Tony Cloud, PhD

All Shook Up How Rock N Roll Changed America:

All Shook Up Glenn C. Altschuler, 2003-08-07 The birth of rock n roll ignited a firestorm of controversy one critic called it musical riots put to a switchblade beat but if it generated much sound and fury what if anything did it signify As Glenn Altschuler reveals in All Shook Up the rise of rock n roll and the outraged reception to it in fact can tell us a lot about the values of the United States in the 1950s a decade that saw a great struggle for the control of popular culture Altschuler shows in particular how rock s switchblade beat opened up wide fissures in American society along the fault lines of family sexuality and race For instance the birth of rock coincided with the Civil Rights movement and brought race music into many white homes for the first time Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American most notably Little Richard and Chuck Berry In addition rock celebrated romance and sex rattled the reticent by pushing sexuality into the public arena and mocked deferred gratification and the obsession with work of men in gray flannel suits And it delighted in the separate world of the teenager and deepened the divide between the generations helping teenagers differentiate themselves from others Altschuler includes vivid biographical sketches of the great rock n rollers including Elvis Presley Fats Domino Chuck Berry Little Richard Jerry Lee Lewis and Buddy Holly plus their white bread doppelgangers such as Pat Boone Rock n roll seemed to be everywhere during the decade exhilarating influential and an outrage to those Americans intent on wishing away all forms of dissent and conflict As vibrant as the music itself All Shook Up reveals how rock n roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties

All Shook Up Glenn C. Altschuler, 2023 The birth of rock n roll ignited a firestorm of controversy one critic called it musical riots put to a switchblade beat but if it generated much sound and fury what if anything did it signify As Glenn Altschuler reveals in All Shook Up the rise of rock n roll and the outraged reception to it in fact can tell us a lot about the values of the United States in the 1950s a decade that saw a great struggle for the control of popular culture Altschuler shows in particular how rock s switchblade beat opened up wide fissures in American society along the fault lines of family sexuality and race

All Shook Up, 2005

Rock & Roll in Kennedy's America Richard Aquila, 2022-11-29 The author tells an unconventional history of rock roll in the early 1960s one that argues that Buddy Holly s death in 1959 was not the day the music died that teenagers of the early 1960s were not as rebellious as we d like to believe and that the consensus politics and Cold War culture of this era were much broader based than we usually assume

Rock Music, Authority and Western Culture, 1964-1980 James A. Cosby, 2024-01-26 The history of rock and roll music can be seen in a long arc of Western civilization s struggle for both greater individual expression and societal stability In the 1960s the West s relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years important truths unfold in the stories of British Invaders

hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater individuality and social stability may be better reconciled moving forward

Transition of the Mind Tony Cloud, PhD, 2013-12 Author Tony Cloud grew up in Wheaton Maryland when the metropolitan area of Washington DC earned the title Crime Capital of the World He knows firsthand the ugliness that crime perpetuates In *Transition of the Mind* he shows how drugs and violence have affected the hearts of the entire world and discusses how action must be taken before it's too late This study journeys into the hearts of deprived devalued and distressed inner city children Based on real lives and true events in the ghetto and suburban areas it answers many questions that have been asked by parents and grandparents around the nation Why are so many young people joining gangs and how do we get them out What kinds of laws or rules are necessary for inner city survival How has poverty cheapened the value of life Besides abortion how are children murdered without a weapon What is the power of a gangsta in underprivileged areas Is racism truly alive and does it exist on every level of life Heartfelt and raw *Transition of the Mind* provides insight into the challenges of street life for many young people in inner city settings It shows that through discipline and faith in God and themselves they can overcome the challenges and become righteous people

The Cinematography of Roger Corman Pawel Aleksandrowicz, 2016-09-23 Roger Corman is an ambiguous artistic figure On the one hand he is notorious for shooting and producing his films quickly cheaply and with blatant disregard for safety measures which together with his ability to issue a dozen new films every year and his impressive filmography have earned him the titles of shlockmeister and the King of the Bs among film journalists On the other hand he became the youngest American director to be given a film retrospective at the prestigious Cinéma de France in Paris one of his directorial efforts *House of Usher* was selected for preservation in the National Film Registry by the Library of Congress and the Academy of Motion Picture Arts and Sciences awarded him with an Academy Honorary Award for his rich engendering of films and filmmakers This book investigates this duality and explores whether Corman is indeed a shlockmeister or an artist whose works are worthy of the highest cinema awards The scope of analysis is limited to his directorial efforts only still encompassing 50 features excluding the 400 films he produced The methodology adopted here is based on the auteur theory in its structuralist version by Geoffrey Nowell Smith and Peter Wollen and focuses on three areas of interest work ethic personal elements in the films personal control over and commitment to the production process outside direction themes topics and concerns common for many of the films regardless of the genre and style recurring stylistic motifs and elements in the camerawork editing and framing

Secular Music and Sacred Theology Tom Beaudoin, 2013 When the basic conceptions of the world held by whole generations in the West are formed by popular culture and in particular by the music that serves as its soundtrack can theology remain unchanged The authors of the essays in this

important volume insist that the answer is no These gifted theologians help readers make sense of what happens to religious experience in a world heavily influenced by popular media culture a world in which songs musicians and celebrities influence our individual and collective imaginations about how we might live Readers will consider the theological relationship between music and the creative process investigate ways that music helps create communities of heightened moral consciousness and explore the theological significance of songs Contributors to this fascinating collection include David Dalt Maeve Heaney Daniel White Hodge Michael J Iafrate Jeffrey F Keuss Mary McDonough Gina Messina Dysert Christian Scharen Myles Werntz Tom Beaudoin is associate professor of theology at Fordham University specializing in practical theology His books include Witness to Dispossession The Vocation of a Postmodern Theologian Consuming Faith Integrating Who We Are with What We Buy and Virtual Faith The Irreverent Spiritual Faith of Generation X He has given nearly 200 papers lectures or presentations on religion and culture over the last thirteen years He has been playing bass in rock bands since 1986 and directs the Rock and Theology Project for Liturgical Press www.rockandtheology.com

With Amusement for All LeRoy Ashby, 2006-05-12 With Amusement for All is a sweeping interpretative history of American popular culture Providing deep insights into various individuals events and movements LeRoy Ashby explores the development and influence of popular culture from minstrel shows to hip hop from the penny press to pulp magazines from the NBA to NASCAR and much in between By placing the evolution of popular amusement in historical context Ashby illuminates the complex ways in which popular culture both reflects and transforms American society He demonstrates a recurring pattern in democratic culture by showing how groups and individuals on the cultural and social periphery have profoundly altered the nature of mainstream entertainment The mainstream has repeatedly co-opted and sanitized marginal trends in a process that continues to shift the limits of acceptability Ashby describes how social control and notions of public morality often vie with the bold erotic and sensational as entrepreneurs finesse the vagaries of the market and shape public appetites Ashby argues that popular culture is indeed a democratic art as it entertains the masses provides opportunities for powerless and disadvantaged individuals to succeed and responds to changing public hopes fears and desires However it has also served to reinforce prejudices leading to discrimination and violence Accordingly the study of popular culture reveals the often dubious contours of the American dream With Amusement for All never loses sight of pop culture's primary goal the buying and selling of fun Ironically although popular culture has drawn an enormous variety of amusements from grassroots origins the biggest winners are most often sprawling corporations with little connection to a movement's original innovators

Reinventing Childhood After World War II Paula S. Fass, Michael Grossberg, 2011-11-29 In the Western world the modern view of childhood as a space protected from broader adult society first became a dominant social vision during the nineteenth century Many of the West's sharpest portrayals of children in literature and the arts emerged at that time in both Europe and the United States and continue to organize our perceptions and sensibilities to this day But that childhood is now

being recreated Many social and political developments since the end of the World War II have fundamentally altered the lives children lead and are now beginning to transform conceptions of childhood Reinventing Childhood After World War II brings together seven prominent historians of modern childhood to identify precisely what has changed in children s lives and why Topics range from youth culture to children s rights from changing definitions of age to nontraditional families from parenting styles to how American experiences compare with those of the rest of the Western world Taken together the essays argue that children s experiences have changed in such dramatic and important ways since 1945 that parents other adults and girls and boys themselves have had to reinvent almost every aspect of childhood Reinventing Childhood After World War II presents a striking interpretation of the nature and status of childhood that will be essential to students and scholars of childhood as well as policy makers educators parents and all those concerned with the lives of children in the world today

Feast of Excess George Cotkin,2016 *Feast of Excess* is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment *The Mind of the Censor and the Eye of the Beholder* Robert Corn-Revere,2021-10-20 Beginning in the nineteenth century with Anthony Comstock America s censor in chief *The Mind of the Censor and the Eye of the Beholder* explores how censors operate and why they wore out their welcome in society at large This book explains how the same tactics were tried and eventually failed in the twentieth century with efforts to censor music comic books television and other forms of popular entertainment The historic examples illustrate not just the mindset and tactics of censors but why they are the ultimate counterculture warriors and why in free societies censors never occupy the moral high ground This book is for anyone who wants to know more about why freedom of speech is important and how protections for free expression became part of the American identity

Perspectives on American Dance Jennifer Atkins,Sally R. Sommer,Tricia Henry Young,2020-04-14 Accessible and well researched combines practical and theoretical perspectives on ways that dance shapes the American experience Highly recommended Choice Unpredictable Counterintuitive Stunningly conceived So you think you know dance history These anthologies are full of revelations Mindy Aloff editor of *Leaps in the Dark Art and the World* This is a picture of American dance and a picture of America through dance as we have not conceived of it before advancing the bold and capacious idea that movement can illuminate who Americans are and who they want to be A startlingly original compilation that includes stops in the unlikeliest places it makes the case that following the moving body into every byway of life reveals an America that has been hiding in plain sight It will be impossible to think of this subject in the same way again Suzanne Carbonneau George Mason University and scholar in residence Jacob s Pillow Dancing embodies cultural history and beliefs and each

dance carries with it features of the place where it originated Influenced by different social political and environmental circumstances dances change and adapt American dance evolved in large part through combinations of multiple styles and forms that arrived with each new group of immigrants Perspectives on American Dance is the first anthology in over twenty five years to focus exclusively on American dance practices across a wide span of American culture This volume and its companion show how social experience courtship sexualities and other aspects of life in America are translated through dancing into spatial patterns gestures and partner relationships In this volume of Perspectives on American Dance the contributors explore a variety of subjects white businessmen in Prescott Arizona who created a Smoki tribe that performed authentic Hopi dances for over seventy years swing dancing by Japanese American teens in World War II internment camps African American jazz dancing in the work of ballet choreographer Ruth Page dancing in early Hollywood movie musicals how critics identified American qualities in the dancing of ballerina Nana Gollner the politics of dancing with the American flag English Country Dance as translated into American communities Bob Fosse s sociopolitical choreography and early break dancing as Latino political protest The accessible essays use a combination of movement analysis thematic interpretation and historical context to convey the vitality and variety of American dance They offer new insights on American dance practices while simultaneously illustrating how dancing functions as an essential template for American culture and identity Jennifer Atkins is associate professor of dance at Florida State University Sally R Sommer is professor of dance and director of the FSU in NYC program at Florida State University Tricia Henry Young is professor emerita of dance history and former director of the American Dance Studies program at Florida State University Contributors Jennifer Atkins Kathaleen Boche Cutler Edwards Karen Eliot Lizzie Leopold Julie Malnig Adrienne L McLean Joellen A Meglin Dara Milovanovic Jill Nunes Jensen Marta Robertson Lynette Russell Sally Sommer Ph D Daniel J Walkowitz Sara Wolf Ph D Tricia Henry Young *The Politics and Business of Self-Interest from Tocqueville to Trump* Richard Ned Lebow, 2017-11-20 Self interest is an important human motive and this book explores its evolution in the United States and its consequences for politics business and personal relationships In the postwar era American understandings of self interest have moved away from Alexis de Tocqueville s concept of self interest well understood in which people recognize that their interests are served by the success of the community of which they are part towards individualism by which he meant narrow framing that often leads people to pursue their interests at the expense of the community The book documents this evolution through qualitative and quantitative content analysis of presidential speeches television sitcoms and popular music before exploring its negative consequences for democracy *Handbook to Life in America* Rodney P. Carlisle, 2009 Changing International affairs and the forces of technological innovation shaped the lives of Americans in the last decades of the 20th century While the end of the Cold War and the collapse of the Soviet Union gave rise to hopes of peaceful international relations the Gulf War and the attacks of September 11 2001 on the World Trade Center in New York shattered these aspirations In the social sphere cell

phones CDs and the Internet completely transformed the ways by which people communicated and conveyed information The election of an African American man to the presidency marked the successful continuation of the struggle for equal civil rights bolstering America's reputation as a radically changing place in this contemporary period

The Transatlantic Sixties Grzegorz Kosciuszko, Clara Juncker, Sharon Monteith, Britta Waldschmidt-Nelson, 2014-04-15 This collection brings together new and original critical essays by eleven established European American Studies scholars to explore the 1960s from a transatlantic perspective Intended for an academic audience interested in globalized American studies it examines topics ranging from the impact of the American civil rights movement in Germany France and Wales through the transatlantic dimensions of feminism and the counterculture movement It explores for example the vicissitudes of Europe's status in US foreign relations European documentaries about the Vietnam War transatlantic trends in literature and culture and the significance of collective and cultural memory of the era

The New Encyclopedia of Southern Culture Larry J. Griffin, Peggy G. Hargis, Charles Reagan Wilson, 2012-07-01 This volume of The New Encyclopedia of Southern Culture offers a timely authoritative and interdisciplinary exploration of issues related to social class in the South from the colonial era to the present With introductory essays by J Wayne Flynt and by editors Larry J Griffin and Peggy G Hargis the volume is a comprehensive stand alone reference to this complex subject which underpins the history of the region and shapes its future In 58 thematic essays and 103 topical entries the contributors explore the effects of class on all aspects of life in the South its role in Indian removal the Civil War the New Deal and the civil rights movement for example and how it has been manifested in religion sports country and gospel music and matters of gender Artisans and the working class indentured workers and steelworkers the Freedmen's Bureau and the Knights of Labor are all examined This volume provides a full investigation of social class in the region and situates class concerns at the center of our understanding of Southern culture

The Bastard Instrument Brian F. Wright, 2024-07-03 The Bastard Instrument chronicles the history of the electric bass and the musicians who played it from the instrument's invention through its widespread acceptance at the end of the 1960s Although their contributions have often gone unsung electric bassists helped shape the sound of a wide range of genres including jazz rhythm blues rock country soul funk and more Their innovations are preserved in performances from artists as diverse as Lionel Hampton Liberace Elvis Presley Patsy Cline the Supremes the Beatles James Brown Bob Dylan Aretha Franklin Jefferson Airplane and Sly and the Family Stone all of whom are discussed in this volume At long last The Bastard Instrument gives these early electric bassists credit for the significance of their accomplishments and demonstrates how they fundamentally altered the trajectory of popular music

Life Could Be a Dream Jerry Wasserman, 2025-05-15 In the tumultuous decade following World War II the civil rights movement began transforming Black lives and American society The era also proved momentous for African American popular music new record labels new styles and exciting new sounds in the form of electrified blues combos rhythm and blues shouters and balladeers gospel and doo wop quartets By the late

1950s with rock n roll dominating the American soundscape much of the phenomenal Black music of the postwar decade began to drift into relative obscurity This book brings a remarkable body of African American music excluding jazz back into sharp focus and explores its connections to the socio political dreams of Black America during that period of frustrated hopes and great expectations With close attention to the singers musicians and lyrics in hundreds of recordings from 1946 to 1956 it offers for the first time a detailed examination of four musical genres along the blues continuum blues rhythm blues gospel and secular harmony better known as doo wop Meet the artists and listen to the sounds and themes of Black America in a musically explosive decade

The Evolution of American Urban Society Howard P. Chudacoff, Judith Smith, Peter Baldwin, 2016-05-23 This interesting and informative book shows how different groups of urban residents with different social economic and political power cope with the urban environment struggle to make a living participate in communal institutions and influence the direction of cities and urban life An absorbing book The Evolution of American Urban Society surveys the dynamics of American urbanization from the sixteenth century to the present skillfully blending historical perspectives on society economics politics and policy and focusing on the ways in which diverse peoples have inhabited and interacted in cities Key topics Broad coverage includes the Colonial Age commercialization and urban expansion life in the walking city industrialization newcomers city politics the social and physical environment the 1920s and 1930s the growth of suburbanization and the future of modern cities Market An interesting and necessary read for anyone involved in urban sociology including urban planners city managers and those in the urban political arena

All Shook Up How Rock N Roll Changed America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading All Shook Up How Rock N Roll Changed America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading All Shook Up How Rock N Roll Changed America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading All Shook Up How Rock N Roll Changed America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF

versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading All Shook Up How Rock N Roll Changed America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading All Shook Up How Rock N Roll Changed America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About All Shook Up How Rock N Roll Changed America Books

1. Where can I buy All Shook Up How Rock N Roll Changed America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
