Enochim David Kendal Jones,2014-09-29 ENOCHIM Anna and Jamie were soon to celebrate their twelfth birthday and looked forward to getting the usual presents However the early birthday present they received was to be attacked in their own home by two mysterious strangers which left them distraught and their mum fighting for her life Little did the twins know that this tragedy was the start of an adventure which would lead them to discover their heritage as Enochim and take them on a journey to The Crystal Sea and beyond to The Third Dimension On their road to discovery the twins would meet other Enochim and beings not of our world many who were to help them but others who were out to do them harm The road they were now travelling would teach them many new and old truths and would lead them to witness the greatest battle the universe and history had ever seen But as well as these universal truths Jamie and Anna would also discover the truth about their dead grandfather and the wolf he had to battle The story of Jamie and Anna is the story of The Enochim and even now The half has not yet been told

A Land of Pure Delight Isaac Owen,2013-02-20 Deep in the heart of rural Wales not far from the sea is Bethel village The first thing you see as you approach the village from town is Bethel Congregational Church In the early 1950s the minister there was the Reverend Elijah Morgan This is the story of the new young minister and the saints of Bethel It is an erudite closely observed account spiced with gentle humour It moves from Elijah s call to the pastorate through his ordination and settling in and then covers such excitements as the nativity play Christmas caroling preaching away in the Black Country the Sunday School outing the County Show and Elijah s marriage All the local characters are present as well as visitors from America Canada and Cumbria The story evokes a fast vanishing way of life It will appeal equally to those who live in rural Wales or hanker

Teach the Free Man Peter Nathaniel Malae, 2007 The twelve stories in Teach the Free Man mark the impressive debut of Peter Nathaniel Malae The subject of incarceration thematically links the stories yet their range extends beyond the prison's barbed wire and iron bars Avoiding sensationalism Malae exposes the heart and soul in those dark seemingly inaccessible corridors of the human experience The stories often raw and startlingly honest are distinguished by the colloquial voices of California's prison inmates who despite their physical and cultural isolation confront dilemmas with which we can all identify the choice to show courage against peer pressure the search for individual rights within a bureaucracy and the desperate desire for honor in the face of great sacrifice These stories present polished and poetic examples of finding something redemptive in the least among us The book's epigraph by W H Auden from which the book takes its title exemplifies the spirit of these dynamic stories In the deserts of the heart Let the healing fountain start In the prison of his days Teach the free man how to praise
