The Humble Essay Roy K. Humble, 2023-04-01 The Humble Essay is so much more than a writing textbook. It gives you tools tips and tricks that actually explain what a writer does. It doesn't sugarcoat the process or dumb down the very real challenges that entering a college writing space requires. This book is more like a friend. It's the kind of friend that will coach you through a tough time and encourage you and it will make you laugh while you go through it. It's the kind of friend who holds your hair back when you're sick of writing and gives you the courage to try again. Roy K Humble is the kind of writing teacher who understands the struggle of learning how to write like a college student and doesn't just tell you what you want to hear. His lessons here are profound but in the sense

that they are delivered by someone who wants you to feel included in the conversation about what good college writing should be He writes to students in language they can understand without becoming English majors and with just enough humor to keep them reading He writes for faculty moving step by step through the unadorned guiding principles of effective formal writing so that faculty have a great framework on which to build their classes Perhaps most importantly Humble understands that the price of a book matters to students so his books are affordable From every perspective Humble gets it The Humble Essay has students covered on these important topics Understanding the college essay as an idea Grasping the stages of the writing process Organizing the college essay around cohesive paragraphs Thinking for yourself as a college student Gathering and synthesizing sources and information Guiding readers through a thoughtful college essay LSAT Logic Games For Dummies Mark Zegarelli, 2010-02-08 Improve your score on the Analytical Reasoning portion of the LSAT If you're like most test takers you find the infamous Analytical Reasoning or Logic Games section of the LSAT to be the most elusive and troublesome Now there's help LSAT Logic Games For Dummies takes the puzzlement out of the Analytical Reasoning section of the exam and shows you that it's not so problematic after all This easy to follow guide examines the types of logic puzzles presented on the LSAT and offers step by step instructions for how best to correctly identify and solve each problem within the allocated time Coverage of all six question types Detailed strategies for quickly and correctly recognizing and solving each question type Complete with loads of practice problems Whether you're preparing to take the LSAT for the first time or looking to improve a previous score LSAT Logic Games For Dummies is the logical study companion for anyone looking to score high on the LSAT
