All About Him A Personal Reference From The Man In My Life:

Holy Spirit Who? Alexys V. Wolf, 2011-02-25 Alexys is about to take you on a journey Holy Spirit Who is not like any book I have ever read about Holy Spirit I am not even sure if I would call it a book It s a reference a study guide and a testimony of the very heart and character of God Holy Spirit Who takes you deeper into the Word of God than most would endeavor Alexys has a way of breaking it down and feeding you line upon line precept upon precept Holy Spirit Who is foundational yet a tender haul over the coals for the intellectual who thinks he may have read it all Subtly she will eliminate every excuse you have to not walk fully in His will for your life and eradicate the very justification you thought you had for not knowing and walking in His Word I believe she actually writes Partial commitment is really no commitment Accepting who we are and then understanding who we are with Holy Spirit is a revelation that can only come from knowing His word and Him personally Alexys ensures that accurate interpretation is expressed and her findings are explored thoroughly She dissects Scripture within the Word of God digging deeper into the original intent and language She leads us with assurance leaving no room for uncertainty
