Covenant Christ And Contraception:

Covenant, Christ, and Contraception John F. Kippley, 1970 *The Christian Case against Contraception* Bryan C. Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non-existent. *The Christian Case against Contraception* seeks to fill this gap by evaluating the practice not from personal preferences or more experience but from the four major theological disciplines of Christianity: Historical, Biblical, Systematic, and Practical Theology and Ethics. The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act. The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical, systematic, and practical arguments which establish the foundations of the Historic Church's claim. Opposing arguments are evaluated as to their strength and validity. In fact, Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices. For the reader seeking to place procreative ethics under the lordship of Christ, *The Christian Case against Contraception* offers a bold and clear way forward. Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity. He canvasses the wisdom of the church stands firm on the authority of the Bible and in so doing directs us all to greater obedience, greater faith, and in the end, greater joy. R. C. Sproul Jr., author of *Bound for Glory*. *The Contraception Deception: Catholic Teaching on Birth Control* Patrick Coffin, 2018-05-01 *The Contraception Deception: Catholic Teaching on Birth Control* by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic. In this expanded revised edition of *Sex As Naturel: What It Is and Why It's Good for Your Marriage*, Coffin demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birthrates. With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical, Coffin explains why *Humanae Vitae* is more timely than ever. In *The Contraception Deception*, you'll learn where exactly the Bible teaches against birth control, the differences between contraception and natural family planning, how they're more profound than you think, why other reproductive technologies fall short of God's vision for marriage and family, and most importantly, how to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging life-giving aspect of Christian discipleship. **Battle-scarred: Justice Can Be Elusive** John F. Kippley, 2011-03-23 John F. Kippley shared various life experiences, some of which he hopes are unique. **A Moral Evaluation of Contraception and Sterilization** Gary Atkinson, Albert S. Moraczewski, 1979 Pamphlets are located in the pamphlet section in the box labeled with the first heading listed below under Subjects. Pamphlets are for library use only. Wuerl, Thomas Comerford Lawler, 1991. Uncompromising clarity is what makes this catechism a long-time favorite. It explains the teachings of the Church in

exceptionally easy to understand language but it never waters down the truth or glides over the hard parts Copyright Libri GmbH All rights reserved **Natural Family Planning: The Complete Approach** John and Sheila Kippley, 2009-03-11 The right and healthy way to achieve or postpone pregnancy Cover **Sex and the Marriage Covenant** John F. Kippley, 2005 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book's contents Marriage comes into being by a couple unreservedly entering God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book

The Teaching of Christ Ronald David Lawler, Donald W. Mako A. Nagasawa, 2021-01-06 Today's Christian pro-life movement has misplaced its priorities The issue of abortion is more complex than the movement often appreciates For a start Scripture is less clear about the moral weight of the fetus than we often think In fact early Christians took different positions on abortion because they also relied on different scientific sources about the unborn Furthermore Christian conservatives today do not acknowledge that in American history as today Christian stances on abortion were motivated by other political fears White Protestant Americans developed different state laws on abortion to accomplish anti-immigrant goals in the North but anti-black racism in the South That messiness impacts

U S constitutional law including Roe v Wade Meanwhile Scripture commissions God's people to confront socio economic factors that push abortion rates higher male privilege and the disempowerment of women the high cost of child raising the causes of birth defects the desire to care narrowly for just my children mistaken views about contraception and the culture wars and most of all poverty This book incorporates biblical studies church history science social science history and public policy to argue that we must not approach abortion policy primarily from a criminal justice standpoint as modern conservatives do but from a broad social and economic standpoint meant to benefit and bless all children *My Body, Their Baby* Grace Kao, 2023-08-15 Drawing on her own experience as a surrogate mother Grace Y Kao assesses the ethics of surrogacy from a feminist and progressive Christian perspective concluding that certain kinds of surrogacy arrangements can be morally permissible and should even be embraced While the use of assisted reproductive technology has brought joy to countless families surrogacy remains the most controversial path to parenthood *My Body Their Baby* helps readers sort through objections to this way of bringing children into the world Candidly reflecting on carrying a baby for her childless friends and informed by the reproductive justice framework developed by women of color activists Kao highlights the importance of experience in feminist methodology and Christian ethics She shows what surrogacy is like from the perspective of women becoming pregnant for others parents who have opted for surrogacy including queer couples and the surrogate born children themselves Developing a constructive framework of ethical norms and principles to guide the formation of surrogacy relationships Kao ultimately offers a vision for surrogacy that celebrates the reproductive generosity and solidarity displayed through the sharing of traditionally maternal roles 50 Ethical Questions J. Alan Branch, 2022-01-26 Christians cannot escape difficult questions What we need is guidance to think well In *50 Ethical Questions* J Alan Branch addresses questions about ethics sexuality marriage and divorce bioethics and Christian living Readers will find biblical and reasonable guidance on their questions including What are the differences between individual and systemic racism I've been invited to a same sex wedding Should I attend Should Christians use vaccines from cell lines derived from aborted babies I'm a Christian in an abusive marriage What should I do Is it morally permissible for a Christian to conceal carry a firearm With Branch's help you can navigate ethical challenges with care and conviction
