**A.P. 'Bunny' Lucas: The Best of All My Boys** David Pracy, 2010-05-01 A late Victorian wag once claimed that all men were cads aesthetes or tradesmen In his time Bunny Lucas 1857 1923 was said to be all three but David Pracy here uses a wide range of primary and secondary sources to make the case for us to think of Lucas as an aesthete Yet his was a life full of intriguing paradoxes A devout churchman he was the unlikely co respondent in an Edwardian divorce case Conservative in character he entered the risky profession of stock jobber and probably lost thousands of pounds in an ill advised investment Famous as one of the most stylish defensive batsmen of his age he bowled a ball that inspired a short story by Sir Arthur Conan Doyle In a remarkable first class career spanning 34 seasons he was for some seven years an automatic choice for England and the Gentlemen but dropped out of top level cricket to play for his school Old Boys side and for the then minor county of Essex only to help them achieve first class status and enjoy his own cricketing Indian summer Born into a wealthy upper middle class family in a fashionable part of London s West End he became a great favourite with the often raucous East London crowds that supported Essex at Leyton As Robin Hobbs suggests in his foreword if Bunny Lucas had received the media attention given nowadays to players he would have been a sporting super star **My Best Trip** Robert D.

*All the Best for the Future* Greg James, 2025-09-25 Brilliantly funny and life affirming stories of growing up from much loved Radio 1 presenter and bestselling children's author Greg James When Greg James was ten years old his nylon shell suit clad idols the Chuckle Brothers to me to you signed an autograph from them to him with the message All the best for the future It was a weirdly formal message for a kid Ten year old Greg had no idea what the future held no clue what was in store for him as he carried on through life How could he No one really knows what's coming We all have big dreams and small ones ideas about how we want our lives to pan out when you'll get married where you'll live how many children you want what you want to be when you grow up We race through the milestones desperate to unlock life's next level and before you know it you're a grown up That's all well and good but have you remembered to have fun along the way Whether it's entertaining the nation with his hugely popular BBC Radio 1 Breakfast Show writing big funny adventures for kids with his bestselling children's books finding the joy in cricket and F1 in his podcasts Tailenders and The Fast and the Curious or posting stupid videos of his adorable but quite thick dog Barney Greg's focus is to put a smile on

people's faces because let's face it having fun is something we all forget to prioritise sometimes In All the Best for the Future Greg looks at how he thought his life would go and shares the things that wind him up make him sad make him laugh and the little passions and interests that he relies on to get him through the day whether it was a good one or a bad one He tells us who he is who he thought he'd be and who he still thinks he could be Most of all though his message for everyone is not to let go of that inner child as he navigates how to grow up without growing old It's possible to be fully functioning adults with bills to pay and a dog to look after and still find time to play with a train set *My Best Friend's Secret* Karin Thompson, 2025-06-06

**My Best; Forget The Rest** Theo Annika Knillsson,2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall It is hard to eat healthy when there is not enough money to do so Also when a victim is an emotional mess it is hard to eat healthily In reality the abuser pretty much dictates what when and if you eat at all Abusers force victims to eat foods that make a victim never want to eat that food again and some of those foods are healthy foods There are so many factors in why victims of abuse eat the way they do and why they have eating disorders Eating healthily is a big deal especially when a victim becomes malnourished due to abuse I was anorexic for a few years because of the long term horrific abuse At this time I had just had my last child down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation It took years of eating enough healthy food to get my weight back to a normal weight And then of course I unintentionally got back into another abusive situation His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again I was forced not to work in this final abusive marriage I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again Forced not to work made it so I had to use credit cards in order to eat enough healthy food At least I was not damaged again by anorexia No matter how forceful or abusive my husband was then my kids were not going to go without healthy food even if I was on a tight budget I would go into debt all over again so they could eat healthy I keep thinking I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage Finally out of that my last abusive marriage I am slowly but surely paying off the debt Yes with a lot of interest charge but I am going to be out of debt eventually I work as much as I can even if I am physically disabled unlike my last abusive husband I have to work to eat healthy I can t worry about the debt or I won t get out I eat healthy and in time I will become wealthy enough to be out of debt Because healthy is wealthy That is why I wrote this book to give you the reader ideas on what and how to eat drink and be the best forget the rest I will always be on a tight budget and that is how I will get out of debt SMART SPENDING HAPPY ENDING      **Cyclopaedia of English Literature ...
