and survival that binds Egyptian identity and differentiates it from other nations. Rather than seeing the modern Egyptian state as a break from its past, Egypt's Liberal Experiment contextualizes the 1922-1936 period as a phase within an unbroken historical lineage. Despite the swift pace of 20th century change, this period was characterized by both progress and enduring challenges: industrialization, educational reforms, and social shifts interwove with political instability and external control. The author highlights the period's socio-political forces that, although constrained by British influence and monarchical power, fostered a budding sense of Egyptian self-determination. This complex legacy laid the groundwork for future developments, bridging traditional values with the emerging ideals of modern nationhood and making this book essential for understanding Egypt's unique path toward political autonomy and national identity.
