Tyrrell, 2015-04-17 I was somewhat apprehensive to return to work after a five day vacation at the Ritz Carlton Psychiatric Convention Center After taking a deep breath I prepared myself to be greeted by true friends who would tease me about playing checkers with the likes of Mrs Coca Cola and the Stay Puft Marshmallow Man Marie asked me how my vacation was I nodded to the affirmative We all had a good laugh at their loving insane insinuations Party time was soon over and my thoughts were back in the real world I went to the floral department and thought I wonder if I'd remember how to make an arrangement Instead I started off slow and made a boutonniere Easy enough I thought to myself With pride in my heart I smiled because I still had the touch of doing them both Thankfully soon it was break time I ordered an Apple Fritter and a diet Dr Pepper You're right it makes no sense But I've been eating that combination for the past twenty four years in the grocery business and I have a waistline to prove it I was heading for the break room as usual when a familiar feeling came over me and I saw myself in the eyes of another I don't know why I slipped into their isolated booth in the store's small dining area Across me was a very young and frightened woman sipping on a cup of coffee She had tears streaming down her cheeks and looked rather startled at my appearance But I had the feeling she was waiting for me Although we were not formally introduced words came freely between us She spoke of her fears and frustrations As she spoke I listened and my own struggles flashed before my eyes We spoke candidly of her darkest secret one of sanity I smiled as I told my new friend that the healing comes when you start believing in yourself As I watched her I recognized myself and was somewhat frightened for her You see it's sad to lose yourself and your family and blame God for an illness you have no control over To my surprise I felt something brush up against my feet I peeked under the tablecloth and discovered a fair haired boy who was three years old The young woman reached down and scooped him up She cradled him in her arms and he sucked on his thumb then he quickly disappeared as he appeared I smiled as I peeked under the table and saw an all too familiar world of childhood imagination I thought back to a time when my girls were very young Like this boy they too were victims of this cruel illness

We sat at the corner booth for a long time Then the young woman began to weep again Why would God do this to me My mind flashed back in time once more to an unsettling time in my life She took another sip of her coffee and we spoke of her son As she spoke of him she smiled with her eyes and a calm feeling came over her We spoke of our lives and the roads we chose to take As one living with mental illness my advice to her that day was Healing begins when you believe in yourself To this very day our paths have never crossed again I have no idea what struggles this young woman had All I know for sure is when we talked she eased my troubles for a while by focusing on her own I guess thats what life is all about John my husband of forty five years has been there with me every step of the way If not for him things couldve turned out very differently I could have lost my life my family my sanity and my faith in God Through it all there has been one constant thing in my life When we spoke our marriage vows nothing was said of until death do we part What we said was for time and all eternity On my darkest days John would say Honey you just have to get better soon because we vowed to love each other forever and forever is a very long time

Getting Garbo Jerry Ludwig,2004 Set in the glamorous cruel and often bizarre Hollywood era of the 1950s Getting Garbo is a hilarious and suspenseful novel of the cinema s Golden Age when autograph hounds were relentless as they sought the names of stars who became legends in their own lifetime Nineteen year old Reva Hess is a charming autograph collector and the number one fan of Roy Darnell star of the hit TV series Jack Havoc Reva follows him everywhere while keeping tabs on the private lives of film celebrities with her group of expert autograph collectors called The Secret Six Soon the slight confusion between Roy s own personality and the dashing dangerous Jack Havoc becomes an ominous obsession and the novel turns to murder Along the way Jerry Ludwig brings the old Hollywood to life evoking the giant screen figures of Humphrey Bogart Burt Lancaster Grace Kelly Frank Sinatra and dozens more as well as the off screen ruthlessness of Jack Warner This is a world where getting Garbo the elusive Greta who never signs autographs is synonymous with the yearning for the impossible the longing for fame and romance and the blurring of fiction and reality AB Bookman's Weekly ,1986 Subject Guide to Children's Books in
