All About Pentecost:

Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century Without government support without an advertising campaign often without the notice of journalists and academics and sometimes in the face of persecution and ridicule it has spread its message around the world and now attracts in the region of 500 million people Many of its original and formative documents are unknown and out of print This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and over a range of issues and practices shows how they vary and how they have developed historically These texts have lain in out of print magazines and archives and so far as we know have never been collected before in this way This book allows you to hear the authentic voice of the Pentecostal and charismatic movements drawing especially from sources in English Re-Visioning African Pentecostal-Charismatic Ecclesiology in the Public Sphere Christian Tsekpoe, Lord Elorm Donkor, 2024-09-05 Despite the current impressive numerical growth of Pentecostal Charismatic Christianity in Africa there remain some concerns about the extent to which the church is making the desired impact in the public space As the church grows numerically the African continent is ironically plagued with many regrettable stories of corruption bad governance sexual abuse gender discrimination and perversion environmental degradation robbery economic crisis leading to poverty and hunger wars and other social vices This paradoxical increase in vices alongside the demographic growth of the Christian population on the continent has caused many to question the social impact of African Christianity Re Visioning African Pentecostal Charismatic Ecclesiology in the Public Sphere is a response to these observations The contributors to this volume who are made up of seasoned academics theological educators and missiologists and mission practitioners have engaged the subject from multidisciplinary perspectives highlighting significant contributions of African Pentecostalism while pointing out critical areas for urgent attention The volume is intended to stimulate conversations around the church's mandate of influencing the public sphere as an agent of social transformation **From Pentecost to the Triune God** Steven M. Studebaker, 2012-12-19 In From Pentecost to the Triune God Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology From Pentecost to the Triune God also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian

theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation

Pentecostal Hermeneutics in the Late Modern World L. William Oliverio, 2022-05-27 In *Pentecostal Hermeneutics in the Late Modern World* L. William Oliverio Jr offers a series of forays into the places where late modernity and Pentecostalism have met in interpreting God the world and human selves and communities Oliverio provides a historical constructive and ecumenical approach to understanding current trajectories in Pentecostal interpretation as he engages a variety of philosophers and theologians Together these essays point to a way forward for Pentecostal hermeneutics in the context of the late modern world

Spirit of the Arts Steven Félix-Jäger, 2017-11-01 A contribution to the field of theological aesthetics this book explores the arts in and around the Pentecostal and charismatic renewal movements It proposes a pneumatological model for creativity and the arts and discusses different art forms from the perspective of that model Pentecostals and other charismatic Christians have not sufficiently worked out matters of aesthetics or teased out the great religious possibilities of engaging with the arts With the flourishing of Pentecostal culture comes the potential for an equally flourishing artistic life As this book demonstrates renewal movements have participated in the arts but have not systematized their findings in ways that express their theological commitments until now The book examines how to approach art in ways that are communal dialogical and theologically cultivating

Carvalhaes,2018-11-09 This book connects the living realms of the church the self the neighbor and the world It envisions our daily local and global life from liturgical spaces places where Christians worship God Through these relations we can connect worship with economy preaching with raising a village baptism with forms of citizenship ecology and the market Easter with immigration liturgical knees with colonization spirituality with minority voices all uttering prayers that name racism poverty and a liberation theology of glory In these pages Cludio Carvalhaes issues a call to the churches to move from captive and colonized spaces into where the Spirit lives among the poor the needy the forgotten With a variety of relations between the Christian faith and our cultural ways of living Carvalhaes offers new liturgical and theological imaginings to be engaged with the most vulnerable in our societies and the earth A creative liturgical theology of liberation that makes sense of God between the world and the table altar between the pulpit and local communities the worship space and our multiple lived experiences For liturgy is an endless song of liberation This book is a call to life **Sermons** (230-272B) on the **Liturgical Seasons** Saint Augustine (of Hippo),1994 Sermons 230 272B are on the Liturgical Seasons The English reads smoothly and clearly The sermons have helpful subdivisions in the contents as well as the text Highly recommended Library Journal A must for libraries Catholic Library World An excellent resource Choice **The Church Seasons** Alexander Henley Grant,1881 *A form of prayers, following the Church office, for the use of Catholics unable to hear mass [ed. by J.P. Crichton-Stuart].* John Patrick Crichton- Stuart (3rd marq. of Bute),John Patrick Crichton-Stuart Marquess of Bute,1896 The Collected Works of Witness Lee, 1932-1949, volume 3 Witness Lee, The Collected Works of Witness Lee 1932 1949 volume 3 contains messages given by Brother Witness Lee in 1949 Historical information concerning Brother Lee s travels and the content of his ministry during this period can be found in the general preface that appears at the beginning of The Collected Works of Witness Lee 1932 1949 volume 1 The contents of this volume are divided into four sections as follows 1 Two messages given in Shanghai China in 1949 These messages were previously published along with seven messages given by Watchman Nee in a book entitled The New Covenant and are included in this volume under the same title Only the two messages given by Brother Lee are included in this section 2 Sixteen messages given in Taipei Taiwan in 1949 These messages were previously published in a book entitled Crucial Truths in the Holy Scriptures volume 1 and are included in this volume under the same title 3 Ten messages given in Taipei Taiwan in 1949 These messages were previously published in a book entitled Crucial Truths in the Holy Scriptures volume 2 and are included in this volume under the same title 4 Seven messages given in Taipei Taiwan in 1949 These messages were previously published in a book entitled Crucial Truths in the Holy Scriptures volume 3 and are included in this volume under the same title **Israel and the Covenants in New Testament Times** Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so

far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7:13-14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10:18 and the Israel of God Gal 6:16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

Pentecostal Perspectives on Social Justice Thomas U. Kurt, 2025-06-10

The beginnings of the Pentecostal movement were characterized by charismatic gifts and an extraordinary missionary dynamic At the same time early Pentecostals stood out from their social environment for their liberal practices on race and women's issues and for their pacifism In a world characterized by violence oppression and exploitation the question of justice is crucial for the future of this world At the same time for Pentecostals the question of the future of this world is closely linked to the kingdom of God This book explores whether there is a common denominator in Pentecostal social ethics what that denominator consists of and what its theological categories are To answer these questions it examines four representatives of the global Pentecostal church who have made prominent contributions in the field of social ethics The results are then discussed in a dialogue with Jürgen Moltmann one of the most prominent voices in systematic theology for social justice and the liberation of the oppressed
