Daniel Defoe

Country Wife:

The Country Wife William Wycherley, 1665-03-01 The resourceful hero of *The Country Wife* is Horner the scourge of stupid husbands and the hope of unhappy wives Through a single simple ruse Horner helps one woman after another settle accounts with a foolish spouse Margery the country wife upsets his plans when she learns the manners of the city and begins to apply them herself The Regents Restoration Drama text is based on the first edition of 1675 the last edition to enjoy Wycherley's attention By the time the second edition appeared he was in prison for debt having enjoyed too much of his success at the royal court *The Country Wife* William Wycherley, 2014-04-10 He's a fool that marries but he's a greater fool that does not marry a fool This bawdy hilarious subversive and wickedly satirical drama pokes fun at the humourless the jealous and the adulterous alike It features a country wife Margery whose husband believes she is too naive to cuckold him and an anti-hero Horner who pretends to be impotent in order to have unrestrained access to the women keen on the sport A number of licentious and hypocritical women request Horner's services the country wife among them *The Country Wife* has provoked powerfully mixed reactions over the years The seventeenth century libertine king Charles II saw it twice and is said to have joined the dance of the cuckolds at the end of one performance the eighteenth century actor playwright David Garrick declared it the most licentious play in the English language the Victorian Macaulay compared it to a skunk because it was too filthy to handle and too noisome even to approach Twentieth century productions heralded it a Restoration masterpiece Sexually frank and as ready to criticise marriage as infidelity the virtuosity linguistic energy brilliant wit naughtiness and complexity of this ribald play have made it a staple of the modern stage This student edition contains a lengthy entirely new introduction by leading scholar Tiffany Stern with a background on the author structure characters genre themes original staging and performance history as well as an updated bibliography and a fully annotated version of the playtext **Between Men** Eve Kosofsky Sedgwick, 1992 At the time of its first appearance in 1985 *Between Men* was viewed as an important intervention into Feminist as well as Gay and Lesbian studies It was an important book because it argued that sexuality and desire were not a historical phenomenon but carefully managed social constructs This insight that actually originated with Michael Foucault is often viewed as anti-humanist or post-humanist because it argues that men and women are simply the products of patriarchal power relations over which they have no control By mobilizing Foucault's theories of the history of sexuality Sedgwick re-fashions Feminism and Gay and Lesbian Studies to make it seem as though Feminism and Gay and Lesbian studies are ideally situated to continue those interventions into the history of sexuality begun by Foucault *Fatal Desire* Jean I. Marsden, 2006 Informed by film theory and a broad historical approach *Fatal Desire* examines the theatrical representation of women in England from the Restoration to the early eighteenth century a period when for the first time female actors could perform in public Jean I Marsden maintains that the feminization of serious drama during this period is tied to the cultural function of theater Women served as symbols of both domestic and imperial

propriety and so Marsden links the representation of women on the stage to the social context in which the plays appeared and to the moral and often political lessons they offered the audience The witty heroines of comedies were usually absorbed into the social fabric by marrying similarly lighthearted gentlemen but the heroines of tragedy suffered for their sins real or perceived That suffering served the dual purpose of titillating and educating the theater audience Marsden discusses such plays as William Wycherley's *Plain Dealer* 1676 John Vanbrugh's *Provoked Wife* 1697 Thomas Otway's *Orphan* 1680 Thomas Southerne's *Fatal Marriage* 1694 and William Congreve's *Mourning Bride* 1697 The author also addresses tragedies written by three female playwrights Mary Pix Catharine Trotter and Delarivier Manley and sketches developments in tragedy during the period

The Country Wife Tanika Gupta, 2004 This new version of William Wycherley's most famous classic *The Country Wife* has been adapted by Tanika Gupta one of the country's leading playwrights This contemporary farce tells the story of twenty something friends and rivals on their journey through love and liberation Following Hardeep's return to London he begins broadcasting his newly invented celibate state in a bid to attract women keen to reignite his passion for them With this deception more than successful his endeavours turn to the naive country wife Preethi Alok's virgin bride to settle unfinished business between old friends A fast paced comedy laced with deception disguise and lustful behaviour brought about by double standards adultery and promiscuous living *The Country Wife* was performed at the Watford Palace theatre in October 2004
