American Remakes of British Television Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series *Till Death Us Do Part* into *All in the Family* American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like *American Idol* and *What Not to Wear* to the mock documentary approach of *The Office* are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch's *American Remakes of British Television Transformations and Mistranslations* is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable *Sanford and Son* is examined in terms of race and class issues Essays on *Life on Mars* and *Doctor Who* stress television's role in shaping collective cultural memories An essay on *Queer as Folk* explores the romance genre and also talks about differences in national sexual politics An examination of *The Office* discusses how the American remake actually endorses the bureaucracy that the British original satirized

ÔJust Lassen to Me!Ô- A First-Generation SonÔs Story: Surviving a Survivor Harvy Simkovits, 2017-08-25 Is it possible to admire a man's accomplishments but abhor what he stands for to seek his blessing but spurn his legacy What if that man is your father John Simkovits a native of Czechoslovakia survived the ravages of World War II before immigrating to Canada to escape the onset of Soviet Communism Over the next thirty years he grew a business and real estate empire through corporate double dealing devious tax evading and offshore money stashing flitting from one tax dodge and haven to the next Johnny groomed his second son Harvy to be the heir of his fortune enticing him into a world of questionable deals and backroom chicanery Unlike his religious brother and embittered mother Harvy was drawn to his father's shrewd business savvy and listened to his advice which often began with *Just lassen listen to me* Harvy faces hard choices and undergoes shattering life changes to reconcile repudiate and rectify his father's dubious legacy *I LOVE YOU, GOODBYE* Aynne McAvoy, 2025-01-21 Aynne became a widow in November 2023 after 35 years of marriage She stood at her husband's bedside in hospice and watched his soul leave his body She struggled to handle her husband's estate and desperately wanted

to communicate with him The reader will find her honest appraisal of her experiences on every page whose intent is to help other newly grieving individuals navigate this new life path Aynne offers helpful tips on handling the estate as she learns them herself Her deceased husband began to communicate almost immediately and is as delightful on the other side of the veil as he was here Follow along as synchronicities seemed to drop into her lap as she hesitantly opened the new door of Mediumship The reader will likely laugh and probably cry while better understanding what to expect on this challenging road While she does not necessarily recommend following in her footsteps with Mediumship she highly recommends that the new grieving individual find a new interest or reinstate an old one to help them through the days ahead She recently received a scholarship at age 75 to pursue Life Coaching studies and plans to specialize in newly grieving individuals *The Complete Works of Shakspeare, Revised from the Original Editions.
