All Ive Known Of Wanting:

All I've Never Wanted Ana Huang, 2015-06-09 The Scions are the four richest most powerful guys at Valesca Academy and they rule the school with iron fists Everyone wants to date them or be them everyone that is except Maya Lindberg who just wants to avoid them until she can graduate She almost succeeds until an ill advised outburst puts her right in the Scions path Just like that one becomes her fake boyfriend one her unwanted matchmaker one her guardian angel and the one she can't stand the most Yeah he's her new housemate Is she happy about it Hell no All I've Never Wanted is a romantic comedy about what happens when a girl gets everything she never asked for including a puppy a new wardrobe and possibly even true love

You're the First One I've Told Kathryn Whetten, Kathryn Whetten-Goldstein, Trang Quyen Nguyen, 2002 In the second wave of the HIV epidemic those with the disease are more likely than ever to be female younger heterosexual a racial minority and rural living Vital to the development of user friendly health care systems is an understanding of the vastly different lives of this second wave of HIV infected persons You're the First One I've Told offers a view into the lives of men and women infected with HIV The experiences of twenty five people living with this disease in rural eastern North Carolina serve as the foundation of this book which also draws upon unique HIV AIDS survey data collected by the authors and statistics from the Southeastern United States This combination of qualitative and quantitative information provides readers with a vivid description of how people live with HIV AIDS in the midst of their often traumatic lives and why they manage their illness in ways that seem to contradict mainstream medical and social wisdom The people interviewed represent a variety of races genders professions family lives and medical and social service access and utilization This book is the first to address a history of racism distrust of formalized medical systems homophobia trauma and their interplay with HIV treatment particularly in the South It is an indispensable read for students needing to understand health care for the disenfranchised as well as any provider policymaker or researcher involved in HIV service provision
