Divided Kingdom Pat Thane, 2018-08-02 A clear comprehensive survey of British history from 1900 to the present integrating political economic social and cultural history **Governing Post-War Britain** Glen O'Hara, 2012-04-11 Glen O'Hara draws a compelling picture of Second World War Britain by investigating relations between people and government the electorate's rising expectations and demands for universally available social services the increasing complexity of the new solutions to these needs and mounting frustration with both among both governors and governed **Graduates** R.K. Kelsall, Anne Poole, Annette Kuhn, 2024-12-06 *Graduates* 1972 examines the careers of UK graduates for six years following their successful completion of their degrees It takes a detailed look at the issues of social mobility formal education family influences achievement motivation differences between the sexes social origins and the role of educated women in society

The Sociology of Educational Inequality William Tyler, 2011-12-08 What is the most significant factor for explaining why some individuals are more successful than others genetic inheritance privileged background or luck Although conventional approaches stress the prime importance of one of these Tyler argues that such theories fail to deal adequately with the complexity of educational inequality and suggests that Boudon's model of opportunity and mobility would provide us with a more productive explanation By applying this model to post war British education he shows how we might effectively think our approaches to the cycle of deprivation comprehensive reform and educational spending *The Concept of Development* W. A. Collins, 2013-05-13 Published in 1982 the *Concept of Development* is a valuable contribution to the field of Developmental Psychology Research in Social Stratification and Mobility Kevin T Leicht, 2003-12-03 Volume 20 of *Research in Social Stratification and Mobility* continues to remain at the forefront of the diverse group of social scientists who study social inequality and is now the official publication of the Social Stratification Research Group of the International Sociological Association RC 28 This issue features a comprehensive retrospective on the 40 years of contributions to social stratification research made by the late William Sewell and the Wisconsin Longitudinal Survey including an all inclusive bibliography of publications Other contributions address the growing differences between workers with full time jobs and various categories of the underemployed in Israel the United States and Germany social mobility in Korea and Sweden subjective responses to social inequality and the social consequences of status inconsistency and analyses of class consciousness and growing wealth inequality in the OECD *Comparative Research on Education* Manfred Niessen, Jules Peschar, 2013-10-22 *Comparative Research on Education Overview Strategy and Applications in Eastern and Western Europe* is a two part book that first gives an overview and an appraisal of the comparative research on education Then the book

presents examples of the type of investigation that is defined as comparative research on education Comparative research studies in Western as well as in Eastern Europe are covered in both parts of the book This book will be useful to students of comparative education as it presents pertinent examples of how empirical methods can be employed in dealing with central problems in education *The Palgrave Handbook of Race and Ethnic Inequalities in Education* P. Stevens,A.

Dworkin,2014-01-22 This comprehensive state of the art reference work provides the first systematic review to date of how sociologists have studied the relationship between race ethnicity and educational inequality over the last thirty years in eighteen different national contexts **Library Book Catalog** United States. Department of Justice,1972 John Newsom

David Parker,2005 This biography of an outstanding figure in the post World War II British school system offers new and important insights into the history of education Detailing Newsom s ides about the type of schooling children would need after the war it is shown how he quickly coordinated the country s welfare and education services as many thousands of evacuees escaped to Hertfordshire from the German bombing raids on London His success at a time of accentuated demand for social reform is made apparent explaining his radical school designs which were linked to liberal child centered teaching approaches Attention is paid to those areas of education particularly close to Newsom s heart the arts outdoor camps and expeditions and the reconciliation of war torn nations through overseas exchanges *GCSE Social Science Ann*

Cotterrell,Anthony Russell,1988 A resource for GCSE Social Science courses covering elements of politics sociology and economics It is skills based with a range of data from original sources for analysis and interpretation It takes an active learning approach with questions to encourage understanding and interpretation *The Crisis of the Meritocracy* Peter

Mandler,2020 The story of the revolutionary transformation of the British educational system in the second half of the 20th century from a rigid hierarchy for a minority to a fundamental right of all citizens one of the most valued and enduring features of the welfare state and the crisis of the meritocracy that this has entailed **A Bibliography of British History,**

1914-1989 Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **The Palgrave Handbook of Race and Ethnic Inequalities in Education** Peter A.J. Stevens,A.

Gary Dworkin,2019-07-05 This authoritative state of the art reference work builds on its first edition to provide a cutting edge systematic review of the relationship between race ethnicity and educational inequality Studying 25 different national contexts drawn from every inhabited continent on earth and building upon material from the earlier edition the work analyses educational policies practices and research on minority students immigrants and refugees The editors and contributors explore principal research traditions from countries as diverse as Argentina China Norway and South Africa examining the factors promoting social cohesion as well as considerations regarding the use of international test score data

Seamlessly integrating findings of national reviews the editors and contributors analyse how national contexts of race ethnic relations shape the character and content of educational inequalities and deftly map out new directions for future research in the area Global in its perspective and definitive in content this one stop volume will be an indispensable reference resource for a wide range of academics students and researchers in the fields of education sociology race and ethnicity studies and social policy Chapter 20 of this book is available open access under a CC BY 4 0 license at SpringerLink https://link.springer.com/chapter/10.1007/978-3-319-94724-2_20

Sociology for Gcse and Beyond David Spurling, 2016-12-16 This book shows how society is changing in terms of class ethnicity and attitudes towards gender and work It covers research methods which are important for sociology and many other subjects It relates to the different theories about modern society including modernisation theory functionalism and feminism It investigates how attitudes towards crime and religion have changed in the UK and also other countries Donald Trump has commented about globalisation and the effects on the American people This book looks at globalisation and how it affects people in many countries The governor of the Bank of England and nearly all world leaders have pledged their support to reduce the impact of climate change This book therefore covers the topic reflecting Spurling's views as an environmentalist The book also covers voting behaviour It includes typical ideas behind examination questions As an examiner Spurling is well aware that many examination reports state that too many students have been well drilled but are not answering what the question requires This book aims to help people overcome this problem
