Wolf and Coyote Trapping A.R Harding,2020-07-31 Reproduction of the original Wolf and Coyote Trapping by A R Harding **Tobacco Among the Karuk Indians of California** John Peabody Harrington,1932 The Mythology of the Wichita George Amos Dorsey,1995 Forward by Elizabeth A H John *Colombian Memoirs* Paul A. Lopez,2012-08-22 This book is based on the true story about my family the personal memoirs of my father a young Colombian man his journey to the United States the sacrifice and the struggle in bringing his family to be with him How a young Hispanic family had to cope with the constant fear of persecution and threat of deportation while dealing with the pressures of poverty and learning the thin line between good and bad ambition Life as an immigrant proved to be very difficult for my father hurling him into the dangerous life of a Colombian Drug Dealer **Tewa Tales** Elsie Clews Parsons,1994-03 The Tewa are a Pueblo Indian group from New Mexico some of whom migrated around 1700 in the aftermath of the second Pueblo Revolt to their present location

on First Mesa of the Hopi Reservation in northern Arizona This collection of more than one hundred tales from both New Mexico and Arizona Tewa first published in 1926 bears witness to their rich cultural history In addition to emergence and animal stories these tales also provide an account of many social customs such as wedding ceremonials and relay racing that show marked differences between the two tribal groups A comparison of tales from the two divisions of the tribe reveals something of what has happened to both emigrant and home staying Tewa over two centuries of separation Yet while only half of the Arizona tales are distinctly parallel to the New Mexican additional similarities may be found in such narrative features as the helpfulness of Spider old woman and her possession of medicine creating life magically under a blanket or Coyote beguiling girls into marriage Elsie Clews Parsons was a pioneering anthropologist in the Southwest whose works included the encyclopedic Pueblo Indian Religion The Tewa tales she gathered for this volume are thus notable not only as fascinating stories that will delight curious readers but also as authentic reflections of a people less known to scholars

Coyote's Land Margery Wolf, 2018-07-26 Via time travel Charlotte Makee a 21st century anthropologist meets an elderly Coast Miwok curer named Sekiak in the hills near Olompali in Marin County California Charlotte wishes to learn about Coast Miwok life before their society was disrupted and then destroyed by Catholic priests Spanish soldiers settlers and other foreigners over less than 100 years Once Sekiak decides to work with Charlotte she administers a potion that renders her visitor invisible to all but Sekiak and one or two others That potion also allows Charlotte to comprehend Miwok speech and she embarks on ethnographic fieldwork listening and observing in the nearby settlements with Sekiak as her primary teacher of local customs and history As the two women move back and forth through time Charlotte fills dozens of notebooks with data about Coast Miwok life that she intends to draw upon to tell the story of what happened to the people of Coyote s Land But as Margery Wolf s novel ethnography unfolds an ominous air settles over the research enterprise comparable to the ominous air of death and devastation that demolish a once thriving society This experimental ethnography joins fiction to historical and cultural data helping us to feel and see what happened as the Coast Miwok world turned upside down and then was altered beyond recognition
