Consolidation of Democracy in Africa Hussein Solomon, Ian Liebenberg, 2017-11-22 This title was first published in 2000. The continent of Africa is undergoing great change. While on the one hand there is talk of a re-awakening of Africa or Renaissance, various countries in Africa are still plagued by poverty, intra and interstate violence. In some countries, the legacy of neo-colonialism and underdevelopment contributed to social strife and the potential criminalization of the State. This book addresses the topic of democratization and sustainable democracy in Africa against this background.
