come from Archangel Michael chief of the angels But she has communicated with other extra dimensional beings too and she s come to think of them as her team She writes down what they say She began recording the messages via automatic writing and was astounded when the words she was writing down began to come true Archangel Michael and the other beings described to her how everyone on Earth and beyond is connected They also explained that together we are moving toward a higher level of consciousness This process of enlightenment has been occurring for thousands of years but as the joyous breakthrough gets ever closer things are speeding up Join an ordinary woman who has been chosen to share extraordinary information about how to navigate the tumultuous but exciting times ahead **Sex, Love, and Romance in the Mass**

Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly

affect everything else you believe **The Rebirthing of God** John Philip Newell,2014-06-06 Dare to imagine a new birth from deep within Christianity a fresh stirring of the Spirit The walls of Western Christianity are collapsing In many parts of the West that collapse can only be described as seismic There are three main responses or reactions to this collapse The first is to deny that it is happening The second is to frantically try to shore up the foundations of the old thing The third which I invite us into is to ask what is trying to be born that requires a radical reorientation of our vision What is the new thing that is trying to emerge from deep within us and from deep within the collective soul of Christianity from the Introduction In the midst of dramatic changes in Western Christianity internationally respected spiritual leader peacemaker and scholar John Philip Newell offers the hope of a fresh stirring of the Spirit among us He invites us to be part of a new holy birth of sacred living Speaking directly to the heart of Christians those within the well defined bounds of Christian practice and those on the disenchanting edges as well as to the faithful and seekers of other traditions he explores eight major features of a new birthing of Christianity Coming back into relationship with the Earth as sacred Reconnecting with compassion as the ground of true relationship Celebrating the Light that is at the heart of all life Reverencing the wisdom of other religious traditions Rediscovering spiritual practice as the basis for transformation Living the way of nonviolence among nations Looking to the unconscious as the wellspring of new vision Following love as the seed force of new birth in our lives and world **Love** Roxanne Kinnally,2023-06-08 About the Book Forgiveness is the key to love writes Roxanne Kinnally in the opening lines of Love Dedicated to her daughter but meant for all Love draws from family life experience and the Bible to illustrate that love is ever present and the most important of all God's gifts Once feeling lost and alone Kinnally's daughter reminded her of the power of love and compelled her to write this book to remind the world of God's greatest gift About the Author Roxanne Kinnally was born in Jamaica and spent eight years in Belize before moving to America for college After graduating she began to work toward a law degree Kinnally is driven to pursue her passions and is currently working on a project for the blind and visually impaired as well as her next book Kinnally loves everyone and desires to show that love because she firmly believes love is the greatest gift of all **The Four Loves** C. S. Lewis,2023-11-20 The Four Loves is a 1960 book by C S Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments The book was based on a set of radio talks from 1958 which had been criticized in the U S at the time for their frankness about sex C S Lewis examines storge or empathy love philia friendship love eros romantic love and agape or God love Excerpt GOD is love says St John When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God **Our True Beloved** Michael S. Whiting,2024-10-17 C S Lewis's masterpiece The Four Loves published in 1960 provided the world with a Christian exploration of four dimensions of human love extolling the divine blessings and warning of the idolatrous distortions in familial belonging storge friendship as a common quest philia

romantic desire for personal union eros and concluding with the perfection of divine unconditional love agape Whiting uses the four loves as a framework to interpret the Christian love of God in historical movements across Catholic Orthodox Protestant and Pentecostal Charismatic churches He illuminates the often reactionary and competing tensions swinging between emphases on loving God in liturgical ritual and worship storge the active moral life philia personal spiritual experience eros and approaches of faith to suffering agape Synthesizing a panoramic view of Christian history with philosophy literature and biblical reflection Whiting shows how the love of God is diminished when the loves become fractured He advocates for an integrated holistic love of God that both avoids excesses and challenges the modern narrative of secular progress

God and the History of the Universe Jarvis Streeter,2016-03-22 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong Some Christian understandings of reality do conflict with some scientific understandings But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts founded on them This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God s role in the origin and history of the universe At the center of this integrated narrative is the view that God who is pure unbounded Love is Creator the zest for life in the universe comes from God and God is the source of Truth Beauty and Goodness in the universe God is amazed and delighted at what God and the world has created God is saddened by ways creatures have fallen short of pure unbounded Love Truth Beauty and Goodness and God s pure unbounded Love keeps on trying to persuade all creatures toward Truth Beauty and Goodness
