

The background image is a close-up of an Art Deco architectural element, likely a clock face or a decorative arch. It features a light pinkish-beige background with a grid of gold lines. At the intersections of these lines are ornate gold leaf designs, each featuring a red gemstone. The overall style is characteristic of the 1920s Art Deco movement.

forward the art development Also UAT has now a larger artistic database to choose from than the 16 th century Eclecticism since new movements art schools styles ideas procedures of making art have been accumulated in the main time Like a guide UAT database should periodically be updated changed enlarged with new invented or adopted from any field ideas styles art schools movements experimentation techniques artists It is an open increasing essay to include everything that has been done throughout history This album presents a short panorama of commented art theories together with experimental digital images using adopted techniques from various fields in order to inspire the actual artists to choose from and also to invent or adopt new procedures in producing their artworks
