A Geography of Blood Candace Savage, 2013-11-12 When Candace Savage and her partner buy a house in the romantic little town of Eastend she has no idea what awaits her At first she enjoys exploring the area around their new home including the boyhood haunts of the celebrated American writer Wallace Stegner the backroads of the Cypress Hills the dinosaur

skeletons at the T Rex Discovery Centre the fossils to be found in the dust dry hills She also revels in her encounters with the wild inhabitants of this mysterious land two coyotes in a ditch at night their eyes glinting in the dark a deer at the window a cougar pussy footing it through a gully a few minutes walk from town But as Savage explores further she uncovers a darker reality a story of cruelty and survival set in the still recent past and finds that she must reassess the story she grew up with as the daughter granddaughter and great granddaughter of prairie homesteaders **Eli's Tears** M.D. Miller,2012-12-26 We do not know the day or how the end will come Elis Tears is the first of three in an adventure playing out what the world might look like after the end arrives Such characters from very different walks of life find themselves walking together to survive Kris crossing themes of love friendship companionship and family weave throughout their adventure Even with loss and separation Miller reminds us through sometimes hilarious dialogue that we are never alone We can always find someone to share our disasters and our victories Just like we never know when or how our own end will come we also don't know how or who our friends will turn out to be Tales of the Wild and Wonderful. [By W. S. H. and other writers.] William Stephens Hayward,1870 Should Christians Be Environmentalists? Dan Story,2012-04-13 Did God instruct the human race to be His caretakers over nature If so is environmental exploitation disobedience to God Is it true as many critics claim that Christianity is the root cause of today's environmental problems or are all religions and cultures responsible How should the church respond Should Christians Be Environmentalists systematically tackles these tough questions and more by exploring what the Bible says about the environment and our stewardship of creation Looking at three dimensions of environmentalism as a movement a Bible based theology of nature and the role the church has in environmental ethics Dan Story examines each through a theological apologetic and practical lens **Silent Jim.
