

TOMMY

BY GWENDOLYN ELIZABETH BROOKS

I put my seed into the ground
And said, 'I'll watch it grow.'
I watered it and cared for it
As well as I could know.

One day I walked in my back yard,
And oh, what did I see!
My seed had popped itself right out
Without consulting me.

Edition John Keats,2023-11-27 The Complete Sonnets of John Keats encompasses all 64 of the poet's revered sonnets illustrating the interplay between personal emotion and the beauty of the natural world. Keats' innovative use of the Petrarchan and Shakespearean forms reveals his mastery of language while exploring themes such as love, mortality, and the transitory nature of beauty. The collection is quintessentially Romantic, characterized by rich imagery, sensory detail, and an introspective depth that captivates the reader while establishing a dialogue with the broader literary context of the early 19th century. John Keats, an emblematic figure of the Romantic movement, faced considerable personal trials that influenced his poetic vision. His early experiences with love, loss, and his own health struggles imbued his work with a profound sense of urgency and an appreciation for fleeting beauty. Keats' immersion in classical literature and his friendships with fellow poets, including Lord Byron and Percy Bysshe Shelley, honed his artistic sensibility and shaped his unique voice within the canon. For both scholars and poetry enthusiasts, The Complete Sonnets of John Keats offers a comprehensive and illuminating glimpse into the poet's soul. This edition serves as an essential resource for those seeking to understand not only the depths of Keats' artistry but also the enduring resonance of his themes across time. Engage with this collection to experience the elegance and emotional intensity that define Keats' remarkable contribution to the literary landscape. The Bamboo Hut
