Couples Who Kill:

Killer Couples Jonny Cassidy, 2021-08-22 In a strange and dark twist true love takes a turn and lures those in love into hunts Sometimes one killing turns into multiple murders rapes or tortures The book tells 10 dark love stories that sacrificed numerous people's lives The matches made in hell are rare but exist Sometimes couples that kill together do so for practical reasons to conceal their wrong connection as siblings for example Some torture and murder so for the sheer pleasure of it Other times couples find concealed erotically charged urges connected to violence and bloodthirsty tortures in the forms of fetishes Sometimes one of the lovers is a prey too a victim to the other's malicious plans and desires The book takes a close look at the dark stories of couples who have killed together and throws new light on these cases It takes a look at the stories of love as criminal unions and also urges discussion about love as a powerful force that can drive one to unimaginable places even in normal relationships Each story of these deranged minds is unique and requires a perspective and mind of multiple facets to identify details not known to the investigations They all have one thing in common they kill in a union in the name of love These murderous couples fuel each other's evil impulses and bring out the worst in each other leading them to commit unspeakable actions of killing multiple individuals including children The stories told in the text describe truths that prove to have happened Individuals with low tolerance to stories about violence must avoid the book If you're ready to hear 10 hair-raising irresistible stories about couples that have murdered together Scroll up click on Buy Now with 1 Click and Get Your Copy Now

Shared Madness - True Stories of Couples Who Kill Christopher Berry-Dee, 2010-03 It is an extraordinary but well documented phenomenon two people who seem relatively harmless alone team up and the results are terrifyingly explosive Such unfortunate unions have been behind some of the most shocking news stories of recent years But what is it that makes couples like Myra Hindley and Ian Brady follow such a twisted path of sociopathic violence He offers a rare if uncomfortable insight into the truth behind the headlines and exposes some of the most cold blooded killers that the world has ever seen Included are some well known cases including the sickening murders committed by Fred and Rose West at their very own house of horror 25 Cromwell Street Other cases are more obscure but equally fascinating such as the story of Cynthia Coffman and James Gregory Marlow whose relationship led to three brutal murders Every one of the 22 cases of shared madness is a uniquely revealing study making this a must read for anyone with an interest in true crime and criminal psychology

clients dealing with catastrophes *Ink Dances in Limbo* Jessica Yeung, 2008-07-01 In this pioneering study of the entire written works of Gao Xingjian China's first winner of the Nobel Prize for Literature Jessica Yeung analyses each group of his writing and argues for a reading of Gao's writing as a phenomenon of cultural translation his adoption of Modernism in the 1980s is a translation of the European literary paradigm and his attempt at postmodernist writing in the 1990s and 2000s is the effect of an exilic nihilism expressive of a diasporic subjectivity struggling to translate himself into his host culture Thus Dr Yeung looks at Gao's works from a double perspective in terms of their relevance both to China and to the West Avoiding the common polarized approaches to Gao's works her dual approach means that she neither extolls them as the most brilliant works of contemporary Chinese literature eligible for elevation to the metaphysical level nor dismisses them as nothing more than elitist and misogynist mediocre writings rather she sees this important body of work in a more nuanced way This book is suitable for all readers who are interested in contemporary Chinese culture and literature It is particularly valuable to students who are keen to engage with the issue of contemporary China West cultural relationships
