## **Covenant Formula An Exegetical And Theological Investigation:**

**The Covenant Formula** Rolf Rendtorff, 1998-01-01 God's covenant with Israel is one of the most important themes of Old Testament scholarship. I will be your God; you shall be my people. Yet this has only rarely been the focus of a comprehensive study. Professor Rendtorff explores the different ways the covenant formula is used in the Bible, its structural and theological functions, the connections between covenant and election. An important contribution to a canonical interpretation of the Hebrew Bible.

**Covenant: A Vital Element of Reformed Theology**, 2021-11-29 *Covenant: A Vital Element of Reformed Theology* provides a multi-disciplinary reflection on the theme of the covenant from historical, biblical, theological, and systematic theological perspectives. The interaction between exegesis and dogmatics in the volume reveals the potential and relevance of this biblical motif. It proves to be vital in building bridges between God's revelation in the past and the actual question of how to live with him today.

*Perpetually Reforming: A Theology of Church Reform and Renewal* John P. Bradbury, 2013-07-18 One of the slogans of the reformation was *ecclesia reformata semper reformanda*: the reformed church always reforming. Churches throughout the western world are currently engaged in reform and renewal programmes through internal structural reforms as well as movements such as emerging church. This book presents a challenging theology of church reform and renewal that offers a contemporary understanding of this historic slogan. Taking an interdisciplinary approach, Bradbury discerns processes and practices which are perpetually reforming and renewing the identity of the church. It examines doctrinal and confessional conceptions of the church, re-examines texts concerned with covenantal renewal, and explores Jewish-Christian dialogue as an example of renewal. A constructive theology is offered, utilizing the categories of collective memory and mimetic practice. This upholds fundamental Christian identity whilst driving the process of reform and renewal under God in the context of a three-way relationship between God, the church, and the world.

*Worship in Ancient Israel* Walter Brueggemann, 2005 Guides readers through the themes, central texts, prayers, festivals, and practices of ancient Israel's worship traditions in the Old Testament.

**Trajectories** Bryan C. Babcock, James Spencer, 2018-03-02 *Trajectories* meets an urgent need in both undergraduate and graduate study of the Old Testament. Too often Old Testament theology focuses on the end product and leaves the process obscured. Each chapter of *Trajectories* provides a clear path connecting biblical research to theological conclusions. The final chapter offers a step-by-step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message. *Trajectories* also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology. The implications of globalization and the rise of millennials on Old Testament theology are critical and thought-provoking topics for discussion. Chapters in *Trajectories* are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament. In addition, the exploration of topics allows each study to link to the New Testament. Each chapter concludes with tangible applications for the contemporary Christian church and with

questions for group discussion and reflection      Being Missional, Becoming Missional Banseok Cho, 2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand      Hosea Bo H. Lim, Daniel Castelo, 2015

**The Death of Jacob** Kerry Dwaine Lee, 2015-10-20 In *The Death of Jacob* Narrative Conventions in Genesis 47 28 50 26 Kerry Lee investigates the deathbed story of the patriarch Jacob and uncovers the presence of a variety of conventional structures underlying its composition especially a conventional deathbed story or type scene also found in numerous other texts in the Hebrew Bible and non canonical Jewish literature Finding fault both with traditional diachronic approaches as well as more recent synchronic studies Lee uses an eclectic but coherent blend of contemporary methods drawn from narratology linguistics ritual theory legal theory assyriology and other disciplines to show that despite its probably composite pre history the last three chapters of Genesis have been intentionally and artfully structured by the hand predominately responsible for their final form

**The Obedient Son** Brandon D. Crowe, 2012-04-02 It has often been observed that Jesus filial obedience is an important Matthean theme In this work the author argues that the articulation of Jesus as Son of God in Matthew is significantly influenced by the Deuteronomic concept of obedient sonship After noting the complexities of Matthew's use of Scripture including the subtle ways he engages texts Deuteronomy's pervasive influence in ancient Judaism and Christianity is considered It is argued that the requirement of Israel's covenantal obedience as God's son's is a major concern in Deuteronomy as well as in other Jewish and Christian texts that appear to echo Deuteronomy Indeed it is argued that a pattern can be detected in which the sonship of Israel is invoked either to summon Israel to obedience or to rebuke the nation for disobedience The author concludes that the necessity of Israel's obedient sonship is an important part of Matthew's interpretive milieu that derives ultimately from Deuteronomy and our understanding of Matthean Christology is greatly enhanced when viewed in this context This study may further help us understand why Matthew's concern with obedient sonship applies not only to Jesus uniquely but also to the early Christian community      Kinship by Covenant Scott Hahn, 2009-01-01 While the canonical scriptures were produced over many centuries and represent a diverse library of texts they are unified by stories of divine covenants and their implications for God's people In this book Scott Hahn shows how

covenant as an overarching theme makes possible a coherent reading of the diverse traditions found within the canonical scriptures Biblical covenants though varied in form and content all serve the purpose of extending sacred bonds of kinship Hahn explains Specifically divine covenants form and shape a father son bond between God and the chosen people Biblical narratives turn on that fact and biblical theology depends upon it The author demonstrates how divine sonship represents a covenant relationship with God that has been consistent throughout salvation history From publisher s description

**Royal Priesthood** John A. Davies,2004-06-01 This book examines the portrayal of Israel as a royal priestly nation within Exodus and against the background of biblical and ancient Near Eastern thought Central to the work is a literary study of Exodus 19 4 6 and a demonstration of the pivotal role these verses and their main image have within Exodus This elective and honorific designation of Yahweh s cherished people has a particular focus on the privilege of access to him in his heavenly temple The paradigm of the royal grant of privileged status has profound implications for our understanding of the Sinai covenant

**The Oxford Handbook of Ezekiel** Corrine Carvalho,2023 The current state of scholarship on the book of Ezekiel one of the three Major Prophets is robust Ezekiel unlike most pre exilic prophetic collections contains overt clues that its primary circulation was as a literary text and not a collection of oral speeches The author was highly educated the theology of the book is dim and its view of humanity is overwhelmingly negative In The Oxford Handbook of Ezekiel editor Corrine Carvalho brings together scholars from a diverse range of interpretive perspectives to explore one of the Bible s most debated books Consisting of twenty seven essays the Handbook provides introductions to the major trends in the scholarship of Ezekiel covering its history current state and emerging directions After an introductory overview of these trends each essay discusses an important element in the scholarly engagement with the book Several essays discuss the history of the text its historical context redactional layers text criticism and use of other Israelite and near eastern traditions Others focus on key themes in the book such as temple priesthood law and politics while still others look at the book s reception history and contextual interpretations including art Christian use gender approaches postcolonial approaches and trauma theory Taken together these essays demonstrate the

vibrancy of Ezekiel research in the twenty first century      **Seeking a Homeland** Elisabeth Robertson Kennedy,2011-02-14 Sojourn is a Leitwort in the ancestral narratives of Genesis repeatedly accentuated as an important descriptor of the patriarchs identity and experience This study shows that despite its connotations of alienation sojourn language in Genesis contributes to a strong communal identity for biblical Israel An innovative application of Anthony D Smith s theory of ethnic myth utilizes the categories of ethnoscape election and communal ethics as analytical tools in the investigation of the Genesis sojourn texts Close exegetical treatment reveals sojourn to strengthen Israel s ethnic identity in ways that are varied and at times paradoxical Its very complexity however makes it particularly useful as a resource for group identity at times when straightforward categories of territorial and social affiliation may fail      **The Epistle of Second Baruch** Mark Whitters,2003-05-01 2 Baruch is one of the more important apocalyptic writings among the Jewish Pseudepigrapha written at the end of the 1st century AD and so contemporary with the New Testament The Epistle is a message to the Jews of the Dispersion Whitters is arguing that the document was once an authoritative text for a specific community and gives us clues about the important era between the two Jewish wars of 70 and 132 AD when Judaism was assuming radical new forms This Epistle tells Diapora Jews how to live in a world without the Jerusalem Temple      *Athirst for the Spirit: Biblical Wisdom for Desert Times* Nina Sophie Heereman,2023-01-26 Who are we and where are we going These are no two questions of greater importance In *Athirst for the Spirit* Biblical Wisdom for Desert Times biblical scholar Nina Sophie Heereman approaches these questions with the eternal insight of Sacred Scripture The seven essays included will answer what the Bible teaches about the meaning of our gender and in particular the Spirit bearing mission of woman and how we are to journey through the desert of this life *Athirst for the Spirit* reveals God s reason for creating man and woman as well as the Church and how the Bible provides a path through the time of tribulation in which we have been graced to live      **God's Praise and God's Presence** Gabriele G. Braun,2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God s people s praise and God s presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method      Reading Revelation Missiologically Abeneazer G. Urga,Edward L. Smither,Michael P. Naylor,2025-10-28 Through Global Mission to God s Throne Few works on Revelation emphasize its missional element Reading Revelation Missiologically aims to fill that gap showing that this final book of the Bible is deeply missional calling God s people to witness worship and endure in the face of suffering As the fourth volume in the Reading Missiologically series following Hebrews 1 Peter and James it highlights Revelation s call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume

explores Revelation's theology of mission Revelation is replete with the theme of God's love for the nations and it calls God's people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration Daniel Paul R. House, 2018-11-20 Daniel asserts that the meaning of history is that God's kingdom is coming As it does faithful people persevere in their work for God In this Tyndale commentary Paul House shows how Daniel rewards readers who embrace its historical literary and theological features as key means of personal and community formation
