a Saint Christopher medal This earring made it possible for him to return home with the souls of his more unfortunate companions Back from Southeast Asia he enters a saloon in New York City and chats with the owner He mentions he had served overseas This man asks for a quiet moment and summons the patrons to propose a toast No one takes him seriously as he is in his cups When the bartender turns up the jukebox the room resumes its convivial atmosphere of the 60s free love and introspection Realizing he is not amused he leaves for an evening with a war buddy and his young family It s the commencement of his postwar experience with souls in tow He finds solace with his body wasted My body s aching and I can t find my way home like the song plays out His years pass with no great interests and he gets by well enough with a day to day existence but has accomplished nothing but keeps himself in blue collar work and in more barrooms When he meets up with a wealthy acquaintance from a tiny Midwest college they had attended he thinks of him as a shimmering deity of sorts Wings the handsome poet who drove his hunter green Morgan sports car through Lake Forest s bright autumn afternoons down Sheridan Road scattering bushels of fallen leaves with selfless irony a smirk and no smile now conversed regularly with Gabriel who thinks him quite the fellow in the sense that anyone with that amount of wealth should be able to do the greatest things Wings had married while still in college and his wife gave birth to a daughter who kept him out of the draft The child was another man s progeny Wings too had to survive the war His conversation of manuscripts investments inheritance love entanglements with no resolution or sense didn t matter to Gabriel It made him feel wealthy by association One evening on a walk through Central Park they and Wings daughter Ruth sat in a clearing to enjoy a bottle of wine She slips a pill into Gabriel s cup without him batting an eye as they were out to enjoy themselves Wings leaves abruptly Ruth follows shortly As night falls he finally goes in search of his two friends He approaches a big man cloaked in an animal skin who is armed with a large broad sword Gabriel inquires about his friends and is aggressively attacked In short order he has this man on his knees crying for help which he can t see A woman comes to the fallen man s aid but he mistakenly strikes her with his weapon The former marine awakens the next the morning and is arrested for the death of a woman not far from him He is released on bail and is presented with the opportunity of taking the fall After a short term in a psychiatric hospital he would be recompensed with a rather large sum of money Wings had arranged this to collect monies for himself and his daughter His wife had gone through his fortune Gabriel had never dreamed of such machinations His honor is at stake as that of his fellow war companions He decides to make a stand and dons an expensive navy blue suit over his service automatic and grabs a dagger On his way to Wings coop he finds himself walking through Central Park The intense clamoring of his men on his mind causes him to stumble and fall for an instant He shakes it off but doesn t know who he is In the waning daylight he wanders through a sett

Horror Comics in Black and White Richard J. Arndt, 2013-01-04 In 1954 the comic book industry instituted the Comics Code a set of self regulatory guidelines imposed to placate public concern over gory and horrific comic book content effectively banning genuine horror comics Because the Code applied only to color comics many artists and writers

turned to black and white to circumvent the Code's narrow confines. With the 1964 Creepy 1 from Warren Publishing, black and white horror comics experienced a revival continuing into the early 21st century, an important step in the maturation of the horror genre within the comics field as a whole. This generously illustrated work offers a comprehensive history and retrospective of the black and white horror comics that flourished on the newsstands from 1964 to 2004. With a catalog of original magazines, complete credits, and insightful analysis, it highlights an important but overlooked period in the history of comics.

Entertaining Martha Stewart, 2025-11-04 The book that started it all: the essential guide to entertaining from cultural icon Martha Stewart. With 300 recipes, 450 full-color photographs, and thousands of inspiring ideas that stand the test of time. Published in 1982, *Entertaining* turned Martha Stewart into a household name. In this timeless classic, she presents a style of entertaining that is personal, relaxed, and expressive. Drawing on her experience as a professional caterer, she shares tips and techniques for hosting fun and original parties, no matter the occasion or setting. *Entertaining* no longer has to be stiff and formal; it can be omelettes served on the lawn, dim sum before the theater, tempura in the kitchen, a boisterous pasta buffet, champagne and desserts at midnight, or a weekend country breakfast. Whether a party is small or large, indoor or outdoor, fancy or simple, impromptu or carefully planned, there are many ways to make a gathering special. Yet entertaining well demands more than originality. Planning and organization are the backbone of a successful party, and Stewart gives invaluable advice on this as well as on creating a comfortable ambience for guests, presenting food beautifully, setting the perfect table, choosing the ideal lighting and music, and working efficiently with a caterer if the occasion arises. Imaginative yet practical, with over three hundred original recipes, *Entertaining* will ensure that you never run out of ideas or inspiration for hosting the perfect event.
