Award-Winning Scrapbook Pages ,2004 Award Winning Scrapbook Pages 800 page ideas useful tips Shows 75 winning designs from Creating Keepsakes Scrapbook Hall of Fame contests **Never These Men** Thomas Porky McDonald, 2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individuals weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In *Never These Men* Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives

to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer Never These Men fundamentally asks the reader to imagine how it feels to be branded for a singular moment in ones life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer Never These Men asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed Making Great Handmade Cards Hot off the Press Staff,2002 The Scrapbook in American Life Susan Tucker,Katherine Ott,Patricia Buckler,2006 This book explores the history of scrapbook making its origins uses changing forms and purposes as well as the human agents behind the books themselves Scrapbooks bring pleasure in both the making and consuming and are one of the most enduring yet simultaneously changing cultural forms of the last two centuries Despite the popularity of scrapbooks no one has placed them within historical traditions until now This volume considers the makers their artefacts And The viewers within the context of American culture The volume s contributors do not show the reader how to make scrapbooks or improve techniques but instead explore the curious history of what others have done in the past and why these splendid examples of material and visual culture have such a significant place in many households Scrapbooking Friends and Family ,2004 Discover more than 825 scrapbook pages and a full year of month by month scrapbooking ideas to chronicle the lives of family and friends In this value priced 288 page book in the Treasury of Favorites series from Creating Keepsakes scrapbook magazine special sections are presented for babies children teens and adults There are fun ideas for every month plus for every stage of life from birth to retirement Included are extensive galleries of reader scrapbook pages photo tips and more This colorful volume is packed with great ideas for faster family history pages and poignant suggestions for journaling family stories and traditions Articles include Recording the Stories That Make Your Family Unique Honor a War Hero A Family Reunion With Flair The Simple Charms of Childhood and others Simple Scrapbooks Stacy Julian,Gayle Humpherys,2000 Boxes of family photographs may invite conflicting feelings of joy and guilt how to assemble all of those pictures in a meaningful way for the

Modernity and the Periodical Press, 2022-11-07 Between 1880 and 1920 newspapers magazines and journals figured as the most important media for the public discussion of current events as central nodes for the circulation of mass entertainments and as windows into bustling art scenes Periodicals thus presented themselves as crucial media for the negotiation and implementation of cultural modernization processes *Modernity and the Periodical Press* explores this privileged role of the periodical press and focuses in particular on the often neglected intersections between mass print culture and the practices of literary and artistic avant gardes In doing so the volume examines a variety of materials that are shaped by the formats

The "War Scrap Book" of Matilda Joslyn Gage Peter Svenson, 2019-01-04 Although she was one of the leading thinkers and writers of the women's suffrage movement Matilda Joslyn Gage 1826-1898 was largely written out of history After working in collaboration with Elizabeth Cady Stanton and Susan B Anthony and after serving as president of the National Woman Suffrage Association Gage developed increasingly radical views on feminism religious liberty and equality under the law She eventually parted ways with the suffrage movement and founded the more progressive Woman's National Liberal Union In Witness to Rebellion award winning author Peter Svenson presents and examines Gage's last significant work a scrapbook that collects newspaper clippings about the Civil War from the 1860s onward Providing relevant contextual information Svenson formats the content of the scrapbook to transform this important artifact into a readable work that offers a new and engaging perspective on nineteenth century American history Gage's scrapbook sheds light on her thinking both as a feminist and a Union patriot as she lived through the bloodshed and upheaval of the war years and their aftermath Witness to Rebellion is a valuable resource not only for scholars of history women's studies and material culture but also for general readers with interest in women's suffrage and the Civil War

Hardship, Greed, and Sorrow Devorah Romanek, 2019-09-05 In the aftermath of the Civil War New Mexico Territory endured painful years of hardship and ongoing strife During this turbulent period a U.S. military officer stationed in the territory assembled an album of photographs a series of still shots taken by one or more anonymous photographers Now some 150 years later Hardship Greed and Sorrow reproduces the anonymous officer's souvenir album in its totality Offering an important glimpse of the American Southwest in the mid 1860s the book opens with a thoughtful foreword by Jennifer Nez Denetdale who considers the varied and lingering effects that settlement conquest and nineteenth century photography had on the Apaches and Navajos In her insightful introduction accompanying the photographs curator

and scholar Devorah Romanek places the photographs in historical context and explains their unusual provenance As she points out the 1866 album integrates a number of important themes in connection to the Civil War and Reconstruction periods including the French intervention in New Mexico and the internment of Navajos at the Bosque Redondo Indian Reservation The story of the album s provenance reads like a mystery some loose ends remain untied and some questions remain unanswered In addition to containing what may be the earliest extant photographs of Navajo Indians the album features both studio and field images of U S Army officers Mexican politicians and various sites throughout New Mexico According to Romanek a number of the album s photographs have appeared in other publications but with scant attention to their original context or purpose This compelling book reveals what we know about the collection its compiler and the photographer or photographers who captured such a fraught and complex moment in the history of the American Southwest

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club.
